Seven Lears:

Seven Lears Howard Barker, 1990 Performing Nostalgia Susan Bennett, 2013-11-05 In this trenchant work Susan Bennett examines the authority of the past in modern cultural experience and the parameters for the reproduction of the plays She addresses these issues from both the viewpoints of literary theory and theatre studies shifting Shakespeare out of straightforward performance studies in order to address questions about his plays and to consider them in the context of current theoretical debates on historiography post colonialism and canonicity **Collected Plays: The bite of the night; Seven lears; The gaoler's ache; He stumbled; A house of correction** Howard Barker, 1990 Lear's Other Shadow Thomas G. Olsen, 2025-03-11 Lear's Other Shadow A Cultural History of Queen Lear offers a deep cultural analysis of the figure of Queen Lear who shadows and eventually sometimes overshadows her royal husband across the nearly one thousand year life of this archetypal tale What appears to be a deliberate strategy of suppression even erasure in Shakespeare's King Lear later inspired dozens of stage page and cinematic remakes and adaptations in which this figure is revived or remembered often pointedly so From Jacob Gordin's Yiddish language Miriele Efros 1898 through edgy stage remakes such as Gordon Bottomley's King Lear's Wife 1915 and the Women's Theatre Group's Lear's Daughters 1987 to novelized retellings from Jane Smiley's A Thousand Acres 1991 to Preti Taneja's We That Are Young 2018 and J R Thorp's Learwife 2021 and even the television series Empire 2015 2020 and Succession 2018 2023 Queen Lear regularly emerges from her shadowy origins to challenge how we understand the ancient King Lear story These and many other examples reveal fascinating patterns of adaptation and reinterpretation that Lear's Other Shadow identifies and analyzes for the first time showing how and why Queen Lear is at the center of this ancient story whether she is heard from or not **Adapting King Lear for the Stage** Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate's History of King Lear 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of King Lear and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation Focusing on works such as Gordon Bottomley's King Lear's Wife 1913 Edward Bond's Lear 1971 Howard Barker's Seven Lears 1989 and the Women's Theatre Group's Lear's Daughters 1987 Bradley theorizes that modern rewritings of Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and rejection She suggests that this new interaction provides constituent groups such as the feminist collective who wrote Lear's Daughters a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative

Smith, 2015-07-30 Howard Barker and The Wrestling School have been seen as marginal to the major concerns of British theatre problematic in their staging and challenging in the ideas they explore Yet Barker's writing career spans six decades he is the only living writer to have been accorded an entire season with the Royal Shakespeare Company and The Wrestling School produces theatre of such a striking quality that it earned continuous Arts Council funding for nearly 20 years Wrestling with Catastrophe challenges existing ways of reading Barker's theatre practice and plays and provides new ways into his work It brings together conversations with theatre makers from in and outside The Wrestling School with first hand accounts of the company's practice and a selection of critical readings The book's combining of testimony from key Wrestling School practitioners with alternative practical perspectives and with analysis by both established and emerging scholars ensures that a spectrum of understanding emerges that is rich in both breadth and depth In its consideration of the full range of Barker's aesthetic concerns including text direction design acting narrative form poetry appropriation painting photography electronic media technology puppetry and theatre space the volume makes a radical re-evaluation of Barker's theatre possible **King Lear in Brooklyn** Michael Pennington, 2016-04-29 What is King Lear really thinking of What does his mysterious Fool dream about What are the secret reasons for his daughters' revenge on their father What really lies behind the most famous lines in Shakespeare's greatest tragedy Michael Pennington's performance as Lear in New York in 2014 was considered to be the equal of those of Paul Scofield and John Gielgud This book part memoir part analysis part adventure story lights up the familiar text and the unique production he led Funny candid and deeply illuminating both honest and scholarly King Lear In Brooklyn is the work of one of our finest actor-writers at the top of his form Elizabethan and Jacobean Reappropriation in Contemporary British Drama Graham Saunders, 2017-10-14 This book examines British playwrights' responses to the work of Shakespeare and his contemporaries since 1945 from Tom Stoppard's *Rosencrantz and Guildenstern are Dead* to Sarah Kane's *Blasted* and Jez Butterworth's *Jerusalem* Using the work of Julie Sanders and others working in the fields of Adaptation Studies and intertextual criticism it argues that this relatively neglected area of drama widely considered to be adaptation should instead be considered as appropriation as work that often mounts challenges to the ideologies and orthodoxies within Elizabethan and Jacobean drama and questions the legitimacy and cultural authority of Shakespeare's legacy The book discusses the work of Howard Barker Peter Barnes Edward Bond Howard Brenton David Edgar Elaine Feinstein and the Women's Theatre Group David Greig Sarah Kane Dennis Kelly Bernard Kopps Charles Marowitz Julia Pascal and Arnold Wesker Theatre of Catastrophe Karoline Gritzner, David Ian Rabey, 2016-03-02 Fifteen essays on the style language and vision of one of Britain's most influential and controversial playwrights Focusing on different aspects of what Barker has called the Theatre of Catastrophe an international range of academics offer illuminating interpretations of his work Includes analyses of the political moral and

Talking Back to Shakespeare Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume It is also about the way different interpretive communities including students read their cultural political and moral assumptions into Shakespeare's plays appropriating and transforming elements of plot character and verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare's characters women characters in particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays Such re-visions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny Much of the talking back comes from marginalized readers women like Lillie Wyman author of *Gertrude of Denmark An Interpretive Romance* and other nineteenth century women critics or Jewish writers like Arnold Wesker whose play *The Merchant* transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel *A Thousand Acres* by Jane Smiley to obscure seldom read ones like Percy MacKaye's ambitious four play prequel *The Mystery of Hamlet King of Denmark* What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare's plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies

Staging the Past in the Age of Thatcher Anthony P. Pennino, 2018-08-07 This book investigates how the British theatrical community offered an alternative and oppositional historical narrative to the heritage culture promulgated by the Thatcher and Major Governments in the 1980s and early 1990s It details the challenges the theatre faced especially

reductions in government funding and examines seminal playwrights of the period including but not limited to Caryl Churchill Howard Brenton Sarah Daniels David Edgar and Brian Friel who dramatized a more inclusive vision of history that gave voice to traditionally marginalized communities It employs James Baldwin's concept of witnessing as the means by which history could be deployed to articulate an alternative and emergent political narrative the history we haven't had This book will appeal to students and scholars of theatre and cultural studies as well as theatre practitioners and enthusiasts

Performing King Lear Jonathan Croall, 2015-10-22 King Lear is arguably the most complex and demanding play in the whole of Shakespeare Once thought impossible to stage today it is performed with increasing frequency both in Britain and America It has been staged more often in the last fifty years than in the previous 350 years of its performance history its bleak message clearly chiming in with the growing harshness cruelty and violence of the modern world Performing King Lear offers a very different and practical perspective from most studies of the play being centred firmly on the reality of creation and performance The book is based on Jonathan Croall's unique interviews with twenty of the most distinguished actors to have undertaken this daunting role during the last forty years including Donald Sinden Tim Pigott Smith Timothy West Julian Glover Oliver Ford Davies Derek Jacobi Christopher Plummer Michael Pennington Brian Cox and Simon Russell Beale He has also talked to two dozen leading directors who have staged the play in London Stratford and elsewhere Among them are Nicholas Hytner David Hare Kenneth Branagh Adrian Noble Deborah Warner Jonathan Miller and Dominic Dromgoole Each reveals in precise and absorbing detail how they have dealt with the formidable challenge of interpreting and staging Shakespeare's great tragedy
