Racists Beware George J. Sefa Dei, 2008-01-01 With admirable clarity and directness George Dei exposes the tendency towards the racial re-Feudalization of the contemporary public sphere in Canada and by association other post-industrial societies He points to the enormous opportunity costs imposed on racial minorities in the new millennium as a consequence In **RACISTS BEWARE UNCOVERING RACIAL POLITICS IN THE POSTMODERN SOCIETY** Dei identifies and subjects to close scrutiny the new race-bending logics of what he calls postmodern societies in which the dwellers of the suburbs and members of the itinerant white professional middle class the great beneficiaries of late capitalism and neoliberalization of the economy now have become the new social plaintiff turning the complaint of racial inequality and discrimination on the heads of those most oppressed If Gayatri Spivak asks Can the subaltern speak then Dei brilliantly poses the question When will Anglo-dominant groups even critical ones ever listen This book is likely to provoke and influence discussion on racial antagonism for a long long time to come *Critical Multiculturalism* Stephen May, 2005-08-18 This text aims to bring together two movements of multiculturalism and anti-racism which have previously been distant from each other **Ethnic**

Minorities & The Media Cottle, Simon, 2000-12-01 There are few media issues more pressing or potentially more consequential than the representation of ethnic minorities Presented in an accessible style this authoritative text therefore brings together leading international researchers who have examined some of the latest processes of change and continuity informing the field of ethnic minorities and the media **Protecting Multiculturalism** John S. McCoy, 2018-06-14 In a post 9/11 sea of social and political discord one state stands apart As an increasingly powerful anti-Islamic social movement rises in the West Canada alone remains a viable multicultural state Employing survey and statistical data as well as a series of interviews conducted with religious leaders and policy officials *Protecting Multiculturalism* explores public safety and security concerns while pointing out the successes pitfalls and sometimes countervailing effects of government measures on Muslims in Canada Engaging with debates surrounding the cultural accommodation of diverse communities John McCoy focuses on two inter-related themes at the heart of the crisis of multiculturalism social integration and national security Even in Canada McCoy argues Muslims can face acute xenophobia and racism problematic national security practices inimical politicians and other troubling warning signs Yet despite these challenges these diverse communities continue to display

remarkable resilience An open minded and substantive reflection on the day to day realities for Muslim communities
 Protecting Multiculturalism seeks a way forward for the Canadian multicultural experiment a future that is marked by dignity
 and diversity in an increasingly fraught era The Selected Works of Antonia Darder Kevin D. Lam,Kortney

 education Freirean pedagogy the critical study of race racism political economy Latino studies education and biculturalism
 Her work is informed by a deep personal history of struggle and scholarly rigor and is centred on social justice and economic
 democracy The reader is divided into five sections which group together Darder s work around the following topics

 which the discourses of colorblindness and post raciality are articulated in the age of Obama Pinder debunks the myth that
 race does not matter and reconsiders the presumptive hegemony of whiteness through the dialectics of visibility and
 invisibility of race **New Racial Landscapes** Malcolm James,Helen Kim,Victoria Redclift,2016-03-17 The chapters in this
 volume examine the racial and ethnic landscape of Britain in a contemporary era of neoliberalism and financial crisis A key
 aspect of neoliberal thought is the belief that we live in a post racial in which the problems of racism and xenophobia have
 been overcome However cultural retrenchment and coded xenophobia have been sweeping the political terrain accompanied
 by new racisms and new racial subjects that only close contextual analysis can unpick The scholarship contained in this
 collection challenges those who suggest that we live in a post racial time By focusing on particular locations in Britain at a
 particular moment the volume explores local stories of race and racism across changing sociopolitical ground This book is
 essential reading for scholars and students of race racism diaspora multiculturalism post colonialism transnationalism and
 post race This book was originally published as a special issue of Ethnic and Racial Studies Ethnic Identity and Power

The Racialisation of Disorder in Twentieth Century Britain
Michael Rowe, 2017-07-05 This book develops the concept of racialisation It argues that a full understanding of racialized discourse must pay attention to both the particular local circumstances in which they appear and well established themes which have unfolded over time An important aspect of the study is the examination of other discourses with which racialized ideas have co joined reflecting the way in which notions of race are socially constructed The final part of the thesis returns to debates of the 1980 s and argues that the racialisation of unrest in that decade was closely intertwined with conservative perspectives which sought to deny socio economic causes in favour of explanations based upon the supposed cultural or personal proclivities of those involved
