Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Labor, 1984 The Diary of Elizabeth Lee Colin Pooley, Siân Pooley, Richard Lawton, 2019-02-15 Personal diaries provide rare glimpses into those aspects of the past that are usually hidden from view Elizabeth Lee grew up on Merseyside in the late nineteenth century She began her diary at the age of 16 in 1884 and it provides an unbroken record of her life up to the age of 25 in 1892 Elizabeth's father was a draper and outfitter with shops in Birkenhead and throughout the period of the diary Elizabeth lived at home with her family in Prenton However she travelled widely on both sides of the Mersey and her diary provides an unusually revealing picture of middle class life that begins to challenge conventional views of the position of young women in Victorian society The book includes a detailed introduction to

and analysis of the diary together with a glossary relating to key people in the diary and maps of the localities in which Elizabeth lived her everyday life There have been a number of diaries published relating to ordinary people but most accounts were written retrospectively as life histories by people who eventually gained some degree of fame or prominence in society This very rare first hand account provides a unique insight into adolescent life in Victorian Britain Clothing Alterations and Repairs Chelsey Byrd Lewallen,2024-01-11 A detailed step by step guide to successfully altering and repairing ready made apparel that will help you achieve the perfect fit and extend the life of your clothing Whether you are interested in tailoring your wardrobe starting a business or learning a skill that will save you money and the planet you ll find what you need through illustrated step by step projects and no nonsense videos You ll learn to make alterations to your ready made clothing including a variety of hemming techniques and taking in letting out seams and repair methods to fix zippers tears and holes There are also detailed guidelines on more complex techniques including adjusting suit jacket sleeves reshaping necklines and even fixing backpacks tents and bags

Homemaker Skills Wane Nakoa Rainfall,AI,2025-02-27 Homemaker Skills Wane explores the documented decrease in female domestic expertise in the United States since 1960 a period marked by significant shifts in social and economic landscapes This decline isn t merely a change in preferences but a complex product of economic pressures evolving gender roles and the increasing trend of outsourcing domestic labor Historically society valued female domestic competence impacting women s education and social standing The study uses household surveys to examine the evolution of skills like cooking sewing and childcare revealing how the rise of the female labor force and consumer culture has reshaped domestic life The book investigates various factors contributing to this trend including the increased participation of women in the workforce and the availability of convenience goods and services It also examines social and cultural shifts such as evolving gender roles and a decreasing emphasis on domestic education By analyzing quantitative data from household surveys and

incorporating qualitative insights the book provides an unbiased data driven analysis of these social and economic trends The book progresses by establishing a baseline of homemaking skills in 1960 and then analyzing economic social and technological factors influencing their decline The comprehensive analysis in Homemaker Skills Wane provides valuable insights for academics policymakers and general readers interested in history social science and the changing roles of women Understanding this decline challenges simplistic narratives about progress and offers a deeper examination of the trade offs in modern life making it a valuable contribution to understanding social history and family dynamics
