

A dramatic night scene of a three-masted sailing ship, possibly a pirate ship, navigating through a narrow strait between dark, craggy cliffs. The ship's lights are on, and its reflection is visible in the calm water. The sky is a deep blue, filled with numerous stars and a faint, glowing nebula or galaxy. The overall mood is mysterious and adventurous.

Set The Stars Alight:

Set the Stars Alight Amanda Dykes, 2020-06-30 Lucy Clairmont's family treasured the magic of the past and her childhood fascination with stories of the high seas led her to become a marine archaeologist. But when tragedy strikes it's Dashel, an American forensic astronomer and his knowledge of the stars that may help her unearth the truth behind the puzzle she's discovered in her family home. Two hundred years earlier the seeds of love are sown between a boy and a girl who spend their days playing in a secret sea cave while the privileged young son of the estate looks on wishing to join. As the children grow and war leads to unthinkable heartbreak a story of love, betrayal, sacrifice and redemption unfolds, held secret by the passage of time. As Lucy and Dash journey to a mysterious old estate on the East Sussex coast their search leads them to a community of souls and a long hidden tale that may hold the answers and the healing they so desperately seek. **Set the Stars Alight** Denise Robins, 1941 [When The Stars Alight](#) Camilla Andrew, 2023-06-16 A maiden of the stars. A monster from the shadows. A collision that rewrites their worlds. Princess Laila Rose is a fallen star in human form. A beloved guardian to humanity. Yet in spite of these fantastical origins she has never much believed in prophecies. That's why when a demon of apocalyptic legend is presented to her in a block of ice she feels fascination rather than fright. Curiosity kindles into mutual desire once he breaks free of his captivity. Far from the rampaging beast of mass destruction everyone expects he is monstrously handsome, deviously articulate and alluringly mysterious, a prince among his kind. Eager to discover his origins Laila travels from her idyllic seaside realm into a land of unspeakable horrors, relying on her wits to survive her journey. She arrives aiming to establish peaceful contact with the aid of the besotted prince. However it becomes clear that the heartless demon king does not desire peace at all, only war and conquest. When diplomacy fails Laila turns to the king's suave and manipulative bastard son in the hopes that she can inspire both him and his trueborn brother to go against their father. But soon it is her heart she must keep from being torn between their centuries-old dangerous rivalry. This gothic fantasy set in a vibrant gaslamp world is a must read for fans of villain and heroine ships. It's written in lush lyrical prose full of intricate worldbuilding, courtly intrigue and magic that seeps through the pages. Beneath its light romantic and whimsical veneer you can expect darkness, brutality and passion. **KEYWORDS** Romantic fantasy series, first book in series, gaslamp fantasy, political fantasy, villain romance, light vs dark gothic romance, doomed love story, magic, fallen stars, court intrigue, forbidden love, villain gets the girl, star crossed lovers. **The Uncertain Heart** Denise Robins, 2014-03-27 A captivating love story from the 100 million copy bestselling Queen of Romance first published in 1949 and available now for the first time in eBook.
