Race Racism And The Biblical Narratives:

Race, Racism, and the Biblical Narratives Cain Hope Felder, 2023-05-23 *Race Racism and the Biblical Narratives* is a critical essay from *Stony the Road We Trod* African American Biblical Interpretation written by the project's editor Cain Hope Felder now in a concise stand alone book In this important work Felder clarifies the profound differences in racial attitudes in the biblical world and now The book reveals the processes at work in both the New and Old Testaments that reflect ancient ambiguity about what we call race Felder uncovers misuses of the biblical text such as the so called curse of Ham in subsequent interpretation and shows how the Bible has been used to trivialize African contributions and demean and enslave Black people *Race Racism and the Biblical Narratives* challenges scholars and church people alike to a deeper and more honest engagement with the biblical text

A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within Vanessa Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views *A Womanist Reading*

Gendered Violence in Biblical Narrative Esther Brownsmith, 2024-04-15 This book uses three examples of violent biblical stories about women explored through the lens of conceptual metaphor theory in relation to culinary language used within these texts to examine wider issues of gender and sexual violence in the Hebrew Bible Utilising the tools of conceptual metaphor theory feminist criticism and classic textual analysis Brownsmith interrogates some of the most troubling biblical passages for women neither by redeeming them nor by condemning them but by showing how they are intrinsically shaped by the enduring metaphor of woman as food in the

Marking Time Rev. Barbara K. Lundblad, 2010-09-01 The preacher is too often caught between biblical and contemporary time Residing first in one then in the other the preacher must somehow find a way to bring the two times separate as they might seem together The temptation of course is to capitulate to one side or the other of this tension The

preacher can reside solely in the biblical time offering the congregation what amounts to weekly lectures on history and archeology spiced up with the occasional moralistic conclusion Or setting up shop permanently in contemporary time she or he can offer commentaries on society and culture that occasionally tip their hats in the direction of Scripture A third way contends Barbara Lundblad lies in marking time a way of allowing biblical time to speak to the contemporary world and vice versa When the preacher marks time he or she admits that there can be no one to one correspondence between the world of the text and the world of the congregation Nevertheless the preacher demonstrates that when the biblical text is let loose upon our day to day existence it challenges and judges redeems and sanctifies it infusing it with new meaning Likewise contemporary situations needs and experiences open up new possibilities within Scripture allowing the congregation to see truth in the text they had never before discovered there allowing them to discern the leading of the Spirit through the text and into the present moment In this volume which grows out of Lundblad s 2000 Beecher Lectures delivered at Yale Divinity School the author presents both an argument for the ongoing intersection of the biblical and contemporary worlds and examples of how that intersection might take place

Queering the Ethiopian Eunuch Sean D. Burke,2013-08-01 Were eunuchs more usually castrated guardians of the harem as florid Orientalist portraits imagine them or were they trusted court officials who may never have been castrated Was the Ethiopian eunuch a Jew or a Gentile a slave or a free man Why does Luke call him a man while contemporaries referred to eunuchs as unmanned beings As Sean D Burke treats questions that have received dramatically different answers over the centuries of Christian interpretation he shows that eunuchs bore particular stereotyped associations regarding gender and sexual status as well as of race ethnicity and class Not only has Luke failed to resolve these ambiguities he has positioned this destabilized figure at a key place in the narrative as the gospel has expanded beyond Judea but before Gentiles are explicitly named in such a way as to blur a number of social role boundaries In this sense Burke argues Luke intended to queer his reader s expectations and so to present the boundary transgressing potentiality of a new community
