Sex and Sanctity Lucy Re Bartlett, 1912 The Sanctity of Sex Frank A. Lawes, 2013-10 This is a new release of the original 1948 edition **Mediation and Love** Leyla Rouhi, 1999 This study offers a comprehensive typology of the Figure of the Medieval go between across several Near Eastern and European genres and pays special attention to the role of intertextuality and history in the conception of the figure *Sex and sanctity* Lucy Bartlett, 1914 *Sex and the Sanctity of Human Life* William May, 2022 Theologian William May offers an engaging study of sex in particular the relationship between the natural and the spiritual dimensions of human love and reproduction For those who question the common assumptions of secular society about the body human sexuality courtship marriage family and children this book presents wise and beautiful insights into the human condition **Sanctified Sex** Noam Sachs Zion, 2021-08 Sanctified Sex draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success *The Sex Lives of Saints* Virginia Burrus, 2010-08-03 Has a repressive morality been the primary contribution of Christianity to the history of sexuality The ascetic concerns that pervade ancient Christian texts would seem to support such a common assumption Focusing on hagiographical literature Virginia Burrus pursues a fresh path of interpretation arguing that the early accounts of the lives of saints are not antierotic but rather convey a sublimely transgressive countereroticism that resists the marital procreative ethic of sexuality found in other strands of Christian tradition Without reducing the erotics of ancient hagiography to a single formula *The Sex Lives of Saints* frames the broad historical theological and theoretical issues at stake in such a revisionist interpretation of ascetic eroticism with particular reference to the work of Michel Foucault and Georges Bataille David Halperin and Geoffrey Harpham Leo Bersani and Jean Baudrillard Burrus subsequently proceeds through close performative readings of the earliest Lives of Saints mostly dating to the late fourth and early fifth centuries Jerome's Lives of Paul Malchus Hilarion and Paula Gregory of

Nyssa's Life of Macrina Augustine's portrait of Monica Sulpicius Severus's Life of Martin and the slightly later Lives of so-called harlot saints Queer's m and postcolonial theories are among the contemporary discourses that prove intriguingly resonant with an ancient art of saintly loving that remains in Burrus's reading promisingly mobile diverse and open ended

Woman, Don't Be Stooped! Armato, 2009-09 Do not be unequally yoked together with unbelievers For what fellowship has righteousness with lawlessness And what communion has light with darkness 2 Corinthians 6:14 From the beginning Satan has declared war on the family But now Satan is stepping up his attack on the family to bring it down with the help of Christian women Satan has found that the best way for him to destroy the family is to start from its formation by getting Christian women to date and marry men who are not true brothers in the Lord In this endeavor Satan is succeeding big time and will continue to do so unless Christian women everywhere wake up and realize what is happening They also need to recognize who they are and why they should not settle for anything less than a man who is a true brother in the Lord This book will help in that endeavor as well as expose Satan's plan for Christian women everywhere Topics covered in this book include Reasons why Christian women choose to date and marry unsaved men The consequences Christian women will suffer for pursuing unsaved men The consequences their children and future husbands will suffer as well How Christian women misuse the Gospel of Jesus while dating unsaved men The excuses Christian women give to justify their disobedience How to heal from past ungodly relationships How to be the woman that a Christian man will want to pursue James Joseph Armato is a graduate of Hofstra University and an Air Force veteran He currently resides in Massapequa Park in Long Island New York while holding down two jobs as a restaurant server He is a member of Bethpage Assembly of God church This is his first book

QUESTIONS OF SEX Jideoni Charles, 2013-06-21 The Questions on these pages are not only meant to attract answers from the reader but they also serve as self quiz to purge the reader of his/her age old pretences false moral pretensions morbid sexual arrogance culturally imposed sexual taboos and religiously contacted sexual guilt There is no doubt in my mind therefore that such Questions as these will adequately prove to be a useful set of topical and thematic materials for open discussions among sexually liberated males and females as well as for the professional use of uninhibited novelists playwrights and of the media men

Courtly Love, the Love of Courtliness, and the History of Sexuality James A. Schultz, 2006-08-15 One of the great achievements of the Middle Ages Europe's courtly culture gave the world the tournament the festival the knighting ceremony and also courtly love But courtly love has strangely been ignored by historians of sexuality With *Courtly Love, the Love of Courtliness and the History of Sexuality* James Schultz corrects this oversight with careful analysis of key courtly texts of the medieval German literary tradition Courtly love Schultz finds was provoked not by the biological and intrinsic factors that play such a large role in our contemporary thinking about sexuality sex difference or desire but by extrinsic signs of class bodies that

were visibly noble and behaviors that represented exemplary courtliness Individuals became subjects of courtly love only to the extent that their love took the shape of certain courtly roles such as singer lady or knight They hoped not only for physical union but also for the social distinction that comes from realizing these roles to perfection To an extraordinary extent courtly love represented the love of courtliness the eroticization of noble status and the courtly culture that celebrated noble power and refinement *The Holy Longing* Ronald Rolheiser, 1999 This book presents a readable deeply revealing explanation of God and the church that is befitting a world that more often than not doubts the credibility of both
