Race, Media, and the Crisis of Civil Society Ronald N. Jacobs,2000 **Civil Society, Discourse, and Crisis** Ronald Neil Jacobs,1996 **Civil Society Narratives of Violence and Shaping the Transitional Justice Agenda in Zimbabwe**

Chenai G. Matshaka,2022-08-01 In *Civil Society Narratives of Violence and Shaping the Transitional Justice Agenda in Zimbabwe* Chenai G Matshaka shows the shaping of the transitional justice agenda in Zimbabwe from a civil society perspective Based on the understanding that transitional justice approaches are seen through the lenses by which the violence and conflict is understood Matshaka explores the complexities that arise when particular narratives of violence dominate the agenda This book contributes to a discussion on how narratives intervene in the trajectory of a transitional justice process of a society in ways that may be beneficial or detrimental to breaking cycles of injustice and domination

The Blackwell Companion to the Sociology of Culture Mark D. Jacobs,Nancy Weiss Hanrahan,2016-09-26 This collection of original state of the art essays by prominent international scholars covers the most important issues comprising the sociology of culture Provides an invaluable reference resource to all interested in the cultural structures and processes that animate contemporary life Contains 27 essays on the most important issues comprising the sociology of culture including art science religions race class gender collective memory institutions and citizenship Reflects and analyzes the cultural turn that has transformed scholarship in the social sciences and humanities *Black Celebrity, Racial Politics, and the Press* Sarah J. Jackson,2014-05-23 Shifting understandings and ongoing conversations about race celebrity and protest in the twenty first century call for a closer examination of the evolution of dissent by black celebrities and their reception in the public sphere This book focuses on the way the mainstream and black press have covered cases of controversial political dissent by African American celebrities from Paul Robeson to Kanye West Jackson considers the following questions 1 What unique agency is available to celebrities with racialized identities to present critiques of American culture 2 How have journalists in both the mainstream and black press limited or facilitated this agency through framing What does this say about the varying role of journalism in American racial politics 3 How have framing trends regarding these figures shifted from the mid twentieth century to the twenty first century Through a series of case studies that also includes Eartha Kitt Sister Souljah and Mahmoud Abdul Rauf Jackson illustrates the shifting public narratives and historical moments that both limit and enable African American celebrities in the wake of making public politicized statements that critique the accepted racial economic and military systems in the United States **Rosa Parks** Darryl Mace,2021-01-13 Those interested in learning more about Parks and the civil rights movement will find inspiration in this enlightening work Library Journal This book explores the life of this important civil rights activist in the context of the cultural and social history of her time The book focuses heavily on the influence of her mother and grandparents in her civil rights activism and emphasizes the fact that Rosa Parks was always active and engaged in the struggle for civil rights Analyses of speeches she delivered provide a picture that broadens her

influence and importance far beyond the Montgomery Bus Boycott Chapters are organized chronologically beginning with Rosa Parks's family history and ending with her death and legacy and a culminating chapter explores her extensive impact on American history The work also includes a timeline of key events in her life and a bibliography to aid additional research Readers will benefit from a holistic approach that explores Parks's life well beyond her refusal to give up her seat on the Montgomery bus line Of note this book connects Parks's lifelong activism to the spirit of justice and resistance she learned at a young age

Imagining the African American West Blake Allmendinger, 2005-01-01 The literature of the African American West is the last racial discourse of the region that remains unexplored Blake Allmendinger addresses this void in literary and cultural studies with *Imagining the African American West* the first comprehensive study of African American literature on the early frontier and in the modern urban American West Allmendinger charts the terrain of African American literature in the West through his exploration of novels histories autobiographies science fiction mysteries formula westerns melodramas experimental theater and political essays as well as rap music and film He examines the histories of James P Beckwourth and Oscar Micheaux slavery the Civil War and the significance of the American frontier to blacks and the Harlem Renaissance the literature of urban unrest rap music black noir and African American writers including Toni Morrison and Walter Mosley His study utilizes not only the works of well known African American writers but also some obscure and neglected works out of print books and unpublished manuscripts in library archives Much of the scholarly neglect of the Black West can be blamed on how the American West has been imagined constructed and framed in scholarship to date In his study Allmendinger provides the appropriate theoretical cultural and historical contexts for understanding the literature and suggests new directions for the future of black western literature

Media Bias Wm. David Sloan, Jenn Burleson Mackay, 2016-03-24 In this book scholars examine the many prevailing arguments about media bias from a non polemical perspective Essays cover individual forms of bias including ideology politics television photography religion abortion homosexuality gender race crime environment region military corporate ownership labor and health Each essay introduces the topic presents arguments for and against the specific bias assesses the evidence for all arguments and includes a list of suggested readings Two additional essays discuss the broader aspects of the bias debate and give a personal perspective on reporting the controversial Israeli Palestinian conflict Instructors considering this book for use in a course may request an examination copy here

The ^AOxford Handbook of Cultural Sociology Jeffrey C. Alexander, Ronald Jacobs, Philip Smith, 2012-01-26 A collection of essays on various topics from the perspective of cultural sociology based on the premise that ideas and beliefs retain autonomy from the social structures to which they refer and illuminate

[Black Citizenship and Authenticity in the Civil Rights Movement](#) Randolph Hohle, 2013-01-04 This book explains the emergence of two competing forms of black political representation that transformed the objectives and meanings of local action created boundaries between national and local struggles for racial equality and prompted a white response to the civil rights movement that set

the stage for the neoliberal turn in US policy Randolph Hohle questions some of the most basic assumptions about the civil rights movement including the importance of non violence and the movement s legacy on contemporary black politics Non violence was the effect of the movement s emphasis on racially non threatening good black citizens that when contrasted to bad white responses of southern whites severed the relationship between whiteness and good citizenship Although the civil rights movement secured new legislative gains and influenced all subsequent social movements pressure to be good black citizens and the subsequent marginalization of black authenticity have internally polarized and paralyzed contemporary black struggles This book is the first systematic analysis of the civil rights movement that considers the importance of authenticity the body and ethics in political struggles It bridges the gap between the study of race politics and social movement studies

After Parsons Renee C. Fox,Victor M. Lidz,Harold J. Bershady,2005-08-25 Esteemed twentieth century sociologist Talcott Parsons sought to develop a comprehensive and coherent scheme for sociology that could be applied to every society and historical epoch and address every aspect of human social organization and culture His theory of social action has exerted enormous influence across a wide range of social science disciplines After Parsons edited by Ren e Fox Victor Lidz and Harold Bershady provides a critical reexamination of Parsons theory in light of historical changes in the world and advances in sociological thought since his death After Parsons is a fresh examination of Parsons theoretical undertaking its significance for social scientific thought and its implications for present day empirical research The book is divided into four parts Social Institutions and Social Processes Societal Community and Modernization Sociology and Culture and the Human Condition The chapters deal with Parsons notions of societal community societal evolution and modernization and modernity After Parsons addresses major themes of enduring relevance including social differentiation and cultural diversity social solidarity universalism and particularism and trust and affect in social life The contributors explore these topics in a wide range of social institutions family and kinship economy polity the law medicine art and religion and within the context of contemporary developments such as globalization the power of the United States as an empireless empire the emergence of forms of fundamentalism the upsurge of racial tribal and ethnic conflicts and the increasing occurrence of deterministic and positivistic thought Rather than simply celebrating Parsons and his accomplishments the contributors to After Parsons rethink and reformulate his ideas to place them on more solid foundations extend their scope and strengthen their empirical insights After Parsons constitutes the work of a distinguished roster of American and European sociologists who find Parsons theory of action a valuable resource for addressing contemporary issues in sociological theory All of the essays in this volume take elements of Parsons theory and critique adapt refine or extend them to gain fresh purchase on problems that confront sociologists today *Racism, Sexism, and the Media* Clint C. Wilson,Felix Gutierrez,Lena Chao,2013 This fourth edition presents current information in the rapidly evolving field of minorities interaction with mass communications including the portrayals of minorities in the media advertising and public relations Soundbitten Sarah Sobieraj,2011 There is an

elaborate and often invisible carnival that emerges alongside presidential campaigns as innumerable activist groups attempt to press their issues into mainstream political discourse Sarah Sobieraj's fascinating ethnographic portrait of fifty diverse organizations over the course of two campaign cycles reveals that while most activist groups equate political success with media success and channel their energies accordingly their efforts fail to generate news coverage and come with deleterious consequences Sobieraj shows that activists' impact on public political debates is minimal and carefully unravels the ways in which their all-consuming media work and unrelenting public relations approach undermine their ability to communicate with pedestrians comes at the expense of other political activities and perhaps most perniciously damages the groups themselves Weaving together fieldwork, news analysis and in-depth interviews with activists and journalists *Soundbitten* illuminates the relationship between news and activist organizations This captivating portrait of activism in the United States lays bare the challenges faced by outsiders struggling to be heard in a mass media dominated public sphere that proves exclusionary and shows that media centrism is not only ineffective but also damaging to group life *Soundbitten* reveals why media-centered activism so often fails what activist groups lose in the process and why we should all be concerned

African Americans and the Media Catherine Squires, 2009-10-12 This work provides a textbook overview of the past, present and future of African Americans in US media It brings together work from a variety of disciplines to provide the fullest understanding of this complex relationship to date *Seeing Red* Mark Cronlund Anderson, Carmen L. Robertson, 2011-09-02 The first book to examine the role of Canada's newspapers in perpetuating the myth of Native inferiority *Seeing Red* is a groundbreaking study of how Canadian English language newspapers have portrayed Aboriginal peoples from 1869 to the present day It assesses a wide range of publications on topics that include the sale of Rupert's Land, the signing of Treaty 3, the North West Rebellion and Louis Riel, the death of Pauline Johnson, the outing of Grey Owl, the discussions surrounding Bill C-31, the Banded Elbow standoff at Kenora, Ontario and the Oka Crisis The authors uncover overwhelming evidence that the colonial imaginary not only thrives but dominates depictions of Aboriginal peoples in mainstream newspapers The colonial constructs ingrained in the news media perpetuate an imagined Native inferiority that contributes significantly to the marginalization of Indigenous people in Canada That such imagery persists to this day suggests strongly that our country lives in denial, failing to live up to its cultural mosaic boosterism **Social Inequality and Social Stratification in U.S. Society** Christopher B. Doob, 2015-08-27 *Social Inequality* examining our present while understanding our past *Social Inequality and Social Stratification in US Society* 1st edition uses a historical and conceptual framework to explain social stratification and social inequality The historical scope gives context to each issue discussed and allows the reader to understand how each topic has evolved over the course of American history The authors use qualitative data to help explain socioeconomic issues and connect related topics Each chapter examines major concepts so readers can see how an individual's success in stratified settings often relies heavily on their access to valued resources, types of capital

which involve finances schooling social networking and cultural competence Analyzing the impact of capital types throughout the text helps map out the prospects for individuals families and also classes to maintain or alter their position in social stratification systems Learning Goals Upon completing this book readers will be able to Analyze the four major American classes as well as how race and gender are linked to inequalities in the United States Understand attempts to reduce social inequality Identify major historical events that have influenced current trends Understand how qualitative sources help reveal the inner workings that accompany people s struggles with the socioeconomic order Recognize the impact of social stratification systems on individuals and families

News Culture Stuart Allan,2010-03-16 News Culture offers a timely examination of the forms practices institutions and audiences of journalism Having highlighted a range of pressing issues confronting the global news industry today it proceeds to provide a historical consideration of the rise of objective reporting in newspaper radio and television news It explores the way news is produced its textual conventions and its negotiation by the reader listener or viewer as part of everyday life Stuart Allan also explores topics such as the cultural dynamics of sexism and racism as they shape news coverage as well as the rise of online news citizen journalism war reporting and celebrity driven infotainment Building on the success of the bestselling previous editions this new edition addresses the concerns of the news media age featuring An expanded chapter on news power and the public sphere A chapter length discussion of war journalism tracing key factors shaping reportage from the battlefields of Vietnam to the current war in Iraq A chapter on citizen journalism in times of crisis including a number of examples where ordinary individuals have performed the role of a journalist to bear witness to tragic events This book is essential reading for students of journalism cultural and media studies sociology and politics

Civic Imagination Gianpaolo Baiocchi,Elizabeth A Bennett,Alissa Cordner,Peter Klein,Stephanie Savell,2015-11-17 The Civic Imagination provides a rich empirical description of civic life and a broader discussion of the future of democracy in contemporary America Over the course of a year five researchers observed and participated in 7 civic organisations in a mid sized US city They draw on this ethnographic evidence to map the civic imaginations that motivate citizenship engagement in America today The book unpacks how contemporary Americans think about and act toward positive social and political change while the authors findings challenge contemporary assertions of American apathy This will be an important book for students and academics interested in political science and sociology

The Uses of Narrative Molly Andrews,2004 Social scientists increasingly invoke narrative in their theory and research This book explores the wide range of work in sociology psychology and cultural studies in which narrative approaches have been used to study meaning subjectivity politics and power in concrete contexts The Uses of Narrative presents a range of case studies including Princess Diana s Panorama interview media coverage of the 1992 Los Angeles riots memoirs of the wives of scientists who made the first atomic bomb popular images of gay marriage and the effect of the Velvet Revolution on writing autobiography The book brings together contributions from European Australian and North American researchers indicating the diversity and

potential of narrative approaches The editors adopt a distinctive and unique psychosocial approach to narrative and set the individual chapters in the context of three broad themes culture life histories and discourse The Uses of Narrative complicates challenges and stimulates it will be of vital interest to sociologists psychologists social theorists students of cultural studies and others who are interested in the relationships between meaning self and society Molly Andrews Shelley Day Sclater and Corinne Squire are co directors of the Centre for Narrative Research in the Social Sciences University of East London Amal Treacher is co director of the Centre for Adoption and Identity Studies University of East London For us the main attractions were the range of topics covered and the inclusive approach to theorizing Albeit this is not a book for the faint hearted if the reader is willing to engage on a variety of levels then it has a great deal to offer in terms of illuminating and opening up an expansive appreciation of the narrative turn Christine Horrocks and Nancy Kelly Feminism and Psychology *Governing With the News, Second Edition* Timothy E. Cook, 2012-08-06 The ideal of a neutral objective press has proven in recent years to be just that an ideal In *Governing with the News* Timothy E Cook goes far beyond the single claim that the press is not impartial to argue that the news media are in fact a political institution integral to the day to day operations of our government This updated edition includes a new afterword by the author which pays close attention to two key developments in the twenty first century the accelerating fragmentation of the mass media and the continuing decline of Americans confidence in the press Provocative and often wise Cook who has a complex understanding of the relationship between governing and the news provides a fascinating account of the origins of this complicity James Bennet Washington Monthly *Governing with the News* addresses central issues of media impact and power in fresh illuminating ways Cook mines a wealth of historical and organizational literature to assert that the news media are a distinct political institution in our democratic system Robert Schmuhl Commonweal
