Delderfield Ronald Frederick Delderfield,1969 Sailors beware, by r.f. delderfield R. F. Delderfield,1950 *Long Summer Day* R. F. Flashpoint, by r.f. delderfield R. F. Delderfield,1958 **Theirs Was the Kingdom** R. Delderfield,2009-09 A stirring saga of England in the late 19th century as the Industrial Revolution takes hold forever changing the landscape of England and her people **Too Few for Drums** R. F. Delderfield,2001-04-01 This tale of the Peninsular Campaigns of the Napoleonic Wars offers unforgettable adventure A group of ten set out to wend their way out from behind French lines in Portugal and back to the British Army In the lead is young ensign Keith Graham trying desperately to elude capture and certain death At his side is Gwyneth beautiful smart experienced a woman of the world **Good Nights Out** Aleks Sierz,2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such

popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s *Worm s Eye View* and Hugh Hastings s *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre

The Avenue Goes to War R. F.
