Reviews and Essays of Austin Clarke Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O'Casey Lady Gregory George Moore and others enjoy the advantages of an insider's point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke's essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that gap

Buffoonery in Irish Drama Kathleen Heininge, 2009 Generations of Irish playwrights have tried to assert the reputation of the stage Irish figure as other than comic but each effort was in its turn assailed as buffoonery Using post colonial and performative theory Buffoonery in Irish Drama demonstrates the ways the Irish struggled to create a sense of identity in a colonial structure and it explores the distortion and appropriation of that new identity that elicit further calls to eradicate negative stereotypes Demonstrating the pervasiveness of the reclamation efforts Buffoonery in Irish Drama covers a wide range of well known and obscure plays to show the trajectory of twentieth century drama that brings us into a globalized twenty first century Ireland

Modern Irish Writers Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel

Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume *Public Library Catalog* ,1979 **The**
