Achieving Financial Alignment: 30 Biblical Principles for Ordering Your Financial Life Rich Brott, 2008 God is interested in our willingness to manage and administrate all that He has given to us Nothing will be thrown into our laps Financial prosperity is not an unconditional providential blessing conditions are attached We are to take action and be proactive The abilities and giftings God provides motivate us to action Sometimes it takes our persistence in doing the same things faithfully with the heart of a servant Other times it is time to try new things new methods and seek new opportunities Sometimes the steady plodding brings the success of the blessed life Many people deep in debt and lacking in self discipline in their spending and contentment level complain that their employers don't pay them enough their taxes are much too high their business costs have skyrocketed or render some other excuse why they cannot plan for their financial future Of course some of these excuses may have a certain amount of legitimacy to them but they don't excuse a person from the responsibility of making sure that they are not wasting any of the resources God has allowed to come through their hands The problem is rarely a lack of money it is a lack of money management Money management simply means self management This book will help the reader to re align their financial attitude so that can begin to fulfill their potential financial altitude

Renewing Your Mind Through Biblical Principles Brenda McGibboney, 2013-04-11 You promised the girls that tonight you would go with them to see that new movie You are dressed and about to leave the house when your significant other comes through the door He takes one glaring look and begins to assault you With your mouth busted and bleeding he growls now you can go out Lets face it most of us have encountered a domestic violent abusive situation at least once or twice in our lives The problem with Domestic violence or abuse of any kind is that the underlying force is spiritual in nature and it must be fought with spiritual weapons But that

seems incredible How can you fight an attitude thats so pervasive What seems incredible or impossible for you is very credible and possible for God to do in you and through you Did you ever think that your life of abuse the things that you encountered would some day help others to overcome their abuse Did you think that God would use your life no matter how tattered ripped and torn to help mend others He can if you would allow Him The story of your life the abuse mistreatment injury and insults you have encountered are likewise the story of Gods love for you God the Son withstood the most gruesome abuse and ultimate death by man His own creation to redeem you back to the Father thats real love Therefore this recovery plan is to help you to be renewed in your mind body and spirit so you can help yourself and others to be delivered from domestic violence Renewing Your Mind through Biblical Principles is Gods recovery plan for you And it will work if you work the plan He has given_ His Word
