Racial Sobriety A Journey From Hurts T:

Racial Sobriety Clarence Earl Williams,2002 **Recovering Racists** Idelette McVicker,2022-04-12 It is a rare thing for me to stand with a book explicitly about race and equity that is written by a white person Why Because it is a rare thing to encounter a white person who has followed the lead of people of color into their own transformation so deeply that I trust the message coming from their white body Idelette McVicker has done the work Lisa Sharon Harper from the foreword As a white Afrikaner woman growing up in South Africa during apartheid Idelette McVicker was steeped in a community and a church that reinforced racism and shielded her from seeing her neighbors oppression But a series of circumstances led her to begin questioning everything she thought was true about her identity her country and her faith Recovering Racists shares McVicker s journey over thirty years and across three continents to shatter the lies of white supremacy embedded deep within her soul She helps us realize that grappling with the legacy of white supremacy and recovering from racism is lifelong work that requires both inner transformation and societal change It is for those of us who have hit rock bottom in the human story of race says McVicker We must acknowledge our internalized racism repent of our complicity and learn new ways of being human This book invites us on the long slow journey of healing the past making things right changing old stories and becoming human together As we work for the liberation of everyone we also find liberation for ourselves Each chapter ends with discussion questions *The Pain of Unbelonging* Sheila Collingwood-Whittick,2007 Beyond the obvious and enduring socio economic ravages it unleashed on indigenous cultures white settler colonization in Australasia also inflicted profound damage on the collective psyche of both of the communities that inhabited the contested space of the colonial world The acute sense of alienation that colonization initially provoked in the colonized and colonizing populations of Australia and New Zealand has recent studies indicate developed into an endemic existential pathology Evidence of the psychological fallout from the trauma of geographical deracination cultural disorientation and ontological destabilization can be found not only in the state of anomie and self destructive patterns of behaviour that now characterize the lives of indigenous Australian and Maori peoples but also in the perpetually faltering identity discourse and cultural rootlessness of the present descendants of the countries Anglo Celtic settlers It is with the literary expression of this persistent condition of alienation that the essays gathered in the present volume are concerned Covering a heterogeneous selection of contemporary Australasian literature what these critical studies convincingly demonstrate is that more than two hundred years after the process of colonisation was set in motion the experience that Germaine Greer has dubbed the pain of unbelonging continues unabated constituting a dominant thematic concern in the writing produced today by Australian and New Zealand authors The Gift of Pain Barbara Altemus,2003-09-02 Pain is the touchstone of all spiritual growth Physical Emotional Mental Spiritual Pain comes in many forms diligently avoided by most of us even at the risk of sacrificing the quality of our lives But pain can and should be a catalyst for change a doorway through which we travel on our journey from suffering to joy In The Gift of Pain author

Barbara Altemus links her personal journey of discovery with parallel experiences of world renowned visionaries artists healers and peacemakers to explore and understand the nature of pain By drawing on themes of pain failure loss addiction lack of community and loss of homeland among others these contributors share their intensely personal times of darkness and how these experiences ultimately lead to spiritual awakening and even joy Includes stories of transformation from Isabel Allende Butch Artichoker Chief Arvol Looking Horse Margaret Ayers Rev Michael Beckwith Blaze Bonpane Joan Borysenko Barbara Brennan Rickie Byars Jack Canfield Deepak Chopra Larry Dossey John Funmaker Dick Gregory Elaine Haubert Goldie Hawn Dr Gerald Jampolsky Rigoberta Menchu Tum Dr Roy Nakai Kahu O Te Range Rabbi Zalman Schachter Shalomi Martin Sheen Jana Shiloh Steven Simon Frieda Tomosoa Iyanla Vanzant **Snafu Edu** Jessamyn Neuhaus,2025-07-15

Looking beyond classroom management and conflict resolution Snafu Edu carefully and clearly grounds its lessons in the real context of education where institutional structures systemic injustices individual and collective history and the complexity of human interactions mean there will always be snafus Like a preparedness kit for natural disasters the book gives teachers an educational go bag of insights strategies and practices to have at the ready when things go sideways *Theorizing Ethnicity and Nationality in the Chick Lit Genre* Erin Hurt,2018-10-26

Something in the Past Tyeshia Clinton, 2011-08-24 Jackie's life has not been an easy one Growing up in the projects on the west side of Chicago is hard and her life has been harder than most The decisions she made just to survive were brutal but they only made her survival all the more difficult to bear Life turned Jackie into a crack smoking predator who hunted her tricks down for money Her life seemed destined for disaster but she had no way of knowing that being sent to the state penitentiary would actually save her life Once in prison she worked hard to turn her life around so she might have the hope of a better life on the outside Now released she finds everything could come tumbling down around her thanks to a simple mistake Frustrated and afraid she makes another bad decision she might well turn back into the person she was before her arrest After all inside she had a job a bed and three solid meals Outside she has fifty bucks and no hope Now the daughters she abandoned years ago may re-enter her life not something she wants to see realized Can she overcome the mistakes of her past even avoid the mistakes of her present Jackie knows that some of the paths we walk down in life aren't chosen
