The teacher and absorbs a new teaching on spiritual truths for every day of the year Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies **Goddess Mystery Cults and the Miracle of Minyan Prehistoric Greece** Dionysious

 Everlasting Covenant of Grace* A. M. Simataa,2012-05-10 This special and remarkablebook The Seventh day Sabbath and its
 Redemptive Function in Gods Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite
 pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface
 some of the least understood teachings of the Bible Although written from a Seventh day Adventists perspective people of
 differing religious background and persuasions will fi nd this book very instructive If you have been looking for a book that
 pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics
 featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The
 Marriage Supper of the Lamband the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School
 in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The
 central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most
 believers have even dismissed its relevance to todays Christianity However the truth is that the Sabbath is at the heart of
 Christs work to save human beings in accordance with Gods plan The Sabbath is so central to the work of atonement that
 Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the
 End and every human being will be required to take a stand in the confl ict involving the Sabbath question This book will
 plant your feet on a solid foundation **Asteroid Answers to Ancient Calendar Mysteries** Herbert B. Stollorz,2008-07-03
 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to
 everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they
 have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many
 pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to
 discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient
 cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical
 nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec
 calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in
 what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and
 Daniel s prophecies It is one of the most important dates in the plan of God for all humanity **The Salmon Mysteries** Kim
