No Darkness at All Michael Maffucci, 2021-05-03 One of the most difficult things to understand about the Bible is why God seems so different in the Old Testament than He does in the New Testament There are places in the Old Testament where God says I kill and I destroy There are many places where God appears to be very harsh when He deals with people For example Uzzah died on the spot when he reached out his hand to touch the ark of God The author is of the conviction that God is good all the time and is never the cause of death destruction or sickness of any kind The author also believes that the Bible is the inerrant word of God Because of his dilemma in trying to justify these two opposite paradigms he has done this detailed study on this subject because he believes the Bible cannot contradict itself Many have blamed God for their afflictions or at the very least they have accepted their problems as God s will for their life If you believe that God is doing something evil to you to teach you a lesson or to develop your faith how can you have faith to be healed or to be delivered from any difficulty Reading this book will help you see that God is good all the time and can do No Darkness At All 1 John 1 5 Careful grammatical research is done in this book that will give you evidence to the face that there is a great difference between what God causes and what God permits Each chapter in this work builds upon this evidence and will increase your faith in the goodness of God 2

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions

which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Who Can I Turn to Now? James Rhoads, 2016-07-08. Who Can I Turn to Now tells the story of my life. I was a troubled child. I was raised by loving alcoholic parents. I was sent to Sunday School where I learned the books of the Bible but I still always got into trouble. I was sent to live with my grandparents on a farm where I finished High School on the Deans Honor Roll of Scholastic Students. I joined the air force and started drinking. I soon became an alcoholic like my parents. I got married and had two children. This marriage ended after ten years due to alcohol. I got into trouble and went to prison twice. While in prison I found the answer to Who Can I Turn to Now. I have been out thirty years and married to the same wonderful woman twenty nine years. I believe if you really are at the bottom with your life you can read Who Can I Turn to Now and find the answer.
