Peterson, 1995 *Summary of Eugene H. Peterson's A Long Obedience in the Same Direction* Everest

Media, 2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The world is a difficult place for Christians to navigate We are constantly being bombarded with temptations that come from the flesh the world and the devil 2 The world's way of life is difficult for a pastor to deal with Everyone is in a hurry They want shortcuts and they are impatient for results A pastor is not a tour guide 3 The fifteen psalms that make up the Songs of Ascents were most likely sung by Hebrew pilgrims as they went up to Jerusalem to the great worship festivals They were a

way for the people to express the amazing grace and to quiet their anxious fears 4 The Songs of Ascents are a collection of psalms that were used by the multitudes who said Come let s climb God s mountain go to the House of the God of Jacob He ll show us the way he works so we can live the way we re made      **Welcome to Manhood** Noah Herrin,2025-08-19 The making of a godly man requires hard deliberate choices over time and reliance upon his relationship with God it s not for the fainthearted A boy does not become a man when he turns 18 but when he takes on the character and habits of a man for the good of those around him Exploring what these godly character traits are pastor Noah Herrin offers real world wisdom for 52 key challenges men face on their journey into manhood Each chapter of this action packed book calls men higher addressing one obstacle and providing hands on biblical solutions practical next steps habits to work toward and truths to believe Covering core areas of personal professional and spiritual life topics include how to own mistakes relate to parents choose the right mate use time effectively humble yourself manage your money chase the right goals engage in community be a finisher and much more The world needs not just good men but godly men Jesus is our model of manhood and when men act like Jesus the world is different      **Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific** Larry Van De Creek,2013-04-03 Does the scientific process belong in pastoral counseling Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No examines the widespread ambivalence among pastoral caregivers and educators over the growing inclusion of science in pastoral care and counseling methodologies Twenty three seasoned professionals in the field give candid and sometimes emotional accounts of their interest inand reservations aboutthe role scientific research plays in their profession Some authors look at the issue from a historical perspective others voice additional concerns A few make concrete proposals on how chaplaincy can become more scientific The result is a unique insight into the relationship between the secular and the religious The question of whether science belongs in pastoral care and counseling is moot pastoral care already makes extensive use of psychological testing and psychotherapeutic skillsall products of scientific thinking But as technology becomes more dominant and health care delivery reflects a more corporate perspective pastoral caregivers and educators are divided on whether the changes represent the significant opportunity to improve a ministry or the surrender of the ministry s very essence The essays collected in Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No go a step farther breaking down the issue of faith versus science into more specific questions for pastoral caregivers such as Can what you do be measured Do you have an obligation to embrace the challenge of change Is becoming more scientific a necessity for staying in touch with your health care peers How cost effective is the pastoral care you provide if it doesn t include the scientific process Could a reluctance to incorporate science into your counseling cost you your job Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No presents thoughtful and thought provoking debate that is a must read for all pastoral caregivers and educators      **The First Epistle to the Corinthians** Gordon D.

Fee,1987-07-10 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God Rules for Reformers Douglas Wilson,2014-12-02 In Rules for Reformers Douglas Wilson poaches the political craft of radical progressives and applies it to Christian efforts in the current culture war The result is a spicy blend of combat manual and cultural manifesto Rules for Reformers is a little bit proclamation of grace a little bit Art of War and a little bit analysis of past embarrassments and current cowardice all mixed together with a bunch of advanced knife fighting techniques As motivating as it is provocative Rules for Reformers is just plain good to read Thanks to Saul Alinsky's Rules for Radicals A Practical Primer for Realistic Radicals a book well beloved by Barack Obama Hillary Clinton and many others for much of the shrewd advice and for none of the worldview **The Man You're Meant to Be** John Simons,2025-09-16 In The Man You're Meant to Be John Simons offers a call for biblical wisdom that points to authentic manhood By following the wisdom that comes from above God Simons calls for the man to reject the wisdom from below the world and become the man that God desires him to be *How to Act Right When Your Spouse Acts Wrong* Leslie Vernick,2011-11-23 Experience the Blessings of an Imperfect Marriage We all at one time or another have the opportunity to act right when our spouse acts wrong There are no perfect marriages or perfect spouses We know that having a good marriage requires effort and hard work Yet we often don't know how to continue to love when we are angry hurt scared or just plain irritated Nor are we sure what that kind of love is supposed to look like Should we be patient Forgive and forget Do something else entirely Acting right when your spouse acts wrong will not necessarily guarantee a more satisfying marital relationship nor will it automatically make your spouse change his or her ways although both could occur It will however help you see how God is stretching you in the midst of your marital difficulties teach you to respond wisely when wronged and lead you into a deeper relationship with Christ as you yield your will to his plan for your life and learn to be more like him **The New Big Book of Christian Mysticism** Carl McColman,2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis-ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray

It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus's message of radical equality and inclusivity This bigger book introduces both Christians and non-Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church's detriment As a practice-oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence The Parables Douglas D.

Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus's parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul

Bread for the Journey Thomas W. Currie, 2015-08-31 Preparing for ministry involves more than the acquisition of certain skills The shape of a disciple's soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care Ministry is not easy and the preparation for this form of Christian discipleship is open to a variety of temptations not least of which is a kind of despair over the paucity of one's own resources or worse the illusion that one is better off relying on one's own talents and virtues What is needed is bread for this journey not necessarily exhortations to work harder but words of encouragement and grace that bear witness to the surprising reality that ministry is in fact a joyful gift These notes from a dean who sought to help his students discover that joy in their study and preparation bear witness to the One whose life provides bread for every journey especially for the journey of pastoral ministry

Breaking Free Beth Moore, 2007-04-01 Do you want to know God and really believe Him Do you want to find satisfaction in God experience His peace and enjoy His presence Do you want to make the freedom Christ promised a reality in your daily life In Breaking Free Beth Moore embarks on a study of selected passages from the book of Isaiah drawing several parallels between the captive Israelites and today's Christians in order to show how to make freedom in Christ a daily reality Moore

teaches readers to remove obstacles that hinder freedom by identifying spiritual strongholds in their lives and overcoming them through the truth of God's Word, truth that will set us free. Abba's Whisper Alan Davey, Elizabeth Davey, 2017-01-18

There is a longstanding tradition that God whispers in our ears. He does not shout. It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media. To hear the voice of God is an awesome thing to know his thoughts, to intuit his love, to participate in his good pleasure. It is both a gift to be received and an art to be cultivated. It can call to us when we least expect but we can train ourselves to become receptive listeners. We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba, barely audible. Since our wordy world masks the quiet, respectful voice of God, we need to recognize the primary ways that Abba communicates with his creation. We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing. From our deep Christian past, we hear the voice of St. Augustine murmur, "Whisper in my heart, I am here to save you. I shall hear your voice and make haste to clasp you to myself."

**Scripture Commentary Sampler** Dave Martin, 2019-07-29. This book provides a brief introduction to the literature of Bible commentaries. Its purpose is to present some of the best thoughts from Bible scholars and inspire readers to further explore this rich genre. This Sampler aims to whet the appetite of people who may not have seminary degrees but who nevertheless desire a deep dive into God's Word.
