Seventh Circle:

The Seventh Circle Todd Cheney,2003-07 The Seventh Circle is a tale of high adventure fantasy and destiny An excerpt
Mal Tarsis laid the book on the ground before the altar He then knelt before it and opened it to a book marked page The
bindings creaked with age as they always did He remembered long nights poring over this tome just to decipher the ancient
dialects within it He found it strange that he had slaved so many long hours over this book But he always knew there had to
be something in it Something that would give him the power that was rightfully his If he succeeded in this ceremony tonight
then nothing could stand in his way As Mal Tarsis knelt before the altar he laid the curved blade atop the book so that it
balanced over the curving pages The first part of the ceremony would imbue the blade with the proper powers and nuances
Mal Tarsis read aloud from the book He could hear nothing but his own voice now The man s cries and pleas were a distant
dream He saw nothing but the aged yellow pages and his hands as he followed the lines of text He must concentrate With the
soul of fire I consecrate you With the stone of earth I will create you Take from him his which is not his Take from him life
and give him this Mal Tarsis rose from the ground after reading these words The knife took on a reddish hue Everything went
according to plan Yet he had barely begun Sweat began to bead on his forehead Mal Tarsis edged his way to the head of the
altar The final most important cut neared He laid the blade across the man s throat With a dark elation the warlock drew the
knife from one side to the other As he did so he spoke again I summon thee oh timeless ones The warlock bolted from the
center of the circles To remain within would be suicide Soon the tortured souls would bridge the gap between the Lands of
Death and the mortal world The outer circle of herbs protected the summoner and any others present from the souls of the
damned As he reached the outer edge of the second circle of herbs Mal Tarsis quickly glanced at the red candles The candles
had not been very tall to begin with They were almost three quarters down now He must finish the spell quickly **The**

Seven Circles Richard S. Omura,2001-01-16 The Seven Circles is the account of a man who arrives in the far future when
spiritual reality is a proven fact and mankind has evolved to a higher state William Drake the protagonist finds that his values
are completely irrelevant and his dog eat dog attitude a barbaric anachronism That being the case he is surprised to find that
his company is desired by many just for the reason that his by comparison savage qualities are rare and gives the people the
opportunity to turn the other cheek when faced with his behavior and thereby gain spiritual growth from the experience The
downside is that he is not allowed complete freedom until he has progressed in his own self mastery through the conquest of
the Seven Circles of spiritual intellectual and material attainment a daunting challenge for anyone much less an atheist then
in the first person the narrative of William Drake tells of his falling in love with the person who had revived him Sheila and of
his own spiritual uplift and downfall as he encounters a myriad of personalities celestial and human and undergoes
