their bodies at the cellular level She interviewed doctors scientists nutritionists and a host of other experts and shared what she d learned and what she wished she d known twenty years earlier Now Cameron continues the journey she began opening a conversation with her peers on an essential topic that that for too long has been taboo in our society the aging female body In *The Longevity Book* she shares the latest scientific research on how and why we age synthesizing insights from top medical experts and with her own thoughts opinions and experiences *The Longevity Book* explores what history biology neuroscience and the women s health movement can teach us about maintaining optimal health as we transition from our thirties to midlife From understanding how growing older impacts various bodily systems to the biological differences in the way aging effects men and women the latest science on telomeres and slowing the rate of cognitive decline to how meditation heals us and why love friendship and laughter matter for health *The Longevity Book* offers an all encompassing holistic look at how the female body ages and what we can all do to age better

Teachers Sourcebook for Extensive Reading George Jacobs, Thomas S.C. Farrell, 2012-08-01 The best way for students to learn to read and to come to love reading is surprise surprise by reading in quantity Unfortunately many of today s students read far too little This lack of time spent reading is particularly unfortunate as reading constitutes a bedrock skill essential in all subject areas Thus we teachers need to devote curriculum time to not only teaching students how to read but also to encouraging them to read extensively This is what Extensive Reading is all about *Teachers Sourcebook for Extensive Reading* provides hundreds of teacher tested ideas on how to do Extensive Reading The book begins with an introduction to the what and the why of Extensive Reading Thereafter the book consists of three parts Part 1 discusses finding materials for Extensive Reading Part 2 offers ideas for motivating students to read and for activities that students might do after they read or while they are reading including cooperative learning activities Part 3 looks at how teachers can serve as advocates for Extensive Reading Among the book s distinctive features are breaks for reflection first person accounts from teachers and ideas for doing Action Research and other forms of teacher investigation and research on Extensive Reading We hope that you will find the *Teachers Sourcebook for Extensive Reading* to be a practical book but also informed by theory and research We also hope this book will make a difference for your students in their test scores and even more in their attitude toward reading now and in the future

Life Beyond 100 C. Norman Shealy, M.D., Ph.D., 2006-12-28 Using today s most leading edge therapies and breakthroughs in the science of longevity C Norman Shealy one of the pioneering holistic physicians of our time shows how we can healthfully age to one hundred and beyond The idea of living well beyond one hundred years and enjoying those years in good health used to be the stuff of science fiction No longer C Norman Shealy M D Ph D whom Caroline Myss calls a wizard genius scientist mystic physician offers *Life Beyond 100 Secrets of the Fountain of Youth* In this deeply learned and revolutionary book Dr Shealy provides a new concept of longevity one that reveals that we can live far longer than current science suggests Basic healthy living and the use of alternative therapies have long been touted as the way to well being but Dr Shealy takes these

tenets a step further From the physiology of stress and its effect on the human mind and body to the importance of DHEA from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression from Shealy's electromagnetic framework of life to his recommendations for optimal health *Life Beyond 100* presents a detailed roadmap to achieve healthy aging or youthing The result of years of clinical practice and cutting edge research *Life Beyond 100* also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry Shealy argues that rather than increasing people's life expectancy these two groups create the opposite effect consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote prescription medicine that is often worse than the ailment itself As a counterpoint *Life Beyond 100* provides the most ambitious yet medically grounded and commonsensical longevity program available Easy to follow and supported by advanced research Dr Shealy's guide to uncovering the secrets of youthful aging redefines the concept of human longevity and offers a new vision of healthy living to one hundred and beyond
