Romans (Paideia: Commentaries on the New Testament) Frank J. Matera, 2010-11-01 In this fresh and readable addition to the Paideia series well respected New Testament scholar Frank Matera examines cultural context and theological meaning in Romans Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Holman New Testament Commentary - Romans William M. Kruidenier, Kenneth Boa, 2000-08-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike *The Greatest Letter Ever Written* French L. Arrington, From studying Paul's letter to the Romans we can learn the content of the Christian faith like nowhere else in the New Testament Paul's words are loaded with divine truth and require careful study and thought Indeed the letter to the Romans is a theological jewel but Paul's discussions in the letter are sensible and practical As the name of the letter indicates Paul wrote it to a church in a city known as Rome At the same time without knowing it he wrote it to the whole world and for all the ages supporting the efforts of cross cultural ministry and providing a key to understanding the Bible So even though this great letter was addressed to the saints in Rome during the first century its message is eternal and its mandates are universal French L Arrington *Romans* Andrew B. Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is

deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible Romans 1-8 MacArthur New Testament Commentary John MacArthur,1991-04-01 Romans speaks to Christians today just as powerfully as it spoke to believers of the first century It speaks to moral intellectual social and spiritual issues But most important of all it lays the theological foundation for the Christian faith that holy God has made it possible through Christ for sinners to be made right before Him Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical Paul and the Ancient Letter Form Stanley E. Porter,Sean A. Adams,2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs **Complete Jewish Bible-PR-Cjb/NIV** Hendrickson Publishers,2011-08 Introducing an exciting volume featuring the Messianic Complete Jewish Bible and the newly revised New International Version side by side For the first time readers who seek to compare the Evangelical Christian and Messianic Jewish Bibles need not buy them separately The CJB and the 2011 NIV version may both be read in this one of a kind parallel Bible Bible study and small group study participants will enjoy the particular characteristics of both translations Special Features The books of the CJB will appear in the same canonical order as the NIV Features the new NIV 2011 Presentation page CJB Preface NIV Preface
