Werner's Magazine, 1902 *This is Not Just a Painting* Bernard Lahire, 2019-04-15 In 2008 the Musée des Beaux Arts de Lyon acquired a painting called The Flight into Egypt which was attributed to the French artist Nicolas Poussin Thought to have been painted in 1657 the painting had gone missing for more than three centuries Several versions were rediscovered in the 1980s and one was passed from hand to hand from a family who had no idea of its value to gallery owners and eventually to the museum A painting that had been sold as a decorative object in 1986 for around 12 000 euros was acquired two decades later by the Musée des Beaux Arts de Lyon for 17 million euros What does this remarkable story tell us about the nature of art and the way that it is valued How is it that what seemed to be just an ordinary canvas could be transformed into a masterpiece that a decorative object could become a national treasure This is a story permeated by social magic the social alchemy that transforms lead into gold the ordinary into the extraordinary the profane into the sacred Focusing on this extraordinary case Bernard Lahire lays bare the beliefs and social processes that underpin the creation of a masterpiece Like a detective piecing together the clues in an unsolved mystery he carefully reconstructs the steps that led from the same material object being treated as a copy of insignificant value to being endowed with the status of a highly prized painting commanding a record breaking price He thereby shows that a painting is never just a painting and is always more than a piece of stretched canvass to which brush strokes of paint have been applied this object and the value we attach to it is also the product of a complex array of social processes with its distinctive institutions and experts that lies behind it And through the history of this painting Lahire uncovers some of the fundamental structures of our social world For the social magic that can transform a painting from a simple copy into a masterpiece is similar to the social magic that is present throughout our societies in economics and politics as much as art

and religion a magic that results from the spell cast by power on those who tacitly recognize its authority By following the trail of a single work of art Lahire interrogates the foundations on which our perceptions of value and our belief in institutions rest and exposes the forms of domination which lie hidden behind our admiration of works of art *Goody Hall* Natalie Babbitt,2010-10-12 An out of work actor Hercules Feltwright stumbles into a job tutoring Willet Goody the only child of a widow living in a large lonely house Willet quickly involves his tutor in the search to discover the truth about his father The mystery unfolds with the discovery of hidden treasure a gypsy s ance and the frightening exploration of the tomb of Midas Goody **When It's Time for Leaving** Ang Pompano,2019-10-01 A burned out cop s retirement plan hits a snag when he inherits a Georgia detective agency and discovers a body in this Agatha Award nominated mystery When his girlfriend dumps him and a dealer rams him off a bridge Al DeSantis quits the New Haven Police Department As he plans to head for LA he learns his father who abandoned him as a kid has deeded him the Blue Palmetto Detective Agency in Georgia Now fearing bridges Al drives to Savannah intending to sell fast and go west but before he can he discovers a strong and attractive female detective named Maxine a dead body on the dock and his father alive suffering from Alzheimer s and determined to help his new partner Al solve the crime With an authentic knowing voice and a confident hand Pompano honors Robert B Parker s legacy of wry laconic PI s smart and engaging detectives with history honor and heart Hank Phillippi Ryan USA Today bestselling author of *The First to Lie* When It s Time For Leaving is a corker Thoroughly likeable former cop Al DeSantis wants to get out of the crime business but inherits one that fortunately for readers won t let him go Hallie Ephron New York Times bestselling author *Careful What You Wish For* Pompano has created the most unusual and appealing duo of detectives since Holmes and Watson Lucy Burdette national bestselling author of *A Deadly Feast* The PI for the double 20s Al DeSantis is a classic damaged gumshoe but with a youthful energy that pulls you through the pages Barbara Ross author of the *Maine Clambake Mysteries* and winner 2019 Maine Literary Award for Crime Fiction
