Powerful Denver Post Officer Ren Hopper is an enforcement ranger with the National Park Service tasked with duties both mundane and thrilling Breaking up fights at campgrounds saving clueless tourists meaningful living When Ren hiking through the backcountry on his day off encounters a tall man with a dog and a gun chasing a small black bear up a hill his hackles are raised But what begins as an investigation into the background of a local poacher soon opens into something far murkier A shattered windshield a series of red ribbons tied to traps the discovery of a frightening conspiracy and a story of heroism gone awry Populated by a cast of extraordinary characters famous scientists tattooed bartenders wildlife guides in slick Airstreams and bursting with unexpected humor and grace Peter Heller masterfully unveils a portrait of the American west where our very human impulses for greed love family and community play out amidst the stunning beauty of the natural world The Guide Peter Heller, 2022-05-10 NATIONAL BESTSELLER The best selling author of The River returns with a heart racing thriller about a young man who is hired by an elite fishing lodge in Colorado where he uncovers and Storey have made an annual pilgrimage to the most remote corners of the country where they camp hunt and hike leaving much from their long friendship unspoken Although the state of Maine has convulsed all summer with secession mania a mania that has simultaneously spread across other states Jess and Storey figure it s a fight reserved for legislators or worst case scenario folks in the capital But after weeks hunting off the grid the men reach a small town and are shocked by what they find a bridge blown apart buildings burned to the ground and bombed out cars abandoned on the road Trying to make sense of the sudden destruction all around them they set their sights on finding their way home dragging a wagon across bumpy dirt roads scavenging from boats left in lakes and dodging armed men secessionists or U S military they cannot tell as they seek a path to safety Then a startling discovery drastically alters their path and the stakes of their escape Drenched in the beauty of the natural world and attuned to the specific cadences of male friendship even here at the edge of doom Burn is both a blistering warning about a divided country's political strife and an ode to the
