The background image is a composite. On the left, a classical building with columns is visible. In the center, a battle scene unfolds with soldiers in M1 helmets and olive drab uniforms. One soldier in the foreground is shouting, while others are crouching or aiming rifles. A Confederate battle flag flies on the right. In the background, there are explosions, smoke, and aircraft in a cloudy sky.

Settling Accounts:

Return Engagement Harry Turtledove, 2004-08-03 Harry Turtledove handles his huge cast with admirable skill The insights into racial politics elevate this novel to a status above mere entertainment although it provides that aplenty Publishers Weekly It s 1941 and an alliance of peace holds in check the most powerful nations of the world but it is an uneasy peace Japan dominates the Pacific the Russian tsar rules Alaska and England under Winston Churchill chafes for a return to its former glory Behind this facade of world order America is a bomb waiting to explode Jake Featherston the megalomaniacal leader of the Confederate States of America is just the man to light the fuse Opposite him is Al Smith a Socialist U S president in the Philadelphia White House Smith is a living symbol of hope for a nation that has been through the hell of war and depression Featherston and his Freedom Party are determined to conquer their Northern neighbor at any cost After crushing a Negro rebellion in his own nation Featherston sends Confederate army planes to attack Philadelphia In the aftermath of the CSA blitzkrieg the war machine spins a vortex of destruction betrayal and fury that no one not even Jake Featherston himself can control Turtledove plays heady games with actual history scattering object lessons and bitter ironies along the way Return Engagement features strong complex characters against a sweeping alt historical background Kirkus Reviews Another absorbing installment of Turtledove s character centered alternate history saga Booklist

Drive to the East Harry Turtledove, 2005-08-09 Turtledove never tires of exploring the paths not taken bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations Library Journal It s 1942 For twenty five years the USA and the CSA have been entrenched in an era of simmering hatred locked in a tangle of blood soaked battle lines modern weaponry desperate strategies and the kind of violence that only the damned could conjure up for themselves and their enemies In Richmond Confederate president and dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia killing U S president Al Smith in a barrage of bombs Featherston presses ahead with a secret plan carried out on the dusty plains of Texas where a so called detention camp hides a far more evil purpose As the untested U S vice president takes over for Smith the United States face a furious thrust by the Confederate army pressing inexorably into Pennsylvania But with the industrial heartland under siege Canada in revolt and U S naval ships fighting against the Japanese in the Sandwich Islands the most dangerous place in the world may be overlooked First time readers can jump in and enjoy Turtledove s richly rearranged cultural and political landscape The Kansas City Star Engrossing thoroughly satisfying Publishers Weekly

Settling Accounts Harry Turtledove, 2005 The thrilling sequel to RETURN ENGAGEMENTS the next part in this fascinating alternate history series by the creator of AMERICAN EMPIRE and WORLDWAR It is 1942 and the Confederate States of America are locked in a tangle of jagged blood soaked battle lines with the United States of America In Richmond dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia killing U S president Al Smith in a barrage of bombs But he presses ahead with a secret plan on the dusty plains

of Texas where a so called detention camp hides a far more evil purpose The United States face a furious thrust by Confederate army into Pennsylvania But with the industrial heartland under siege Canada in revolt and US ships fighting against the Japanese in the Sandwich Islands the most dangerous place in the world may be overlooked *The Grapple* Harry Turtledove,2006-07-25 In this stunning retelling of World War II Harry Turtledove has created a blockbuster saga that is thrilling troubling and utterly compelling It is 1943 the third summer of the new war between the Confederate States of America and the United States a war that will turn on the deeds of ordinary soldiers extraordinary heroes and a colorful cast of spies politicians rebels and everyday citizens The CSA president Jake Featherstone has greatly miscalculated the North's resilience In Ohio where Confederate victory was once almost certain Featherstone's army is crumbling and reinforcements of uninspired Mexican troops cannot stanch a Northern assault on the heartland The tide of war is changing and victory seems within the grasp of the USA Still new fighting flares from Denver to Los Angeles Indeed as the air ground and water burn with molten fury new and demonic tools of killing are unleashed and secret wars are unfolding The U S government in Philadelphia has proof that the tyrannical Featherstone is murdering African Americans by the tens of thousands in a Texas gulag called Determination And the leaders of both sides know full well that the world's next great power will not be the one with the biggest army but the nation that wins the race against nature and science and smashes open the power of the atom In *Settling Accounts* Harry Turtledove blends vivid fictional characters with a cast inspired by history including the Socialist assistant secretary of war Franklin Delano Roosevelt and beleaguered Confederate military commander Nathan Bedford Forrest In *The Grapple* he takes his spellbinding vision to new heights as he captures the heart and soul of a generation born and raised amid unimaginable violence This is a struggle of conquest and conscience played out on American soil

changed by one small act In an extraordinary saga of nations locked in war master storyteller Harry Turtledove examines a very different World War II one which erupts eleven months earlier and over Czechoslovakia rather than Poland Now comes the final installment in this landmark series Hitler s Plan A was to win in a hurry striking hard and deep into France There was no Plan B Now the war grinds on Countries have been forced into strange alliances The Nazis fortify thin lines with Hungarian and Romanian troops England finding its footing after the suspicious death of Winston Churchill and a coup d tat fights back in Europe and on the seas of the North Atlantic Jews fight on both sides of the war in secret in German uniform openly in Spain France and Russia Into the standoff come new killing tools from tanks to bazookas In the Pacific Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii For the U S the only enemy is Japan as there has been no casus belli for America in Europe Then Hitler becomes desperate and declares war on the United States But is it too late His own people are rising up in revolt The German military may have to put down the violence even perhaps bomb its own cities In this epic drama real men and women are shaped by the carnage and their individual acts in turn shape history Drawing on the gritty personal reality of war and on a cast of unforgettable characters Harry Turtledove has written an alternate history that intrigues fascinates and astounds Praise for Last Orders From our perspective seventy years later we re accustomed to thinking of WWII s outcome as being inevitable Not so says Harry Turtledove Disdaining broad brush strokes Turtledove s focus on the characters serves to fill out the big picture with patient nitty gritty detail It s all quite plausible Armchair warriors will have much to ponder Kirkus Reviews Praise for Harry Turtledove If you like alternate
