Neither Black Nor White Yet Both Werner Sollors,1999 Why can a white woman give birth to a black baby while a black woman can never give birth to a white baby in the United States What makes racial passing so different from social mobility Why are interracial and incestuous relations often confused or conflated in literature making miscegenation appear as if it were incest Werner Sollors examines these questions and others in *Neither Black nor White yet Both* a fully researched investigation of literary works that in the past have been read more for a black white contrast of either or than for an interracial realm of neither nor both and in between From the origins of the term race to the cultural sources of the Tragic Mulatto and from the calculus of color to the retellings of various plots Sollors examines what we know about race analyzing recurrent motifs in scientific and legal works as well as in fiction drama and poetry **Garth Williams** Jill C. Wheeler,2005-01-01 Traces the childhood education and career of one of the most popular illustrators in children s literature Garth Williams Mixing Race, Mixing Culture Monika Kaup,Debra Rosenthal,2002-08-15 Over the last five centuries the story of the Americas has been a story of the mixing of races and cultures Not surprisingly the issue of miscegenation with its attendant fears and hopes has been a pervasive theme in New World literature as writers from Canada to Argentina confront the legacy of cultural hybridization and fusion This book takes up the challenge of transforming American literary and cultural studies into a comparative discipline by examining the dynamics of racial and cultural mixture and its opposite tendency racial and cultural disjunction in the literatures of the Americas Editors Kaup and Rosenthal have brought together a distinguished set of scholars who compare the treatment of racial and cultural mixtures in literature from North America the Caribbean and Latin America From various angles they remap the Americas as a multicultural and multiracial hemisphere with a common history of colonialism slavery racism and racial and cultural hybridity

Pilgrims Mike Marshall,2025-11-01 While doing research for a term paper on civil rights for his ninth grade civics class in the spring of 1976 Mike Marshall found an article in Time magazine about William Moore a thirty five year old postman from Binghamton New York On the afternoon of April 20 1963 Moore arrived at the Chattanooga bus station from Washington D C where he strapped on his protest signs He planned to walk to the governor s mansion in Jackson Mississippi and hand deliver a letter to Governor Ross Barnett On the third day of his walk he pushed his cart through Keener Alabama about fifteen miles north of Gadsden and twenty miles from Marshall s paternal grandparents home He stopped at a general merchandise store ate a can of corn and a pecan pie and read the afternoon newspaper About an hour later he rounded a curve that hugged a small park and saw a black car parked under a walnut tree its headlights and motor off The Sand Mountain area between Chattanooga Tenn and Gadsden Ala is no place for pilgrims read the opening paragraph of the Time story It is a land of mountaineers who tote rifles in their cars glare in suspicion at strangers and believe unshakably in racial segregation Last month William Moore thought he might change things by walking through the area displaying civil rights signs It cost him his life he was found shot dead on U S Highway 11 No Place for Pilgrims is Marshall s effort to fulfill a promise to both himself and his dying mother a promise she did not want him to keep to solve one of the only remaining civil rights cold cases And once Marshall discovered who the killer actually was he also figured out why his mother didn t want him to go stirring up trouble Was the Cat in the Hat Black? Philip Nel,2017-07-10 Racism is resilient duplicitous and endlessly adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is

structural it s embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people Was the Cat in the Hat Black presents five serious critiques of the history and current state of children s literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as The Cat in the Hat s roots in blackface minstrelsy and more opaque like how the children s book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children s literature While Was the Cat in the Hat Black does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism *A Right to Read* Patterson Toby Graham,2002-04-11 A Right to Read is the first book to examine public library segregation from its origins in the late 19th century through its end during the tumultuous years of the 1960s civil rights movement Graham focuses on Alabama where African Americans denied access to white libraries worked to establish and maintain their own Negro branches These libraries separate but never equal were always underfunded and inadequately prepared to meet the needs of their constituencies BOOK JACKET Karen's Grandad (Baby-Sitters Little Sister #70) Ann M. Martin,2016-06-28 From the bestselling author of the generation defining series The Baby sitters Club comes a series for a new generation Good friends Karen is happy that Granny and Grandad are living at the little house But Grandad has not been feeling well He cannot leave the house Karen feels sad about Grandad so she cheers him up She reads books with him as he rests Then Grandad gets really sick Karen is worried She loves Grandad so much **Garth Williams, American Illustrator** Elizabeth K. context that affected Williams life and art both in the old world and the new Against the frenetic pace of post war suburbanization Williams illustrations nurtured a connection with the animal world and with a vanishing agrarian life By tapping into American themes Williams spoke to a postwar yearning for simplicity Complete with more than 60 illustrations this is the first full biography of Garth Williams written with the help and cooperation of his family **Never Plan a Billionaire's Wedding** Julia Kent,2023-11-28 Rule 1 Don t fall in love with the groom Stalker exes Momzillas Drunk uncles Hurricanes Jealous siblings Paparazzi You name it Kari Whitevelt has seen it all And that s why brides and grooms hire her Because she makes it all go away Wedding Protectors Inc is here to make sure that special day stays special Whatever it takes No matter what But when her newest client turns out to be her own long lost high school sweetheart rising tech star billionaire Caleb Mikelmas suddenly Kari s not sure whether she s protecting the wedding couple Or her own heart Tech billionaire Caleb never thought he had a chance much less a second chance with his first love and high school sweetheart Kari When a case of mistaken identity turns their reunion into one big misunderstanding unraveling his feelings about the one who got away while supporting his brother s nuptials means facing old demons And kissing Kari He likes kissing Kari far more than that whole demon thing But if kisses were enough Kari would already be his wife Maybe it s time to revisit the past and right some wrongs One vow at a time Welcome to the Whatever It Takes series Every bride needs something old something new something borrowed something blue But you know what brides don t need Complications Welcome to Wedding Protectors Inc Have a spritzer or a latte or some lovely Zen tea and sink into a comfortable chair in our sunlit offices as we listen to your wedding problem and form the perfect solution to every possible contingency We plan for everything Except our own love lives But that s not your problem **White Fright** Jane Dailey,2020-11-17 A major new history of the fight for racial equality in America arguing that fear of black sexuality has undergirded white supremacy from the start In White Fright historian Jane Dailey brilliantly reframes our understanding of the long struggle for African American rights Those fighting against equality were not motivated only by a sense of innate superiority as is often supposed but also by an intense fear of black sexuality In this urgent investigation Dailey examines how white anxiety about interracial sex and marriage found expression in some of the most contentious episodes of American history since Reconstruction in battles over lynching in the policing of black troops behavior overseas during World War II in the violent outbursts following the Supreme Court s decision in Brown v Board of Education and in the tragic story of Emmett Till The question was finally settled as a legal matter with the Court s definitive 1967 decision in Loving v Virginia which declared interracial marriage a fundamental freedom Placing sex at the center of our civil rights history White Fright offers a bold new take on one of the most confounding threads running through American history **Jet** ,2000-06-19 The weekly source of African American political and entertainment news **Wild Things!
