Long Walk Through War A Combat Doctors Diary

Charles T. O'Reilly

Long Walk Through War A Combat Doctors Diary:

Long Walk Through War Klaus H. Huebner, 1987 The 344 days of combat of the 88th Infantry Division were part of the bitterly contested struggle for supremacy in Italy during the Second World War Here is the gripping story of the first selective service division committed to battle in the European Theater seen from the unique vantage point of a battalion physician Using notes hastily scribbled on the backs of maps and finished out whenever he was rotated to rear areas for rest Dr Klaus Huebner captured in his diary the frustration fear boredom devotion and anger that were the daily portion of combat infantrymen The result is a remarkably sustained exposition of combat life Dr Huebner traces the 88th s activities from final staging preparations at Fort Sam Houston to North Africa and on up the Italian peninsula to the Brenner Pass in Austria just fifty five miles south of the Bavarian hamlet where he was born Combat began for the Division just north of Naples Italy During combat the medical aid station was set up in any available farmhouse barn cave or clump of trees that offered some protection for treating the wounded There the battalion surgeon and his aides did what they could under adverse circumstances gave by their presence alone moral support to the casualties and came to know well the miseries emotions and human drama of infantry soldiers in combat Dr Huebner writes I walked with the men who carried guns and slugged it out on foot I treated the wounded where they fell His story is terse and often tense a memorable view of battle and the men who tried to heal its wounds right in the field

American Soldiers Peter S. Kindsvatter, 2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in

the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors Forgotten Battles Charles T. O'Reilly,2001-01-01 Italy s War of Liberation takes issue with the apparently prevalent attitude among Allied commanders during World War II that the Italian military was ineffective O Reilly recounts the little known story of the significant contribution made by the Italian military during the Italian Campaign including the contribution of relatively unacknowledged Italian Partisan formations that fought in Italy France Yugoslavia and Greece Despite the fact that Italians fought on the front lines with the British and American soldiers and despite the service of the Italian Navy and Air Force the Allies refused repeated Italian pleas for more involvement in combat This book not only attempts to correct the record of military history by illustrating the ways in which the Italians were underutilized by the Allies but it also serves to paint a fair portrait of the Italian military s substantial efforts to defeat Hitler and eradicate Fascism *The Crash of Ruin* Peter Schrijvers,2001-02 In the ruined Europe of World War II American soldiers on the frontline had no eye for breathtaking vistas or romantic settings The brutality of battle profoundly darkened the soldiers perceptions of the Old World Drawing on soldiers diaries letters poems and songs Peter Schrijvers offers a compelling account of the experiences of U S combat ground forces their struggles with the European terrain and seasons their confrontations with soldiers and their often startling encounters with civilians Schrijvers relays how the GIs became so desensitized and dehumanized that the sight of dead animals often evoked more compassion in them than enemy dead The Crash of Ruin concludes with a dramatic and moving account of the final Allied offensive into German held territory and the soldiers bearing witness to the ultimate symbol of Europe s descent into ruin the death camps of the Holocaust **A Nation Forged in War** Thomas A. Bruscino,2013-05-12 World War II shaped the United States in profound ways and this new book the first in the Legacies of War series explores one of the most significant changes it fostered a dramatic increase in ethnic and religious tolerance A Nation Forged in War is the first full length study of how large scale mobilization during the Second World War helped to dissolve longstanding differences among White soldiers of widely divergent backgrounds Never before or since have so many Americans served in the armed forces at one time more than 15 million donned uniforms in the period from 1941 to 1945 Thomas Bruscino explores how these soldiers shared experiences enduring basic training living far from home engaging in combat transformed their views of other ethnic groups and religious traditions He further examines how specific military policies and practices worked to counteract old prejudices and he makes a persuasive case that throwing together men of different regions ethnicities religions and classes not only fostered a greater sense of tolerance but also forged a new American identity When soldiers returned home after the war with these new attitudes they helped reorder what it meant to be white in America Using the presidential campaigns of Al Smith in 1928 and John F Kennedy in 1960 as bookend events Bruscino notes a key change in religious bias Smith s defeat came at the end of a campaign rife with anti

Catholic sentiment Kennedy's victory some three decades later proved that such religious bigotry was no longer an insurmountable obstacle. Despite such advances, Bruscino notes that the growing broad-mindedness produced by the war had limits; it did not extend to African Americans whose own struggle for equality would dramatically mark the postwar decades. Extensively documented, *A Nation Forged in War* is one of the few books on the social and cultural impact of the World War II years. Scholars and students of military, ethnic, social, and religious history will be fascinated by this groundbreaking new volume. [Air University Library Index to Military Periodicals](#), 1989. [Arn's War](#) Edward C. Arn, 2006. Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism. Instead, he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire, to suffer a wound, to agonize over the deaths of friends, to endure true suffering, to sacrifice, and to survive. Edited and annotated by Jerome Mushkat, this memoir is an account of a citizen soldier who survived his baptism by fire during World War II. **BOOK JACKET** ***The History of the U.S. Army Medical Service Corps*** Richard V. N. Ginn, 1997. *Indiana Military History Journal*, 1988. ***Going for Broke*** James M. McCaffrey, 2013-04-30. When Japanese forces attacked Pearl Harbor on December 7, 1941, Americans reacted with revulsion and horror. In the patriotic war fever that followed, thousands of volunteers, including Japanese Americans, rushed to military recruitment centers. Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion, the U.S. Army initially turned Japanese American prospects away. Then, as a result of anti-Japanese fearmongering on the West Coast, more than 100,000 Americans of Japanese descent were sent to confinement in inland relocation centers. Most were natural-born citizens; their only crime was their ethnicity. After the army eventually decided it would admit the second-generation Japanese American Nisei volunteers, it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team. This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor, volunteers from Hawaii, and even recruits from the relocation centers. In *Going for Broke*, historian James M. McCaffrey traces these men's experiences in World War II from training to some of the deadliest combat in Europe. Weaving together the voices of numerous soldiers, McCaffrey tells of the men's frustrations and achievements on the U.S. mainland and abroad. Training in Mississippi, the recruits from Hawaii and the mainland have their first encounter with southern-style black-white segregation. Once in action, they helped push the Germans out of Italy and France. The 442nd would go on to become one of the most highly decorated units in the U.S. Army. McCaffrey's account makes clear that like other American soldiers in World War II, the Nisei relied on their personal determination, social values, and training to go for broke, to bet everything, even their lives. Ultimately, their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war. [Endkamp](#) Stephen G. Fritz, 2004-10-08. At the end of World War II, Gen. Dwight D. Eisenhower, fearing that retreating Germans would consolidate large numbers of troops in an Alpine stronghold and from there conduct a protracted guerilla war, turned U.S. forces toward the heart of Franconia, ordering

them to cut off and destroy German units before they could reach the Alps Opposing this advance was a conglomeration of German forces headed by SS Gruppenführer Max Simon a committed National Socialist who advocated merciless resistance Under the direction of officers schooled in harsh combat in Russia the Germans succeeded in bringing the American advance to a grinding halt Caught in the middle were the people of Franconia Historians have accorded little mention to this period of violence and terror but it provides insight into the chaotic nature of life while the Nazi regime was crumbling Neither German civilians nor foreign refugees acted simply as passive victims caught between two fronts Throughout the region people pressured local authorities to end the senseless resistance and sought revenge for their tribulations in the liberation that followed Stephen G Fritz examines the predicament and outlook of American GI s German soldiers and officials and the civilian population caught in the arduous fighting during the waning days of World War II *Endkampf* is a gripping portrait of the collapse of a society and how it affected those involved whether they were soldiers or civilians victors or vanquished perpetrators or victims *Bibliography of the History of Medicine* ,1993 **Military History** ,1987-08 **Monte Cassino** Peter Caddick-Adams,2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town **The 10th Mountain Division** Dennis P. Chapman,2023-03-28 The storied history of the US Army s elite 10th Mountain Division is presented here in precise detail by Dennis Chapman a former officer in the division The reader will first learn of the outfit s 1943 activation then the dramatic story of their famous WWII Italian campaign After successfully storming the near vertical slope of Riva Ridge thought unclimbable by their German opponents and then seizing the strategic heights of the Mount Belvedere massif the men of the 10th Mountain Division battered their way through the Apennine Mountains Breaking out into the Po Valley the 10th Mountain Division raced across the lowlands to the foot of the Austrian Alps slamming the door shut on thousands of retreating Axis troops The reader will also learn about the heroism of the 10th Mountain Division troops at the Battle of the Black Sea in Mogadishu the famous story of Black Hawk Down as well as its exploits during the early years of the global war on terror Unlike most books of its kind this book goes beyond those famous exploits bringing together all the threads of the division s history Chapman also recounts the history of the 10th Mountain Division in its Cold War incarnations at Fort Riley Kansas and in Germany He also tells the story of the 87th Infantry Regiment the last remaining of the division s three original regiments and the only element of the division to continue in existence from the division s deactivation in 1958 until its reactivation in 1985 *Witness to War* Richard J. Aldrich,2004 Using compelling material from a startling range of diaries this work offers a fresh perspective on the experience of ordinary individuals during the Second World War *A Guide to the Sources of United States Military History* Robin Higham,Donald J. Mrozek,1998 **World War II** Carl J. Schneider,Dorothy Schneider,2014-07 Firsthand

accounts and brief biographies describe how Americans were affected by the events surrounding World War II **World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war The Journal of the Oklahoma State Medical Association , 1991

Long Walk Through War A Combat Doctors Diary Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **Long Walk Through War A Combat Doctors Diary**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall affect readers.

Long Walk Through War A Combat Doctors Diary Introduction

In the digital age, access to information has become easier than ever before. The ability to download Long Walk Through War A Combat Doctors Diary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Long Walk Through War A Combat Doctors Diary has opened up a world of possibilities. Downloading Long Walk Through War A Combat Doctors Diary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Long Walk Through War A Combat Doctors Diary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Long Walk Through War A Combat Doctors Diary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Long Walk Through War A Combat Doctors Diary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Long Walk Through War A Combat Doctors Diary, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Long Walk Through War A Combat Doctors Diary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Long Walk Through War A Combat Doctors Diary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Long Walk Through War A Combat Doctors Diary is one of the best book in our library for free trial. We provide copy of Long Walk Through War A Combat Doctors Diary in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Long Walk Through War A Combat Doctors Diary. Where to download Long Walk Through War A Combat Doctors Diary online for free? Are you looking for Long Walk Through War A Combat Doctors Diary PDF? This is definitely going to save you time and cash in something you should think about.
