work typically a painting Its pages contain impressions of a preliminary nature sketched in a few strokes which are completed at another time and another place But things have changed and this is a development we have to examine at long last in greater depth sketchbooks can accomplish more they plough a field other than that of pre liminarity To date there is no publication that explores their true significance within the creative process Is it not called for to take a close look at the weight artists attach to the silent companion in their jacket pocket This is the purpose of this book *The Sunflowers are Mine* Martin Bailey,2024-10-17 This is the story of one of the world s most iconic images Martin Bailey explains why Van Gogh painted a series of sunflower still lifes in Provence He then explores the subsequent adventures of the seven pictures and their influence on modern art Through the Sunflowers we gain fresh insights into Van Gogh s life and his path to fame Based on original research the book is packed with discoveries throwing new light on the legendary artist *Van Gogh's Finale* Martin Bailey,2024-10-17 A captivating and definitive account of the final days of Van Gogh s life and the incredible story of what followed Divided into three parts the book first examines the eventful days from the artists departure from the asylum in Saint Remy and arrival in Auvers until the shooting which brought his life to an end During this time Van Gogh completed 70 paintings in 70 days The second part delves deeper into the story of the artist s death which has intrigued both experts and the public for years revealing little known stories and uncovering overlooked accounts We then follow the story of how Van Gogh subsequently rose from relative obscurity to international renown and ultimately fame as one of the most recognisable and popular artists in the world Leading Van Gogh specialist Martin Bailey writes with insight and intelligence bringing these fateful days to life with colour and character as well as historical expertise capturing the real sense of a tragic but meaningful life truly lived *The Annenberg Collection* Metropolitan Museum of Art (New York, N.Y.),Colin B.
