Longer Scottish Poems: 1375-1650 Priscilla J. Bawcutt, Felicity Riddy, Thomas Crawford, 1987 **Longer Scottish Poems: 1650-1830** Priscilla J. Bawcutt, Felicity Riddy, Thomas Crawford, 1987 The Book of Scottish Poems: Ancient and Modern John Ross, 1878 Edinburgh Companion to Contemporary Scottish Poetry Matt McGuire, 2009-07-03 The last three decades have seen unprecedented flourishing of creativity across the Scottish literary landscape so that contemporary Scottish poetry constitutes an internationally renowned award winning body of work At the heart of this has been the work of poets As this poetry makes space for its own innovative concerns it renegotiates the poetic inheritance of preceding generations At the same time Scottish poetry continues to be animated by writing from other places The Edinburgh Companion to Contemporary Scottish Poetry is the definitive guide to this flourishing poetic scene Its chapters examine Scottish poetry in all three of the nation s languages It analyses many thematic preoccupations tradition and innovation revolutions in gender the importance of place the aesthetic politics of devolution These chapters are complemented by extended close readings of the work of key poets that have defined this era including Edwin Morgan Kathleen Jamie Don Paterson Aonghas MacNeacail and John Burnside **Scottish Literature Since 1707** Marshall Walker, 2017-07-12 Marshall Walker s lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy power and nationhood Disposing of stereotypical ideas about Scotland and the Scots this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture Coverage includes the Scottish enlightenment and the world

of Boswell and David Hulme to the Scottish Renaissance associated with Hugh MacDiarmid Developments in the contemporary literary scene include John McGrath's theatre Company and the fiction and poetry of Alastair Gray and Ian Crichton Smith Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature *Edinburgh History of the Scots Language* Charles Jones, 2019-07-31 This is the first full scale attempt to record the diachronic development of this important English language variety and includes extensive essays by some of the foremost international scholars of the Scots language The book attempts to provide a detailed and technical description of the syntax phonology morphology and vocabulary of the language in two main periods the beginnings to 1700 and from 1700 to the present day The language's geographical variation both in the past and at the present time are fully documented and the sociolinguistic forces which lie behind linguistic innovation and its transmission provide a principal theme running through the book WINNER of the Saltire society National Library of Scotland Scottish Research Book of the Year Award *An Introduction to the Celtic Languages* Paul Russell, 2014-07-15 This text provides a single volume single author general introduction to the Celtic languages The first half of the book considers the historical background of the language group as a whole There follows a discussion of the two main sub groups of Celtic Goidelic comprising Irish Scottish Gaelic and Manx and Brittonic Welsh Cornish and Breton together with a detailed survey of one representative from each group Irish and Welsh The second half considers a range of linguistic features which are often regarded as characteristic of Celtic spelling systems mutations verbal nouns and word order *The Glasgow Enlightenment* Andrew Hook, Richard B. Sher, 2001-01-01 The Glasgow Enlightenment is widely regarded as the first book to explore the nature and accomplishments of the Enlightenment in eighteenth century Glasgow in a comprehensive manner In addition to a general introduction by the editors there are seven chapters devoted to Glasgow University professors such as Adam Smith Francis Hutcheson Thomas Reid John Millar William Leechman and John Anderson At a time when the Glasgow economy was booming in the strength of its trade with America these and other Glasgow men of science and learning were making major contributions to the European world of philosophy law political economy natural philosophy medicine and religious toleration There are also five chapters on other individuals and topics including the physician and author John Moore James Boswell during his student days images of Glasgow in popular poetry and Popular party clergymen who challenged the dominant views of the academic Enlightenment with an alternative vision of liberty and piety This edition features a new bibliographical preface by Richard B Sher that discusses the substantial secondary literature on eighteenth century Glasgow and the Glasgow Enlightenment since the original publication of this book more than a quarter of a century ago *Anthologies of British Poetry*, 2021-11-22 From Tottel's Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re-creating the canon of English poetry for introducing new programmes of poetry as a record of

changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web

Medievalism in England II Leslie J. Workman, Kathleen Verduin, 1996 Twelve essays discuss how the middle ages are reflected in English culture from the sixteenth century to the present day Edinburgh History of Scottish Literature: Enlightenment, Britain and Empire (1707-1918) Ian Brown, 2006-11-13 Between 1707 and 1918 Scotland underwent arguably the most dramatic upheavals in its political economic and social history The Union with England industrialisation and Scotland's subsequent defining contributions throughout the eighteenth and nineteenth centuries to the culture of Britain and Empire are reflected in the transformative energies of Scottish literature and literary institutions in the period New genres new concerns and whole new areas of interest opened under the creative scrutiny of sceptical minds This second volume of the History reveals the major contribution made by Scottish writers and Scottish writing to the shape of modernity in Britain Europe and the world

The Oxford History of Classical Reception in English Literature Rita Copeland, 2016-01-28 The Oxford History of Classical Reception in English Literature OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This first volume and fourth to appear in the series covers the years c 800 1558 and surveys the reception and transformation of classical literary culture in England from the Anglo Saxon period up to the Henrician era Chapters on the classics in the medieval curriculum the trivium and quadrivium medieval libraries and medieval mythology provide context for medieval reception The reception of specific classical authors and traditions is represented in chapters on Virgil Ovid Lucan Statius the matter of Troy Boethius moral philosophy historiography biblical epics English learning in the twelfth century and the role of antiquity in medieval alliterative poetry The medieval section includes

coverage of Chaucer Gower and Lydgate while the part of the volume dedicated to the later period explores early English humanism humanist education and libraries in the Henrician era and includes chapters that focus on the classicism of Skelton Douglas Wyatt and Surrey International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who's Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters *New Book List* General Theological Seminary (New York, N.Y.),1897 **The Cambridge History of English Poetry** Michael O'Neill,2010-04-29 A literary historical account of English poetry from Anglo Saxon writings to the present Books that Count William Forbes Gray,1923

Westminster and Foreign Quarterly Review ,1876 **New Materialism and Late Modernist Poetry** Joe Moffett,2022-12-15 First appearing in the social sciences in the last decade the New Materialism offers a fresh way of looking at the ways in which humanity views its relationship to the material world This study picks up on those key insights analyzing works that challenge the anthropocentric worldview that has defined Western thinking for millennia Poetry drawn from the period known as Late Modernism roughly 1930s 1970s is examined with particular attention paid to the ways in which the authors anticipate New Materialist perspectives The authors include influential figures representing various anglophone traditions Special attention is paid to the long poems of each writer Hugh MacDiarmid's On a Raised Beach Muriel Rukeyser's The Book of the Dead David Jones's The Anathemata Melvin Tolson's Harlem Gallery Louis Zukofsky's A and Charles Olson's The Maximus Poems A concluding chapter briefly looks ahead to the persistence of materialist thinking in a key Postmodernist text Armand Schwerner's The Tablets As New Materialism teaches and these texts demonstrate a renewed reckoning of humanity's interaction with the material world can help engender a greater self awareness that humanity is not the only or best measure of the universe
