## Several Israels The:

*The Myth of the Twelve Tribes of Israel* Andrew Tobolowsky, 2022-03-17 The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing historical phenomenon from biblical times to the present By treating the Hebrew Bible s accounts of Israel as one of many efforts to construct an Israelite history rather than source material for later legends Andrew Tobolowsky brings a long term comparative approach to biblical and nonbiblical Israelite histories In the process he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel and generates new questions How can we explain the enduring power of the myth of the twelve tribes of Israel How does becoming Israel work why has it proven so popular and how did it change over time Finally what can the changing shape of Israel itself reveal about those who claimed it *Introduction to Israel* Gilad James, PhD, Israel is a small country located in the Middle East that has a rich and complex history It was founded in 1948 after the United Nations approved the partition of Palestine which resulted in the establishment of two states Israel and Palestine Israel is a parliamentary democracy and its government is divided into three branches legislative executive and judicial The country is led by a prime minister who is elected by the Knesset which is the Israeli parliament Israel is known for its diverse population which includes Jews Arabs Druze Christians and other minorities Hebrew and Arabic are the official languages of Israel and the country also has a strong cultural scene with a thriving film industry music scene and literature Jerusalem is the capital city of Israel and it is a holy site for Jews Christians and Muslims as it contains important religious sites such as the Western Wall the Church of the Holy Sepulchre and the Dome of the Rock Israel also has a strong economy with high tech industries tourism and agriculture being major drivers However the country also faces challenges such as ongoing conflicts with Palestinians regional instability and social issues related to the diverse population *Israel, the Occupied West Bank and Gaza Strip, and the Palestinian Authority Territories*, **Recent Soviet Emigration to Israel** Jonathan B. Bingham, Seymour Halpern, 1972 **Israel and the Dead Sea Scrolls** Edmund Wilson, 2019-11-05 The author of *To the Finland Station* and *Axel s Castle* brilliantly examines the significance of the scrolls discovery and their role in Jewish history with this insightful biblical study *Israel and the Dead Sea Scrolls* Reading him it is not difficult to imagine the ardor with which Edmund Wilson pursued his complex subject it was the kind of subject he had always liked best involving as it did history politics ancient lore and all his faculties for imaginative reconstruction and historical analysis No book quite like this has been written in our century Leon Edel from the introduction **Evangelicals and Israel** Stephen Spector, 2008-12-09 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and

interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Chu
