Race And Class Politics In New York City Before The Civil War

Leslie M. Alexander

Race And Class Politics In New York City Before The Civil War:

Race and Class Politics in New York City Before the Civil War Anthony Gronowicz,1998 Challenging the studies of several historians regarding 19th century politics Anthony Gronowicz reveals how the Democratic Party employed the racist ideology of democratic republicanism to shape the political values of New York s labor force This insightful volume enriches one s understanding of antebellum politics economics and culture Illustrations **The Making of Urban America**

Raymond A. Mohl,Roger Biles,2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject **The A to Z**

of the Jacksonian Era and Manifest Destiny Terry Corps,2009-07-27 The brief period from 1829 to 1849 was one of the most important in American history During just two decades the American government was strengthened the political system consolidated and the economy diversified All the while literature and the arts the press and philanthropy urbanization and religious revivalism sparked other changes The belief in Manifest Destiny simultaneously caused expansion across the continent and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country as sectional divisions grew and a national crisis became almost inevitable The A to Z of the Jacksonian Era and Manifest Destiny takes a close look at these sensitive years Through a chronology that traces events year by year and sometimes even month by month actions are clearly delineated The introduction summarizes the major trends of the epoch and the four administrations therein The details are then supplied in several hundred cross referenced dictionary entries and the bibliography concludes this essential tool for anyone interested in history Walt Whitman and the Class Struggle

Andrew Lawson,2009-11 By reconsidering Whitman not as the proletarian voice of American diversity but as a historically specific poet with roots in the antebellum lower middle class Andrew Lawson in Walt Whitman and the Class Struggle defines the tensions and ambiguities about culture class and politics that underlie his poetry Drawing on a wealth of primary sources from across the range of antebellum print culture Lawson uses close readings of Leaves of Grass to reveal Whitman as an artisan and an autodidact ambivalently balanced between his sense of the injustice of class privilege and his desire for distinction Consciously drawing upon the languages of both the elite culture above him and the vernacular culture below him Whitman constructed a kind of middle linguistic register that attempted to filter these conflicting strata and defuse their

tensions You shall not look through my eyes either nor take things from me You shall listen to all sides and filter them from yourself By exploring Whitman s internal struggle with the contradictions and tensions of his class identity Lawson locates the source of his poetic innovation By revealing a class conscious and conflicted Whitman he realigns our understanding of the poet s political identity and distinctive use of language and thus valuably alters our perspective on his poetry *How Class Works* Stanley Aronowitz,2003-01-01 Although Americans like to believe that they live in a classless society Stanley Aronowitz demonstrates that class remains a potent force Defining class as the power of social groups to make a difference he explains that social groups such as labor movements environmental activists and feminists become classes when they make demands that change the course of history With *How Class Works* Aronowitz puts the subject of social class squarely on the intellectual agenda though in a new inclusive and dynamic form Like his influential *False Promises* *How Class Works* is both intellectually exciting and morally challenging Barbara Ehrenreich In *How Class Works* Aronowitz argues for the enduring vitality of the concept of social class as a way of understanding social relations This is a significant contribution to social theory an argument certain to be widely considered debated and tested George Lipsitz author of *American Studies in a Moment of Danger* An intellectually captivating book on a topic that remains as timely and significant as ever Howard Kimeldorf University of Michigan *Law and Economics* Margaret Oppenheimer,Nicholas Mercuro,2015-06-01 The economic analysis of legal and regulatory issues need not be limited to the neoclassical economic approach The expert contributors to this work employ a variety of heterodox legal economic theories to address a broad range of legal issues They demonstrate how these various approaches can lead to very different conclusions concerning the role of the law and legal intervention in a wide array of contexts The schools of thought and methodologies represented here include institutional economics new institutional economics socio economics social economics behavioral economics game theory feminist economics Rawlsian economics radical economics Austrian economics and personalist economics The legal and regulatory issues examined include anti trust and competition corporate governance the environment and natural resources land use and property rights unions and collective bargaining welfare benefits work time regulation and standards sexual harassment in the workplace obligations of employers and employees to each other crime torts and even the structure of government Each contributor brings a different emphasis and provides thoughtful sometimes provocative analysis and conclusions Together these heterodox insights will provide valuable supplementary reading for courses in law and economics as well as public policy and business courses at both the graduate and undergraduate levels **Historical Dictionary of the Jacksonian Era and Manifest Destiny** Mark R. Cheatham,Terry Corps,2016-12-13 The Jacksonian period under review in this dictionary served as a transition period for the United States The growing pains of the republic s infancy during which time Americans learned that their nation would survive transitions of political power gave way to the uncertainty of adolescence While the United States did not win its second war the War of 1812 with its mother country it reaffirmed its

independence and experienced significant maturation in many areas following the conflict's end in 1815. As the second generation of leaders took charge in the 1820s, the United States experienced the challenges of adulthood. The height of those adult years from 1829 to 1849 is the focus of the *Historical Dictionary of the Jacksonian Era and Manifest Destiny*. This second edition of *Historical Dictionary of the Jacksonian Era and Manifest Destiny* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about this era in American history.

Between Freedom and Bondage

Christopher Malone, 2012-09-10 *Between Freedom and Bondage* looks at the fluctuations of black suffrage in the ante-bellum North using the four states of New York, Pennsylvania, Massachusetts, and Rhode Island as examples. In each of these states a different outcome was obtained for blacks in their quest to share the vote. By analyzing the various outcomes of state struggles, Malone offers a framework for understanding and explaining how the issue of voting rights for blacks unfolded between the drafting of the Constitution and the end of the Civil War.

A History of Affirmative Action, 1619-2000

Philip F. Rubio, 2009-09-18 A readable history that puts the current debates in historical context.

Black Identity and Black Protest in the Antebellum North Patrick Rael, 2003-01-14 Frederick Douglass, Sojourner Truth, Martin Delany—these figures stand out in the annals of black protest for their vital antislavery efforts. But what of the rest of their generation, the thousands of other free blacks in the North? Patrick Rael explores the tradition of protest and sense of racial identity forged by both famous and lesser-known black leaders in antebellum America and illuminates the ideas that united these activists across a wide array of divisions. In so doing, he reveals the roots of the arguments that still resound in the struggle for justice today. Mining sources that include newspapers and pamphlets, the black national press, speeches and sermons, slave narratives, and personal memoirs, Rael recovers the voices of an extraordinary range of black leaders in the first half of the nineteenth century. He traces how these activists constructed a black American identity through their participation in the discourse of the public sphere and how this identity in turn informed their critiques of a nation predicated on freedom but devoted to white supremacy. His analysis explains how their place in the industrializing, urbanizing antebellum North offered black leaders a unique opportunity to smooth over class and other tensions among themselves and successfully galvanize the race against slavery.

Historic Cities of the Americas David F. Marley, 2005-09-12

With rare maps, prints, and photographs, this unique volume explores the dramatic history of the Americas through the birth and development of the hemisphere's great cities. Written by award-winning author David F. Marley, *Historic Cities of the Americas* covers the hard-to-find information of these cities' earliest years, including the unique aspects of each region's economy and demography, such as the growth of local mining, trade, or industry. The chronological layout, aided by the numerous maps and photographs, reveals the exceptional changes, relocations, destruction, and transformations these cities endured to become the metropolises they

are today Historic Cities of the Americas provides over 70 extensively detailed entries covering the foundation and evolution of the most significant urban areas in the western hemisphere Critically researched this work offers a rare look into the times prior to Christopher Columbus arrival in 1492 and explores the common difficulties overcome by these European conquered or founded cities as they flourished into some of the most influential locations in the world **From Slavery to Poverty**

Gunja SenGupta,2010-11 The racially charged stereotype of welfare queen an allegedly promiscuous waster who uses her children as meal tickets funded by tax payers is a familiar icon in modern America but as Gunja SenGupta reveals in From Slavery to Poverty her historical roots run deep For SenGupta argues the language and institutions of poor relief and reform have historically served as forums for inventing and negotiating identity Mining a broad array of sources on nineteenth century New York City s interlocking network of private benevolence and municipal relief SenGupta shows that these institutions promoted a racialized definition of poverty and citizenship But they also offered a framework within which working poor New Yorkers recently freed slaves and disfranchised free blacks Afro Caribbean sojourners and Irish immigrants sex workers and unemployed laborers and mothers and children could challenge stereotypes and offer alternative visions of community Thus SenGupta argues long before the advent of the twentieth century welfare state the discourse of welfare in its nineteenth century incarnation created a space to talk about community race and nation about what it meant to be American who belonged and who did not Her work provides historical context for understanding why today the notion of welfare with all its derogatory un American connotations is associated not with middle class entitlements like Social Security and Medicare but rather with programs targeted at the poor which are wrongly assumed to benefit primarily urban African Americans *New York* Ric Burns,James Sanders,Lisa Ades,2021-11-23 An expanded edition of the only comprehensive illustrated history of New York with more than 600 ravishing photographs and illustrations that tells the remarkable 400 year long story of the city from its beginning in 1624 up to the current moment The companion volume to the acclaimed PBS series This landmark book traces the spectacular growth of New York from its initial settlement on the tip of Manhattan through the destruction wrought by the Revolutionary War to its rise as the nation s premier commercial capital and industrial center and as a magnet for immigrant hopes and dreams in the 19th century to its standing as a beacon of modern culture in the 20th century and as a worldwide symbol of resilience in the 21st century The story continues here with new chapters delivering a sweeping portrait of New York at the dawn of the 21st century when it emerged after decades of decline to assert its place at the very center of a new globalized culture Here is a city challenged indeed sometimes shaken to its core by a series of profound crises the aftermath of 9 11 the continual struggle with racial injustice the financial crisis of 2008 the devastation of Superstorm Sandy the still unfolding cataclysm of the COVID 19 pandemic whose earliest and deadliest urban epicenter was New York itself Here too is a lively portrait of the city s vibrant street life and culture the birth of hip hop in the South Bronx Christo and Jeanne Claude s Gates in Central Park the musicals of Broadway the explosion in

location filmmaking in every borough the pivotal rise of the tech industry and so much more The history of this city especially in the tumultuous and transformative two decades detailed in the new chapters is an epic story of rebirth and growth an astonishing transfiguration still in progress of the world's first modern city into a model and prototype for the global city of the future

John Jay and Alexander Hamilton on Black Enslavement Arthur Scherr, 2025-01-10 In this groundbreaking study Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic John Jay and Alexander Hamilton Using Hamilton's 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point Scherr assesses the pair's positions on enslavement Utilizing often untouched resources Scherr offers a re-evaluation of Hamilton and Jay's modern status as antislavery icons

Triumph of Order Lisa Keller, 2010-09-21 In an effort to create a secure urban environment in which residents can work live and prosper with minimal disruption New York and London established a network of laws policing and municipal government in the nineteenth century aimed at building the confidence of the citizenry and creating stability for economic growth At the same time these two cities attempted to maintain an expansive level of free speech and assembly Yet as democracy expanded in tandem with the size of the cities themselves the two goals clashed resulting in tensions over their compatibility Treating nineteenth century London and New York as case studies Lisa Keller examines the development of sanctioned free speech controlled public assembly new urban regulations and the quelling of riots all in the name of a proper regard for order Drawing on rich archival sources Keller paints an intimate portrait of daily life in these cities and the intricacies of their emerging bureaucracies She finds that New York eventually settled on a policy of preempting disruption before it occurred while London chose a path of greater tolerance toward street activities Keller concludes with an assessment of freedom in New York and London today and asks whether the scales have been tipped too strongly in favor of order and control

Young America Mark A. Lause, 2010-10-01 The National Reform Association NRA was an antebellum land reform movement inspired by the shared dream of a future shaped by egalitarian homesteads Mark A Lause's *Young America* argues that it was these working people's interest in equitable access to the country's most obvious asset land that led them to advocate a federal homestead act granting land to the landless state legislation to prohibit the foreclosure of family farms and antimonopolistic limitations on land ownership Rooting the movement in contemporary economic structures and social ideology *Young America* examines this urban and working class agrarianism demonstrating how the political preoccupations of this movement transformed socialism by drawing its adherents from communitarian preoccupations into political action The alliance of the NRA's land reformers and radical abolitionists led unprecedented numbers to petition Congress and established the foundations of what became the new Republican Party promising Free Soil Free Labor Free Men

The Elite of Our People: Joseph Willson's Sketches of Black Upper-Class Life in Antebellum Philadelphia, *African Or American?* Leslie M. Alexander, 2011-12-21 The struggle for black identity in antebellum New York

Men, Mobs, and Law

Rebecca Hill,2009-01-23 This very ambitious study reads the American Left by way of its defense campaigns for a range of left wing heroes including the abolitionists communists anarchists and the Panthers **Gotham** Edwin G. Burrows, Mike Wallace,1998-11-19 To European explorers it was Eden a paradise of waist high grasses towering stands of walnut maple chestnut and oak and forests that teemed with bears wolves raccoons beavers otters and foxes Today it is the site of Broadway and Wall Street the Empire State Building and the Statue of Liberty and the home of millions of people who have come from every corner of the nation and the globe In Gotham Edwin G Burrows and Mike Wallace have produced a monumental work of history one that ranges from the Indian tribes that settled in and around the island of Manna hata to the consolidation of the five boroughs into Greater New York in 1898 It is an epic narrative a story as vast and as varied as the city it chronicles and it underscores that the history of New York is the story of our nation Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company Peter Stuyvesant s despotic regime Indian wars slave resistance and revolt the Revolutionary War and the defeat of Washington s army on Brooklyn Heights the destructive seven years of British occupation New York as the nation s first capital the duel between Aaron Burr and Alexander Hamilton the Erie Canal and the coming of the railroads the growth of the city as a port and financial center the infamous draft riots of the Civil War the great flood of immigrants the rise of mass entertainment such as vaudeville and Coney Island the building of the Brooklyn Bridge and the birth of the skyscraper Here too is a cast of thousands the rebel Jacob Leisler and the reformer Joanna Bethune Clement Moore who saved Greenwich Village from the city s street grid plan Herman Melville who painted disillusioned portraits of city life and Walt Whitman who happily celebrated that same life We meet the rebel Jacob Leisler and the reformer Joanna Bethune Boss Tweed and his nemesis cartoonist Thomas Nast Emma Goldman and Nellie Bly Jacob Riis and Horace Greeley police commissioner Theodore Roosevelt Colonel Waring and his white angels who revolutionized the sanitation department millionaires John Jacob Astor Cornelius Vanderbilt August Belmont and William Randolph Hearst and hundreds more who left their mark on this great city The events and people who crowd these pages guarantee that this is no mere local history It is in fact a portrait of the heart and soul of America and a book that will mesmerize everyone interested in the peaks and valleys of American life as found in the greatest city on earth Gotham is a dazzling read a fast paced brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book

Race And Class Politics In New York City Before The Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Race And Class Politics In New York City Before The Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Race And Class Politics In New York City Before The Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Race And Class Politics In New York City Before The Civil War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Race And Class Politics In New York City Before The Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Race And Class Politics In New York City Before The Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Race And Class Politics In New York City Before The Civil War Books
