*exposition on the Old and New Testament] with a preface by C.H. Spurgeon* Matthew Henry, 1886      **Fundamentalism in America** Philip Melling, 2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith. It demonstrates instead how it draws upon a long tradition of evangelical and millennialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States. The author examines the varieties of fundamentalism as they appear in prophecy, sermon, film and fiction. In its wide ranging consideration of the rhetoric of the New World Order, the literature of prophecy, Cold War films, television evangelism, cross border texts and post nationalist writing, *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States.

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities, a book for our times and a book for the ages. *EDGE* The myth that the Bible forbids homosexuality, the myth of God versus Gay, is behind some of the most divisive and painful conflicts of our day. In this provocative and game changing book, scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite. In fact, the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation. It is not good for a person to be alone, the way religious communities grow through reflection and conscience. Michaelson argues passionately for equality, not despite religion but because of it. With close readings of the Hebrew Bible and New Testament, the latest data on the science of sexual orientation, and a sympathetic, accessible and ecumenical approach to religious faith, Michaelson makes the case that sexual diversity is part of the beauty of nature. The recognition of same sex families will strengthen, not threaten, the values religious people hold dear. Whatever your views on religion and sexual diversity, *God vs Gay* is a plea for a more compassionate, informed conversation and a first step toward creating one.

**Matthew 1-7 MacArthur New Testament Commentary** John MacArthur, 1985-08-08 The Old Testament looked forward to the final King of kings who would bring everlasting salvation and peace. In his gospel, Matthew demonstrates that Jesus Christ is that King, perfect in His eternal glory and majesty. As the King's ambassadors, Christians today will find in Matthew great motivation for heartfelt worship and service. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical.

*The Quest for Context and Meaning* Talmon, Craig A. Evans, 2021-11-15 This collection of studies is published in honor of Professor James A. Sanders, a leading scholar in the fields of the canon of Scripture, textual criticism, and the relationship of the two Testaments. Contributors include leading scholars in these and related fields of study. The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith. Included are studies of Jesus' understanding of Scripture, Paul's interpretation of Scripture, and the ways in which Scripture was interpreted by the Rabbis. In many instances, novel interpretations and new approaches to old problems are offered. Advanced students and veteran scholars will enjoy the many insights and provocative new ideas.

Tucker, David L. Petersen, Robert R. Wilson, 1988 **Sexuality and the Jesus Tradition** William Loader, 2005-02-03 Discourse related to sex excites passion and debate partly because sexuality is a central aspect of what it means to be human Following up on his recent book on sexuality in the Septuagint William Loader here explores what the Christian Gospels and related writings have to say about sexuality how they reflect the faith and social values of their day and what impact they ve had on our own Sexuality and the Jesus Tradition is thorough in its investigation and compelling in its analyses Loader examines all of the passages that convey views about sexuality in the Gospels and other first century literature including the Gospel of Thomas and the influence in Paul of the Jesus tradition Among the interesting topics covered are attitudes concerning lust perspectives on marriage and divorce and views about celibacy Loader shows how despite the passing of two thousand years and massive social change these ancient texts contain common issues that we still grapple with today *Life Changing* Alasdair Thompson, 2013-09 In Life Changing Alasdair Thompson outlines the events surrounding his sacking as chief executive of the Employers and Manufacturers Association New Zealand s largest business membership organisation after twelve years of reorganisation and rebuilding the Association He reveals his upbringing the people and events that shaped him his views on business economics and public policy and outlines a career in local government and in various local authorities and boards We see the man behind the media target and he shares his beliefs and values his crises as well as

personal transformation and newfound faith and peace Thompson's was at the centre of a media maelstrom that led to his downfall. This book describes how he and his family coped with the aftermath and ultimately moved on happier and stronger. Life Changing: learning from the past, fixing the future. By Alasdair Thompson. Life Changing is what I have called my book due out early October. It is partly autobiographical and partly a commentary on a wide range of political, business and media issues including the ethics of some leaders in those fields. It's also about my transformation from having been publicly disgraced and humiliated to a happy new and much better person with a wonderful new life. Much of what I have written will be controversial although I did not write it to be so. I had some important things to say about business, political, even media ethics including those of some important leaders in those fields. The media too rightly comments on such things like the collapse of finance companies and the many billions of dollars that many retirees have consequently suffered and the increase in the suicide rate among baby boomers. The media is constantly covering such things but there are some things they do not hear the whole story about. It's a few of these I felt compelled to write about. I take responsibility for my fall from public grace for my bad behaviour towards Mihingarangi Forbes, the interviewer from Campbell Live when I lost my cool with her. This was the bit that Campbell Live producer Pip Keane chose to broadcast on that programme on June 23, 2011. Nevertheless, I do call Mihingarangi Forbes, John Campbell and Pip Keane for what media commentator Dr Brian Edwards at the time called dishonest journalism. The book in five parts covers in parts 2 and 3 my downfall as the Employer and Manufacturers EMA CEO in June 2011 which led to my sacking for allegedly bringing the EMA into disrepute on 6 July 2011 even though I had offered my resignation almost immediately. It covers how my wife Joan and I coped and ultimately dealt with the maelstrom that followed my comment first made on Mike Hosking's NewstalkZB breakfast show that some women's monthly sickness problems affected their productivity and earnings. This escalated when later that afternoon I was interviewed by Mihi Forbes in a 27 minute interview, the last 4 minutes of which were chosen by producer Pip Keane as the best bits, most controversial to be broadcast that evening on Campbell Live. It is mainly parts 2 and 3 of my 5 part book that are the basis of an in-depth TV3 3rd Degree programme to be screened on Wednesday 2nd October. The programme also looks at my life now, my transformation, having researched feminism and Christian theology leading to me becoming a Christian, travelling extensively overseas and to again become a self-employed business advisor and tourist business operator. Life Changing is about much more than all this though although it does reveal so much more than was ever made public at the time of my demise mainly because I was barred at the time from talking to the media and my employer.
