God's Long Summer Charles Marsh,2024-08-06 In the summer of 1964 the turmoil of the civil rights movement reached its peak in Mississippi with activists across the political spectrum claiming that God was on their side in the struggle over racial justice This was the summer when violence against blacks increased at an alarming rate and when the murder of three civil rights workers in Mississippi resulted in national media attention Charles Marsh takes us back to this place and time when the lives of activists

on all sides of the civil rights issue converged and their images of God clashed He weaves their voices into a gripping narrative a Ku Klux Klansman for example borrows fiery language from the Bible to link attacks on blacks to his priestly calling a middle aged woman describes how the Gospel inspired her to rally other African Americans to fight peacefully for their dignity a SNCC worker tells of harrowing encounters with angry white mobs and his pilgrimage toward a new racial spirituality called Black Power Through these emotionally charged stories Marsh invites us to consider the civil rights movement anew in terms of religion as a powerful yet protean force driving social action The book s central figures are Fannie Lou Hamer who worked for Jesus in civil rights activism Sam Bowers the Imperial Wizard of the White Knights of the Ku Klux Klan of Mississippi William Douglas Hudgins an influential white Baptist pastor and unofficial theologian of the closed society Ed King a white Methodist minister and Mississippi native who campaigned to integrate Protestant congregations and Cleveland Sellers a SNCC staff member turned black militant Marsh focuses on the events and religious convictions that led each person into the political upheaval of 1964 He presents an unforgettable American social landscape one that is by turns shameful and inspiring In conclusion Marsh suggests that it may be possible to sift among these narratives and lay the groundwork for a new thinking about racial reconciliation and the beloved community He maintains that the person who embraces faith s life affirming energies will leave behind a most powerful legacy of social activism and compassion
