Thomas E. Youngreen

Seven Months As A Transient On The Streets:

Seven Months as a Transient on the Streets Thomas E. Youngreen, 2003 The book *Seven Months as a Transient* appeals to a wide range of readers both young and old men and women Many people have asked or at least considered asking the question to transients why don t you get a job and somewhere to live Have they ever considered the thought maybe the person doesn t want to or it s quite possible they re happy as they are It could be like this book *Seven Months as a Transient* where the author lived on the streets completely by choice rather than consequence This book serves to satisfy curiosity for those who have been interested at some point in their life of how a person on the streets lives and what they go through Of course each individual person living on the streets experiences different occurrences like anybody but have we ever read a candid step by step seven month journey like this one **Federal Register** ,1979-12-14 **The Street**

Railway Journal ,1897 **The House on Lemon Street** Mark Rawitsch, 2012-06-15 In 1915 Jukichi and Ken Harada purchased a house on Lemon Street in Riverside California Close to their restaurant church and children s school the house should have been a safe and healthy family home Before the purchase white neighbors objected because of the Haradas Japanese ancestry and the California Alien Land Law denied them real estate ownership because they were not citizens To bypass the law Mr Harada bought the house in the names of his three youngest children who were American born citizens Neighbors protested again and the first Japanese American court test of the California Alien Land Law of 1913 *The People of California v Jukichi Harada* was the result Bringing this little known story to light *The House on Lemon Street* details the Haradas decision to fight for the American dream Chronicling their experiences from their immigration to the United States through their legal battle over their home their incarceration during World War II and their lives after the war this book tells the story of the family s participation in the struggle for human and civil rights social justice property and legal rights and fair treatment of immigrants in the United States The Harada family s quest for acceptance illuminates the deep underpinnings of anti Asian animus which set the stage for Executive Order 9066 and recognizes fundamental elements of our nation s anti immigrant history that continue to shape the American story It will be worthwhile for anyone interested in the Japanese American experience in the twentieth century immigration history public history and law This publication was made possible with the support of Naomi Kathleen Ken and Paul Harada who donated funds in memory of their father Harold Shigetaka Harada honoring his quest for justice and civil rights Additional support for this publication was also provided in part by UCLA s Aratani Endowed Chair as well as Wallace T Kido Joel B Klein Elizabeth A Uno and Rosalind K Uno
