Ten Second Staircase Christopher Fowler,2008-09-30 It s a crime tailor made for the Peculiar Crimes Unit a controversial artist is murdered and displayed as part of her own outrageous installation No suspects no motive no evidence but this time they do have an eyewitness A twelve year old claims the killer was a cape clad highwayman atop a black stallion Whoever the killer really is he seems intent on killing off enough minor celebrities to become one himself As Highwayman Fever grips London Bryant and May along with the newest member of the Unit May s agoraphobic granddaughter April find themselves sorting out a case involving artistic rivalries sleazy sex affairs the Knights Templars feuding street gangs and a decades old crime spree that split up their partnership once before and threatens to end it again with murder

Bryant & May: Wild Chamber Christopher Fowler,2017-12-05 Detectives Arthur Bryant and John May are back on the case in this whip smart and wildly twisting mystery in which a killer in London s parks is proving to be a most elusive quarry Helen Forester s day starts like any other Around seven in the morning she takes her West Highland terrier for a walk in her street s private garden But by 7 20 she is dead strangled yet peacefully laid out on the path her dog nowhere to be found The only other person in the locked space is the gardener who finds the body and calls the police He expects proper cops to arrive but what he gets are Bryant May and the wily members of the Peculiar Crimes Unit Before the detectives can make any headway on the case a second woman is discovered in a public park murdered in nearly identical fashion Bryant recovering from a health scare delves into the arcane history of London s cherished green spaces rife with class drama violence and illicit passions But as a devious killer continues to strike Bryant and May struggle to connect the clues not quite seeing the forest for the trees Now they have to think and act fast to save innocent lives the fate of the city s parks and the very existence of the PCU An irresistibly witty inventive blend of history and suspense Bryant the latest entry features an array of eccentric characters a killer conclusion in a library setting quirky humor witty writing interesting side trips and expositions and a well ordered intricate plot Library Journal starred review [England's Finest](#)

Christopher Fowler,2020-04-07 The Peculiar Crimes Unit has solved many extraordinary cases over the years Some have been forgotten others hidden a few lost down the back of the Unit sofa until now The most delightfully wickedly entertaining

duo in crime fiction The Plain Dealer Arthur Bryant remembers these lost cases as if they were yesterday Unfortunately he doesn't remember yesterday so newly revealed facts come as something of a surprise to everyone really not least an increasingly exasperated John May Here you will discover the truth about the diva and the seventh reindeer learn how a consul's son came to be buried in the Unit's basement and understand why a corpse might end up in a swamp of Chinese dinners There's an ordinary London street corner that's prone to strange accidents and the Post Office Tower plays host to some ghoulish Halloween goings on but how a forgotten London legend could be responsible for an apparently impossible death is anybody's guess Each of the PCU's oddest characters has a part to play and the long suffering Detective Sergeant Janice Longbright reveals a mystery of her very own Twelve crimes in all solved without resorting to modern technology possibly because nobody knows how to use it Expect misunderstood clues mislaid evidence arguments about Dickens various churches and pubs and of course the usual disorderly conduct from the investigative officers laughingly called England's Finest

Bryant & May: London Bridge Is Falling Down Christopher Fowler, 2021-12-07 Unbeatable fun Christopher Fowler takes delight in stuffing his books with esoteric facts The Guardian The brilliant duo of Arthur Bryant and John May uncovers a nefarious plot behind the seemingly innocuous death of an old lady and when the case leads them to London Bridge it all comes down on the Peculiar Crimes Unit When ninety one year old Amelia Hoffman dies in her top floor flat on a busy London road it's considered an example of what has gone wrong with modern society she slipped through the cracks in a failing system But detectives Arthur Bryant and John May of the Peculiar Crimes Unit have their doubts Mrs Hoffman was once a government security expert though no one can quite remember her When a link emerges between the old lady and a diplomat trying to flee the country it seems that an impossible murder has been committed Mrs Hoffman wasn't the only one at risk Bryant is convinced that other forgotten women with hidden talents are also in danger And curiously they all own models of London Bridge With the help of some of their more certifiable informants the detectives follow the strangest of clues in an investigation that will lead them through forgotten alleyways to the city's fabled bridge in search of a desperate killer But just when the case appears to be solved they discover that Mrs Hoffman was smarter than anyone imagined There's a bigger game afoot that could have terrible consequences

Bryant & May on the Loose Christopher Fowler, 2010-09-14 The Peculiar Crimes Unit is no more disbanded finished kaput After years of defying the odds and infuriating their superiors detectives Arthur Bryant and John May have finally crossed the line While Bryant takes to his bed his bathrobe and his esoteric books the rest of the team takes to the streets looking for new careers until one of them stumbles upon a gruesome murder Now the Unit is back for an encore performance in a rented office with no computer network no legal authority and a broken toilet They've got until the end of the week to solve a mystery with links to gangland crime the 2012 London Olympics and a half man half stag creature that's carrying off young women It's the kind of case that Bryant and May live to solve and it could be the one that finally kills them

Bryant & May and the Burning Man Christopher Fowler, 2015-12-15 No case is too curious for Arthur Bryant and John May London s most ingenious detectives But with their beloved city engulfed in turmoil they ll have to work fast to hold a sinister killer s feet to the fire In the week before Guy Fawkes Night London s peaceful streets break out in sudden unrest Enraged by a scandal involving a corrupt financier accused of insider trading demonstrators are rioting outside the Findersbury Private Bank chanting marching and growing violent But when someone hurls a Molotov cocktail at the bank s front door killing a homeless man on its steps Bryant May and the rest of the Peculiar Crimes Unit is called in Is this an act of protest gone terribly wrong Or a devious premeditated murder Their investigation heats up when a second victim is reported dead in similar fiery circumstances May discovers the latest victim has ties to the troubled bank and Bryant refuses to believe this is mere coincidence As the riots grow more intense and the body count climbs Bryant and May hunt for a killer who s adopting incendiary methods of execution on a snaking trail of clues with roots in London s history of rebellion anarchy and harsh justice Now they ll have to throw themselves in the line of fire before the entire investigation goes up in smoke Suspenseful smart and wickedly funny Bryant together with a cast of splendidly eccentric characters and corkscrew plots wit verve and some apposite social commentary they make for unbeatable fun The Guardian Winningly eccentric The books are set in a skillful synthesis of a phantasmagorical earlier era and the modern age Financial Times The most delightfully wickedly entertaining duo in crime fiction Fowler s tale is a rich mix of laugh out loud lines acerbic wit obscure British history and a wonderfully puzzling story Grade A The Plain Dealer Fowler is even better than usual at getting readers to care about his squad of misfits Publishers Weekly Not even Arthur Bryant s alarming behavior can dampen the twelfth installment in the most joyously inventive mystery series of our time Kirkus Reviews Fascinating and intriguing This book is definitely a standalone novel that keeps the reader absorbed in the story and will make everyone want to go back and read them all This is a very solid story and a great addition to Fowler s long running series The mystery is fascinating and readers will definitely want to know what happens next And for newcomers to the series this will be an excellent place to start Suspense Magazine Fans of the Bryant and May series will welcome this latest installment with plenty of obscure historical details mixed with

The Memory of Blood Christopher Fowler,2013-09-03 Christopher Fowler s acclaimed Peculiar Crimes Unit novels crackle with sly wit lively suspense and twists as chilling as London s fog Now the indomitable duo of Arthur Bryant and John May along with the rest of their quirky team return to solve a confounding case with dark ties to the British theater and a killer who may mean curtains for all involved For the crew of the New Strand Theatre the play The Two Murderers seems less performance than prophecy when a cast party ends in the shocking death of the theater owner s son The crime scene is most unusual even for Bryant and May In a locked bedroom without any trace of fingerprints or blood the only sign of disturbance is a gruesome life size puppet of Mr Punch laying on the floor Everyone at the party is a suspect including the corrupt producer the rakish male lead the dour set designer and the assistant stage manager who is the wild daughter of a prominent government official It s this last fact that threatens the Peculiar Crimes Unit s investigation as the government s Home Office wary of the team s eccentric methods seeks to throw them off the case But the nimble minds of Bryant and May are not so easily deterred Delving into the history of the London theater and the disturbing origins of Punch and Judy the detectives race to find the maniacal killer before he reaches his even deadlier final act Whip smart and endlessly entertaining The Memory of Blood is an ingeniously intricate mystery from the deliciously inventive Christopher Fowler Praise for The Memory of Blood The Memory of Blood breathes new life into the locked room mystery Spiced with a little screwball comedy dialogue and a touch of the occult The Washington Post Great fun The Seattle Times

Bryant & May and the Bleeding Heart Christopher Fowler, 2014-12-02 NAMED ONE OF THE TEN BEST MYSTERIES OF THE YEAR BY THE SEATTLE TIMES London's wildest detectives Arthur Bryant and John May are on the case in this fiendishly clever mystery And when a cemetery becomes the scene of a crime neither secrets nor bodies stay buried Romain Curtis sneaks into St George's Gardens one evening with his date planning to show her the stars A centuries old burial ground the small quiet park is the perfect place to be alone Yet the night takes a chilling turn when the two teenagers spy a strange figure rising from among the tombstones a corpse emerging from the grave Suffice it to say that wherever there's a dead man walking Bryant and May and the Peculiar Crimes Unit are never far behind As the PCU investigates the sighting a second urgent matter requires their unusual brand of problem solving Seven ravens have gone missing from their historic home in the Tower of London and legend has it that when the ravens disappear England will fall Bryant has been tasked with recovering the lost birds but when Romain is suddenly found dead the two seemingly separate mysteries start to intertwine and point to a plot more sinister than anyone could ever imagine Soon Bryant and May find themselves immersed in London's darkest lore from

Victorian era body snatchers to arcane black magic to the grisly myth behind Bleeding Heart Yard a courtyard long associated with murder And as the body count spikes and more coffins are unearthed they will have to dig deep to catch a killer and finally lay these cases to rest Darkly funny and fast paced Bryant May and the Bleeding Heart is a brilliantly twisting puzzle conjured from the inventive mind of Christopher Fowler Praise for Bryant May and the Bleeding Heart Let s talk about guilty pleasures A historic burial ground like St George s Garden scene of the unfortunate incident of resurrection is right up Arthur Bryant s dark alley And mine Marilyn Stasio The New York Times Book Review Delectably droll criminally underappreciated guaranteed to amuse Bryant May are endearing throwbacks to a time when this genre was brainy and pure They are the last of a breed and they know it Their very credibility puts quaint old Bryant May in a class of their own Janet Maslin The New York Times Fans of the series will enjoy the continuing travails of these two long suffering octogenerian friends and their fellow officers Newcomers will appreciate the twists and turns of the case as well as the many details from the odd corners of one of the world s great cities Library Journal Endearingly eccentric intriguing Publishers Weekly Hilarious a charming and intriguing mystery mixed with marvelous characters Christopher Fowler s snarky writing elevates what could be dull or routine and makes it a true joy to read RT Book Reviews Make Bryant May and the Bleeding Heart the next book you read These stories are witty challenging engrossing informative and incredibly well written Picture a television series that is a rough mash up of Law Order The X Files and Monty Python s Flying Circus I sensed Sir Arthur Conan Doyle Ed McBain and Agatha Christie nodding in approval Fowler s latest book contains some of his best writing Bookreporter
