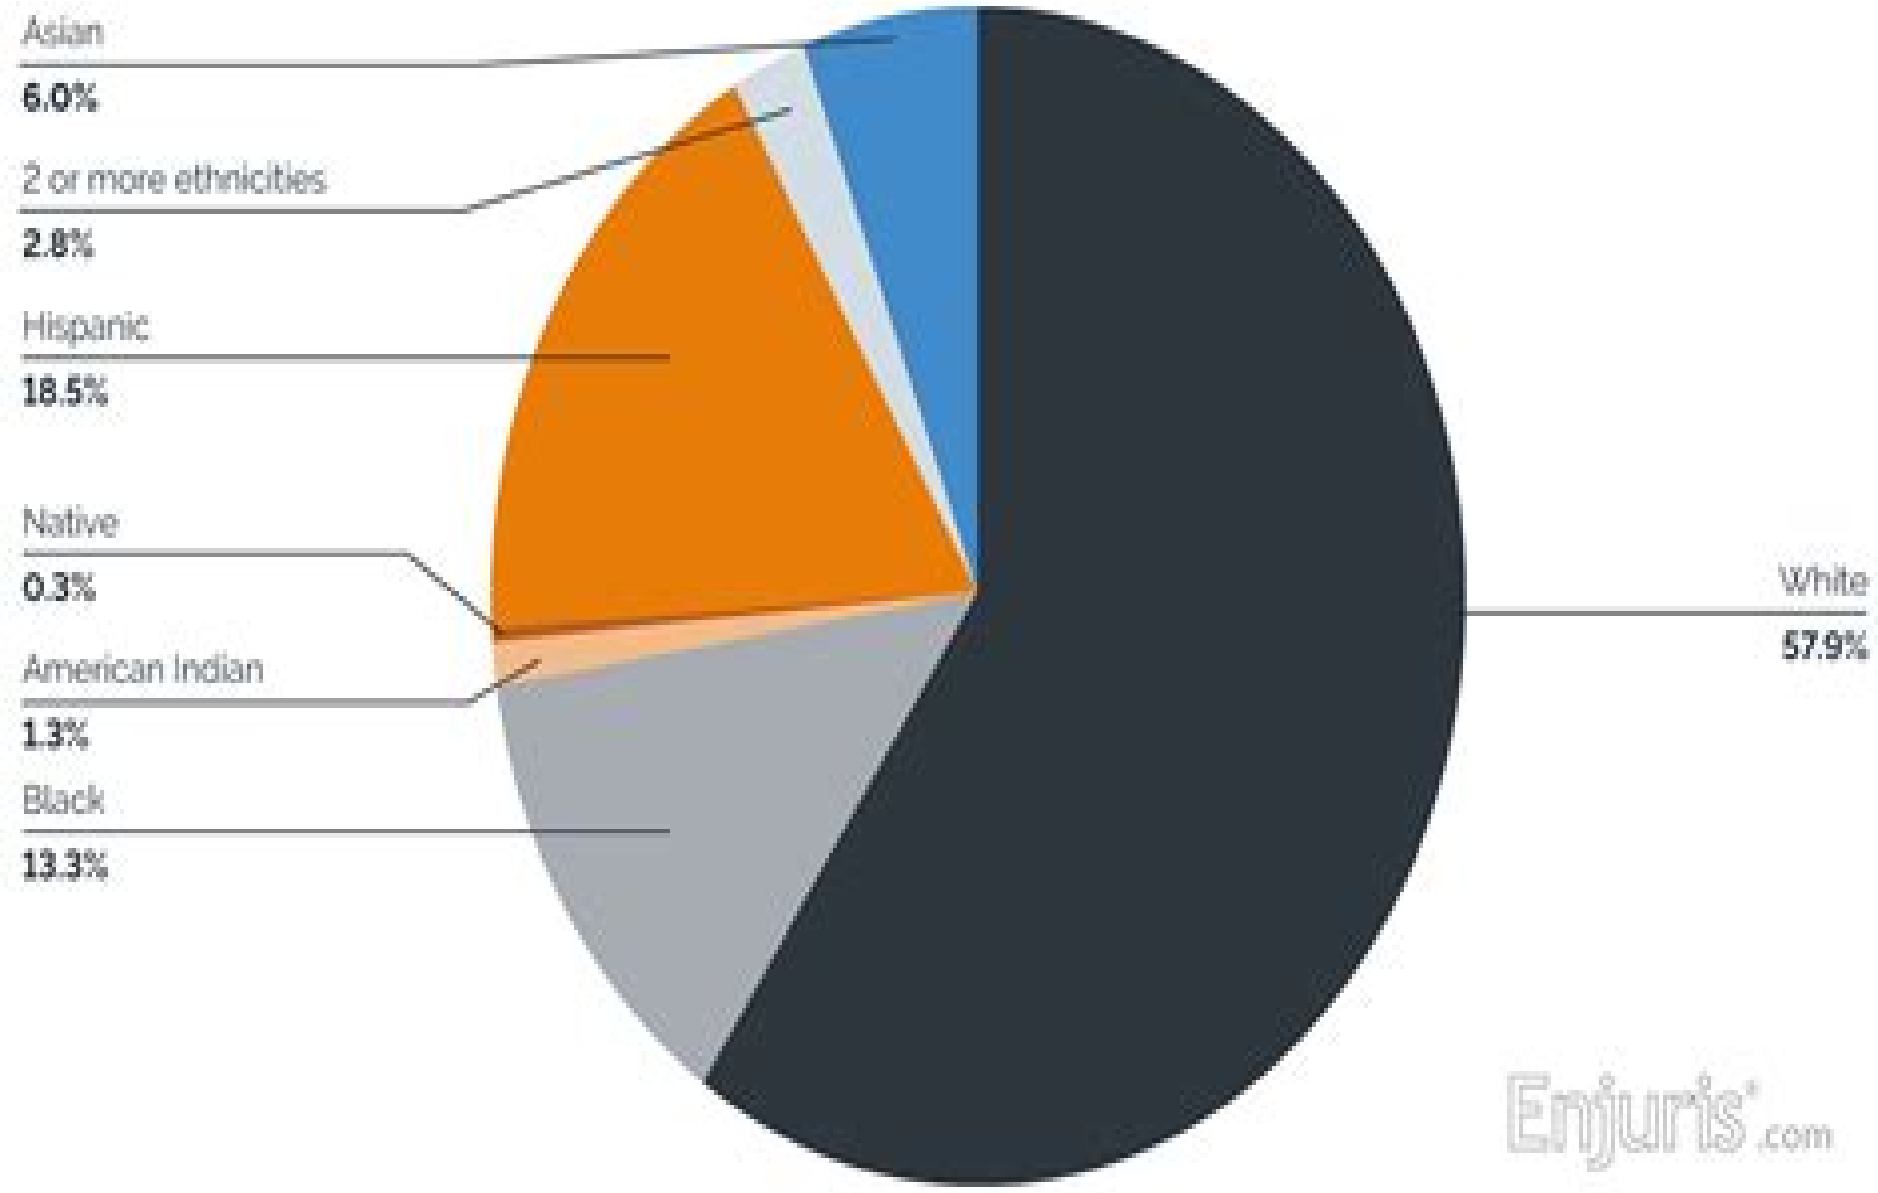
Race/ethnicity in the United States



Race And Ethnicity In Modern America

Susan J. Ferguson

Race And Ethnicity In Modern America:

Race and Ethnicity in Modern America Richard J. Meister,1974 Race and Ethnicity in Modern America Richard J. Meister,1974 The authors go on to show that these changing employment patterns are closely related to the decline of unions and growing income inequality Drawing on plant level evidence of emerging employment practices they provide a comprehensive analysis of changes in employment systems and labor management relations Jacket **Constructing Race and Ethnicity in America** Dvora Yanow,2015-02-18 What do we mean in the U S today when we use the terms race and ethnicity What do we mean and what do we understand when we use the five standard race ethnic categories White Black Asian Native American and Hispanic Most federal and state data collection agencies use these terms without explicit attention and thereby create categories of American ethnicity for political purposes Davora Yanow argues that race and ethnicity are socially constructed concepts not objective scientifically grounded variables and do not accurately represent the real world She joins the growing critique of the unreflective use of race and ethnicity in American policymaking through an exploration of how these terms are used in everyday practices Her book is filled with current examples and analyses from a wealth of social institutions health care education criminal justice and government at all levels The questions she raises for society and public policy are endless Yanow maintains that these issues must be addressed explicitly publicly and nationally if we are to make our policy and administrative institutions operate more effectively *Race and Ethnicity in America* John Iceland,2017-02-14 Race and Ethnicity in America succinctly examines patterns and trends in inequality over the past 60 years for different racial groups focusing on education income poverty wealth residential attainment and health outcomes Do human capital differences explain black white inequality or are other factors more important Are we seeing patterns consistent with assimilation among Hispanics and Asians This book analyzes the causes for disadvantage and how they vary for each group spanning a legacy of racism current discrimination the unfolding process of immigrant incorporation and cultural responses to disadvantage Conversations about race can quickly devolve into aggressive and defensive discussions about culpability But understanding racial concerns is critical to understanding American history and America today

Race, Ethnicity, and Place in a Changing America, Third Edition John W. Frazier,Eugene L. Tettey-Fio,Norah F. Henry,2016-12-29 Uses both historical and contemporary case studies to examine how race and ethnicity affect the places we live work and visit This book examines major Hispanic African and Asian diasporas in the continental United States and Puerto Rico from the nineteenth century to the present with particular attention on the diverse ways in which these immigrant groups have shaped and reshaped American places and landscapes Through both historical and contemporary case studies the contributors examine how race and ethnicity affect the places we live work and visit illustrating along the way the behaviors and concepts that comprise the modern ethnic and racial geography of immigrant and minority groups While primarily addressed to students and scholars in the fields of racial and ethnic geography these case studies will be

accessible to anyone interested in race place connections race ethnicity boundaries the development of racialization and the complexity of human settlement patterns and landscapes that make up the United States and Puerto Rico Taken together they show how individuals and culture groups through their ideologies social organization and social institutions reflect both local and regional processes of place making and place remaking that occur within and beyond the continental United States

Race, Ethnicity, and Place in a Changing America, Third Edition John W. Frazier,Eugene L. Tettey-Fio,Norah F. Henry,2017-01-12 This book examines major Hispanic African and Asian diasporas in the continental United States and Puerto Rico from the nineteenth century to the present with particular attention on the diverse ways in which these immigrant groups have shaped and reshaped American places and landscapes Through both historical and contemporary case studies the contributors examine how race and ethnicity affect the places we live work and visit illustrating along the way the behaviors and concepts that comprise the modern ethnic and racial geography of immigrant and minority groups While primarily addressed to students and scholars in the fields of racial and ethnic geography these case studies will be accessible to anyone interested in race place connections race ethnicity boundaries the development of racialization and the complexity of human settlement patterns and landscapes that make up the United States and Puerto Rico Taken together they show how individuals and culture groups through their ideologies social organization and social institutions reflect both local and regional processes of place making and place remaking that occur within and beyond the continental United States

Modern American Drama: Playwriting in the 1990s Sharon Friedman,Cheryl Black,2019-11-14 The Decades of Modern American Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include Tony Kushner Angels in America A Gay Fantasia on National Themes Part One and Part Two 1991 Slavs Thinking About the Longstanding Problems of Virtue and Happiness 1995 and A Dybbuk or Between Two Worlds 1997 Paula Vogel Baltimore Waltz 1992 The Mineola Twins 1996 and How I Learned to Drive 1997 Suzan Lori Parks The Death of the Last Black Man in the Whole Entire World 1990 The America Play 1994 and Venus 1996 Terrence McNally Lips Together Teeth Apart 1991 Love Valour Compassion 1997 and Corpus Christi 1998 **The Cambridge Companion to the American Modernist**

Novel Joshua L. Miller,2015-11-26 This Companion offers a comprehensive analysis of U S modernism as part of a global literature Recent writing on U S immigration imperialism and territorial expansion has generated fresh reasons to read modernist novelists both prominent and forgotten Written by a host of leading scholars this Companion provides unique approaches to modernist texts Not Just Black and White Nancy Foner,George M. Fredrickson,2004-04-22 Immigration is one of the driving forces behind social change in the United States continually reshaping the way Americans think about race and ethnicity How have various racial and ethnic groups including immigrants from around the globe indigenous racial minorities and African Americans related to each other both historically and today How have these groups been formed and transformed in the context of the continuous influx of new arrivals to this country In Not Just Black and White editors Nancy Foner and George M Fredrickson bring together a distinguished group of social scientists and historians to consider the relationship between immigration and the ways in which concepts of race and ethnicity have evolved in the United States from the end of the nineteenth century to the present Not Just Black and White opens with an examination of historical and theoretical perspectives on race and ethnicity The late John Higham in the last scholarly contribution of his distinguished career defines ethnicity broadly as a sense of community based on shared historical memories using this concept to shed new light on the main contours of American history The volume also considers the shifting role of state policy with regard to the construction of race and ethnicity Former U S census director Kenneth Prewitt provides a definitive account of how racial and ethnic classifications in the census developed over time and how they operate today Other contributors address the concept of panethnicity in relation to whites Latinos and Asian Americans and explore socioeconomic trends that have affected and continue to affect the development of ethno racial identities and relations Joel Perlmann and Mary Waters offer a revealing comparison of patterns of intermarriage among ethnic groups in the early twentieth century and those today The book concludes with a look at the nature of intergroup relations both past and present with special emphasis on how America s principal non immigrant minority African Americans fits into this mosaic With its attention to contemporary and historical scholarship Not Just Black and White provides a wealth of new insights about immigration race and ethnicity that are fundamental to our understanding of how American society has developed thus far and what it may look like in the future

The Americanization Syndrome Robert A. Carlson,2022-11-16 The Americanization Syndrome 1987 examines the historical role of education in the process of Americanization It argues that beginning with seventeenth century puritan leaders such as John Winthrop and Cotton Maher the pattern of American education has been not the promotion of a blend of different cultures but the indoctrination of norms of belief of religion politics and economics and an explicit discouragement of cultural variety It traces the political role of education at key junctures of American history after Independence in the reconstruction of the South after the Civil War in the establishment of settlement houses and the use of scientific management techniques by employers The author focuses on the period 1900 1925 when new waves of immigrants from

southern and eastern Europe led to a new drive for orthodoxy **Multiculturalism in the United States** John D. Buenker,Lormen A. Ratner,2005-03-30 Interest in ethnic studies and multiculturalism has grown considerably in the years since the 1992 publication of the first edition of this work Co editors Ratner and Buenker have revised and updated the first edition of Multiculturalism in the United States to reflect the changes patterns and shifts in immigration showing how American culture affects immigrants and is affected by them Common topics that helped determine the degree and pace of acculturation for each ethnic group are addressed in each of the 17 essays providing the reader with a comparative reference tool Seven new ethnic groups are included Arabs Haitians Vietnamese Koreans Filipinos Asian Indians and Dominicans New essays on the Irish Chinese and Mexicans are provided as are revised and updated essays on the remaining groups from the first edition The contribution to American culture by people of these diverse origins reflects differences in class occupation and religion The authors explain the tensions and conflicts between American culture and the traditions of newly arrived immigrants Changes over time that both of the cultures brought to America and of the culture that received them is also discussed Essays on representative ethnic groups include African Americans American Indians Arabs Asian Indians Chinese Dominicans Filipinos Germans Haitians Irish Italians Jews Koreans Mexicans Poles Scandinavians and the Vietnamese

Black Conservative Intellectuals in Modern America Michael L. Ondaatje,2011-11-29 In the last three decades a brand of black conservatism espoused by a controversial group of African American intellectuals has become a fixture in the nation s political landscape its proponents having shaped policy debates over some of the most pressing matters that confront contemporary American society Their ideas though have been neglected by scholars of the African American experience and much of the responsibility for explaining black conservatism s historical and contemporary significance has fallen to highly partisan journalists Typically those pundits have addressed black conservatives as an undifferentiated mass proclaiming them good or bad right or wrong color blind visionaries or Uncle Toms In Black Conservative Intellectuals in Modern America Michael L Ondaatje delves deeply into the historical archive to chronicle the origins of black conservatism in the United States from the early 1980s to the present Focusing on three significant policy issues affirmative action welfare and education Ondaatje critically engages with the ideas of nine of the most influential black conservatives He further documents how their ideas were received both by white conservatives eager to capitalize on black support for their ideas and by activists on the left who too often sought to impugn the motives of black conservatives instead of challenging the merits of their claims While Ondaatje s investigation uncovers the themes and issues that link these voices together he debunks the myth of a monolithic black conservatism Figures such as Supreme Court Justice Clarence Thomas the Hoover Institution s Thomas Sowell and Shelby Steele and cultural theorist John McWhorter emerge as individuals with their own distinct understandings of and relationships to the conservative political tradition America Becoming National Research Council,Commission on Behavioral and Social Sciences and Education,2001-02-23 The 20th Century has been marked by enormous change in terms

of how we define race In large part we have thrown out the antiquated notions of the 1800s giving way to a more realistic sociocultural view of the world The United States is perhaps more than any other industrialized country distinguished by the size and diversity of its racial and ethnic minority populations Current trends promise that these features will endure Fifty years from now there will most likely be no single majority group in the United States How will we fare as a nation when race based issues such as immigration job opportunities and affirmative action are already so contentious today In America Becoming leading scholars and commentators explore past and current trends among African Americans Hispanics Asian Americans and Native Americans in the context of a white majority This volume presents the most up to date findings and analysis on racial and social dynamics with recommendations for ongoing research It examines compelling issues in the field of race relations including Race and ethnicity in criminal justice Demographic and social trends for Hispanics Asian Americans and Native Americans Trends in minority owned businesses Wealth welfare and racial stratification Residential segregation and the meaning of neighborhood Disparities in educational test scores among races and ethnicities Health and development for minority children adolescents and adults Race and ethnicity in the labor market including the role of minorities in America s military Immigration and the dynamics of race and ethnicity The changing meaning of race Changing racial attitudes This collection of papers compiled and edited by distinguished leaders in the behavioral and social sciences represents the most current literature in the field Volume 1 covers demographic trends immigration racial attitudes and the geography of opportunity Volume 2 deals with the criminal justice system the labor market welfare and health trends Both books will be of great interest to educators scholars researchers students social scientists and policymakers *Modern American Culture* Mick Gidley,1993 Modern American Culture is a multi contributor collection of essays which provides a clear lively and concise introduction to the richness and diversity of American culture especially but not exclusively during the twentieth century Culture is here conceived in broad terms to include ideas social institutions environmental features behavioural patterns and forms of expression Organized thematically the book can be divided into two parts The initial chapters largely present historical economic political and geographical aspects of American culture from a variety of different perspectives and include treatment of such central themes as race religion immigration and region The second half of the book is mainly concerned with generic issues such as the media popular music performance arts painting and poetry and poetics Each chapter introduces the reader to the appropriate cultural critics and leads towards the fuller scale treatment of American cultural criticism itself which concludes the book The increasing popularity of American Studies both as a degree area in its own right and as a major component of such other degrees as English and History means that this book will be warmly welcomed by undergraduate and postgraduate students It will prove essential to students following American Studies courses and provides useful contextualization for those taking Cultural and Media Studies It will also appeal to the general reader with an interest in American culture *Arkansas in Modern America since 1930* Ben F.

Johnson III,2019-08-30 This second edition of Arkansas in Modern America since 1930 represents a significant rewriting of and elaboration on the first edition published in 2000 Historian Ben F Johnson fills in gaps reconsiders his original conclusions and reflects on new developments in historical scholarship extending the book s analysis of the political economic social and cultural positions into 2018 Particularly impressive for the breadth of its scope Arkansas in Modern America since 1930 offers an overview of the factors that moved Arkansas from a primarily rural society to one more in step with the modern economy and perspectives of the nation as a whole The narrative covers the roles of Daisy Bates Sam Walton Don Tyson Bill Clinton and other influential figures in the state s history to reveal a state shaped by global as much as by local forces The second edition of this important book will continue to set the standard for analysis and interpretation of Arkansas s place in the contemporary world The Changing Terrain of Race and Ethnicity Maria Krysan,Amanda E. Lewis,2004-11-11 The legal institutions of overt racism in the United States have been eliminated but social surveys and investigations of social institutions confirm the continuing significance of race and the enduring presence of negative racial attitudes This shift from codified and explicit racism to more subtle forms comes at a time when the very boundaries of race and ethnicity are being reshaped by immigration and a rising recognition that old systems of racial classification inadequately capture a diverse America In The Changing Terrain of Race and Ethnicity editors Maria Krysan and Amanda Lewis bring together leading scholars of racial dynamics to study the evolution of America s racial problem and its consequences for race relations in the future The Changing Terrain of Race and Ethnicity opens by attempting to answer a puzzling question how is it that so many whites think racism is no longer a problem but so many nonwhites disagree Sociologist Lawrence Bobo contends that whites exhibit what he calls laissez faire racism which ignores historical and structural contributions to racial inequality and does nothing to remedy the injustices of the status quo Tyrone Forman makes a similar case in his chapter contending that an emphasis on color blindness allows whites to be comforted by the idea that all races are on a level playing field while not recognizing the advantages they themselves have reaped from years of inequality The book then moves to a discussion of the new ways that Americans view race Eduardo Bonilla Silva and Karen Glover argue that the United States is moving from a black white divide to a tripartite system where certain light skinned non threatening minority groups are considered honorary whites The book s final section reexamines the theoretical underpinnings of scholarship on race and ethnicity Joe Feagin argues that research on racism focuses too heavily on how racial boundaries are formed and needs to concentrate more on how those boundaries are used to maintain privileges for certain groups at the expense of others Manning Marable contends that racism should be addressed at an institutional level to see the prevalence of structural racism deeply entrenched patterns of inequality that are coded by race and justified by stereotypes The Changing Terrain of Race and Ethnicity provides an in depth view of racism in modern America which may be less conspicuous but not necessarily less destructive than its predecessor Jim Crow The book s rich analysis and

theoretical insight shed light on how despite many efforts to end America s historic racial problem it has evolved and persisted into the 21st century **The Cambridge Companion to Modern American Culture** Christopher Bigsby,2006-10-12 The Cambridge Companion to Modern American Culture offers a comprehensive authoritative and accessible overview of the cultural themes and intellectual issues that drive the dominant culture of the twentieth century This companion explores the social political and economic forces that have made America what it is today It shows how these contexts impact upon twentieth century American literature cinema and art An international team of contributors examines the special contribution of African Americans and of immigrant communities to the variety and vibrancy of modern America The essays range from art to politics popular culture to sport immigration and race to religion and war Varied extensive and challenging this Companion is essential reading for students and teachers of American studies around the world It is the most accessible and useful introduction available to an exciting range of topics in modern American culture *The History Of U.S. Ethnic Policy And Its Impact On European Ethnics* John Lescott-Leszczynski,2019-09-06 Ethnic considerations have often played a part in the development of U S public policy even for policies not directly targeting ethnic groups This book surveys the impact of specific legislation on ethnics particularly European ethnics from a historical perspective Its primary focus however is the contemporary body of legislation and regulation based on the 1964 Civil Rights Act which laid the foundation for a conscious and comprehensive racial and ethnic policy intended to aid disadvantaged minorities One of the major outcomes of the 1964 act was the implementation of affirmative action programs mandated by the federal government for its own agencies for federally funded institutions and for private enterprise Implementation depended on data collection based on federally developed racial and ethnic categories Because European ethnics were not included as an identifiable category many discovered Dr Lescott Leszczynski felt that preferential treatment for certain other ethnic groups operated to their disadvantage ethnic tension inevitably resulted Through a systematic review of laws executive orders federal agency directives and related jurisprudence Dr Lescott Leszczynski conveys the extent to which social change has been effected by ethnic policies and explores the ways in which ethnic policy develops how it is expressed how it is implemented and how it is challenged *Race, Gender, Sexuality, and Social Class* Susan J. Ferguson,2023-06-08 Race Gender Sexuality and Social Class Fourth Edition is an anthology of readings that explores the ways these social statuses shape our experiences and impact our life chances in society today Organized around broad topics identity power and privilege social institutions etc rather than categories of difference race gender class sexuality to underscore the idea that social statuses often intersect with one another to produce inequalities and form the bases of our identities in society The text features readings by leading experts in the field and reflects the many approaches scholars and researchers use to understand issues of diversity power and privilege Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title

via the password protected Instructor Resource Site Keywords for American Cultural Studies, Third Edition Bruce Burgett,Glenn Hendler,2020-11-24 Introduces key terms research traditions debates and histories for American Studies and Cultural Studies in an updated edition Since its initial publication scholars and students alike have turned to Keywords for American Cultural Studies as an invaluable resource for understanding key terms and debates in the fields of American studies and cultural studies As scholarship has continued to evolve this revised and expanded third edition offers indispensable meditations on new and developing concepts used in American studies cultural studies and beyond Designed as a uniquely print digital hybrid publication this Keywords volume collects 114 essays each focused on a single term such as America culture diversity or religion More than forty of the essays have been significantly revised for this new edition and there are nineteen completely new keywords including crucial additions such as biopolitics data debt and intersectionality Throughout the volume interdisciplinary scholars explore these terms and others as nodal points in many of today s most dynamic and vexed discussions of political and social life both inside and outside of the academy The Keywords website features forty eight essays not in the print volume it also provides pedagogical tools for instructors using print and online keywords in their courses The publication brings together essays by interdisciplinary scholars working in literary studies and political economy cultural anthropology and ethnic studies African American history and performance studies gender studies and political theory Some entries are explicitly argumentative others are more descriptive All are clear challenging and critically engaged As a whole Keywords for American Cultural Studies provides an accessible A to Z survey of prevailing academic buzzwords and a flexible tool for carving out new areas of inquiry

Race And Ethnicity In Modern America Introduction

In todays digital age, the availability of Race And Ethnicity In Modern America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Race And Ethnicity In Modern America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Race And Ethnicity In Modern America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Race And Ethnicity In Modern America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Race And Ethnicity In Modern America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Race And Ethnicity In Modern America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Race And Ethnicity In Modern America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Race And Ethnicity In Modern America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Race And Ethnicity In Modern America books and manuals for download and embark on your journey of knowledge?

FAQs About Race And Ethnicity In Modern America Books

What is a Race And Ethnicity In Modern America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Race And Ethnicity In Modern America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Race And Ethnicity In Modern America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Race And Ethnicity In Modern America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Race And Ethnicity In Modern America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
