Long Time Gone Charlie Donlea,2025-04-29 When DNA results reveal a disturbing connection to the mysterious disappearance of a famous baby nearly three decades ago a woman s search for answers draws her to an ominous small town in Nevada and a dangerous web of corruption power and lies in this engrossing propulsive new novel from the internationally bestselling author of Twenty Years Later For fans of Alice Feeney Stacy Willingham Riley Sager and Megan Goldin THIRTY YEARS AGO BABY CHARLOTTE VANISHED TODAY SHE WANTS ANSWERS On the first day of an elite two year fellowship Sloan Hastings receives a research assignment in the emerging field of forensic genealogy

It's the exciting rapidly evolving science behind the recent breaks in high profile cold cases from the Golden State Killer to the Cameron Young murder and Sloan enthusiastically begins by submitting her own DNA to an online genealogy site Her goal is to better understand the treasure trove of genetic information contained on ancestry websites but the results she receives are shocking Raised by loving parents Sloan has always known she was adopted But her DNA profile suggests her true identity is that of Charlotte Margolis aka Baby Charlotte who captured the nation's attention when she and her affluent parents mysteriously vanished in July 1995 Despite a large scale investigation and months of broad media coverage there were never any suspects and the case has been cold for decades Racing to stay ahead of the media and true crime junkies ravenous to know what really happened to Baby Charlotte Sloan's search for answers leads her to small town Cedar Creek Nevada There the Margolis family's power and influence permeate every corner of the county and while Sloan's birth relatives are initially welcoming they're also mysterious and tight lipped Not everyone seems happy about Sloan's return or the questions she's asking The more she learns the more apparent it becomes that the answers Sloan seeks are buried in a graveyard of Margolis family secrets And someone will do anything to keep them hidden Do YOU hold the secrets in your blood To find out text CHARLOTTE to 775 239 0320 Zigzagging mercilessly between past and present Donlea keeps up the tension in a superior thriller Kirkus STARRED REVIEW *Sometimes a Great Notion* David Donnell, 2014-05-20 Long admired for his books of poetry most recently *China Blues* and *Dancing in the Dark* David Donnell's poems continue to surprise and amaze us with their cool jazz of spontaneity and imaginative logic A sensual and intellectual feast *Sometimes a Great Notion* is a deconstruction of the contemporary artist's life it's also a tough compassionate look at the future of the future and our philosophy of love Culinary adventures and geography juxtapose with Japanese culture erotic interludes are interrupted by notes on Alex Colville giving us the clearest picture of convergence theory we've had since Marshall McLuhan was a young man Here in poems like *Luce* or *Pillows* Donnell pushes the boundaries of minimalism in original and subtle ways and succeeds like peach ice cream on a hot day Moment after moment this is a provocative and refreshing book **All Set about with Fever Trees and Other Stories** Pam Durban, 1995-08-01 The seven stories in Pam Durban's widely praised debut collection are tales of family of love and loss of survival and affirmation Durban's resonant prose subtly obliges her readers to experience the rush of icy water in a stream the taste of greens freshly snatched from an overgrown garden the dread weight of confusion and uncertainty In *This Heat* the opening story a mill worker faces the long expected loss of her teenage son when his weak heart finally gives out In the title story which concludes the collection a formidably eccentric woman abruptly leaves her daughter and granddaughter to answer a calling to do missionary work in Africa Framed between these two stories is a gathering of characters made real and consequential by Durban's touch a country singer more than a few big breaks short of stardom a preadolescent boy lovestruck over his private swimming instructor a father cut off from his children by haunting war memories and others The New Partridge Dictionary of Slang and Unconventional English Tom

Terela Sreenivas, 2022-05-06 What is the purpose of human life Did human beings come into existence on this earth as per Darwin's Theory of Evolution or were they created by God with an underlying purpose How does a common man a religious person an atheist and a philosopher think about the purpose of life Why do their interpretations about the meaning of life

differ so much Certain physical chemical and biological laws govern this universe Thus the existence of human beings on this earth cannot be accidental There must be some purpose behind life coming into existence This book attempts to discuss the various theories and interpretations of the same What is the purpose of human life Did human beings come into existence on this earth as per Darwin s Theory of Evolution or were they created by God with an underlying purpose How does a common man a religious person an atheist and a philosopher think about the purpose of life Why do their interpretations about the meaning of life differ so much Certain physical chemical and biological laws govern this universe Thus the existence of human beings on this earth cannot be accidental There must be some purpose behind life coming into existence This book attempts to discuss the various theories and interpretations of the same A Room Forever Thomas E. Douglass,2004-11 After twenty six year old author Breece D J Pancake took his own life in April 1979 the West Virginian s posthumously published short story collection made a considerable impact on the world of letters His work was praised for a controlled muscular style reminiscent of Hemingway for its strong undercurrent of emotion and for its evocation of the blighted lives of the mountain poor In A Room Forever Thomas E Douglass offers a detailed portrait of Pancake s short life examining the varied circumstances and emotional forces that led to the writer s suicide and exploring Pancake s influence on contemporary fiction generally and Appalachian writing in particular Drawing on notebooks letters and manuscripts left by Pancake as well as numerous conversations and interviews with family friends and others Douglass has recreated the key events of the young artist s life his West Virginia childhood his romantic losses his education as a writer at the University of Virginia and the acceptance of his work by the East Coast literary establishment Through analysis of the story fragments reproduced in this volume including The Conqueror and Shouting Victory Douglass illustrates the recurring themes such as fear of failure and the inability to escape disaster that Pancake expressed so eloquently in his work and he shows their origins in the writer s own personal history Douglass examines the degree to which Pancake drew on his memories of life in Appalachia and discusses Pancake s influence on other Appalachian writers such as Pinckney Benedict Douglass argues that Pancake s posthumous collection The Stories of Breece D J Pancake brought a renewed interest in regional writing to the national literary scene A Room Forever brings to life the artistic sensibility and inner turmoil of a legendary figure in contemporary southern letters **House of Darkness House of Light** Andrea Perron,2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded

experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead
