Long Odds:

Long Odds Gordon Weaver, 2000 In *Long Odds* Gordon Weaver's latest collection each male protagonist struggles for moral and emotional strength to cope with a universe gone awry. Each of the eleven stories centers around a circumstance that is both ordinary and shockingly unpredictable. A small time flop of a con man in the psychic business becomes dependent on his inspirational talks with a dead hustler from a bygone era. An eccentric helplessly watches a crumbling society from a table in his favorite diner. A proper Bostonian buries his black sheep brother in rural Mississippi. A group of newly divorced men takes up daily exercise in search of solace in an upscale mall. Some of Weaver's characters win in the end, some fail miserably, but all of their stories depict their confrontations with self and surroundings. Each story lures the reader forward despite the potential disappointment and self-destruction that often loom just ahead for the characters. The father of a blind girl builds an elaborate Christmas light display for her as his wife watches with bewildered disapproval. A part-time college English teacher travels the freeways from job to job and from woman to woman to avoid the paralysis of stasis. Written in the bold, sharp style that is Weaver's trademark, *Long Odds* includes stories that shift in mood and tone from the serious to the comically ironic, but which are unified by a common sense of isolation as each man labors to make sense of his place in the world. Lauded by *Publishers Weekly* as presenting characters whose cries are so human, raw and mordant, the reader forgets the fiction and is delivered inside the experience. Weaver skillfully introduces a level of depth and intensity to situations that may appear commonplace at first glance. This inventive collection offers a gallery of men who outwardly ordinary are revealed as complex in their humanity, defined as much by their sensibilities as by their actions or their failures to act.

Legacy of the Stone Andrew Craig, 2007-11 Darius' heart belongs to one he cannot have, and when four loyal friends accompany him on a brash journey to stop the war, things begin to go horribly wrong. Malevolent powers will summon an ancient evil, and Darius will be forced to search deep into his soul for the strength to save his friends. Meanwhile, Lieutenant Colonel Majid has mobilised his regiment against the will of his ruling Council in a desperate bid to avert disaster. Fate will bring their stories together in an epic tale of tenacity, intrigue, courage, and betrayal. A father's legacy to his son will be the catalyst for a series of events that will change the world forever. **The Academy**, 1889 **The New Partridge**

Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post-WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English.

Applied Bayesian and Classical Inference F. Mosteller, D. L. Wallace, 2012-12-06 The new version has two additions First at the suggestion of Stephen Stigler I we have replaced the Table of Contents by what he calls an Analytic Table of Contents Following the title of each section or subsection is a description of the content of the section This material helps the reader in several ways for example by giving a synopsis of the book by explaining where the various data tables are and what they deal with by telling what theory is described where We did several distinct full studies for the Federalist papers as well as many minor side studies Some or all may offer information both to the applied and the theoretical reader We therefore try to give in this Contents more than the few cryptic words in a section heading to peed readers in finding what they want Seconq we have prepared an extra chapter dealing with authorship work published from about 1969 to 1983 Although a chapter cannot compre hensively Gover a field where many books now appear it can mention most of the book length works and the main thread of authorship studies published in English We founq biblical authorship studies so extensive and complicated that we thought it worthwhile to indicate some papers that would bring out the controversies that are taking place We hope we have given the flavor of developments over the 15 years mentioned We have also corrected a few typographical errors **Art & Science of Picking Wining Horses** , *Dictionary of Idiomatic English Phrases* James Main Dixon, 1891

This is a classical text of a dictionary of English idioms and phrases This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide
