Lonrho Portrait Of A Multinational:

Lonrho Suzanne Cronjé, Margaret Ling, Gillian Cronjé, 1976 Monograph on the activities and role of UK based multinational enterprise with foreign investments in Africa examines the pattern of industrial integration top management strategy international relations with the OAU and with Arab country activities in Southern Africa etc Map and references

Lonrho - Portrait of a multinational S. Cronjé, G. Cronjé, 1973 *Africa and the International System* Christopher S. Clapham, 1996-09-12 Paying for the state **Understanding World Order and Structural Change** H.

Abrahamsson, 2015-12-22 Hans Abrahamsson assesses the current world order and structural change within an historical framework He analyzes the interaction of Pax American and the Bretton Woods system in the postwar period and its impact specifically on the development of Southern Africa The author also proposed an analytical model and a methodological framework for the study of the international political economy and its global and local implications Finally he addresses the circumstances behind the current opportunity for global change and the social forces and political action required in order to seize it **The Rise and Decline of the Zairian State** Crawford Young, Thomas Edwin Turner, 1985 Zaire apparently

strong and stable under President Mobutu in the early 1970s was bankrupt and discredited by the end of that decade beset by hyperinflation and mass corruption the populace forced into abject poverty Why and how in a new african state strategically located in Central Africa and rich in mineral resources did this happen How did the Zairian state become a parasitic predator upon its own people **Colonialism** Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered Merchants to Multinationals Geoffrey Jones, 2002-03-07 Merchants to Multinationals examines

the evolution of multinational trading companies from the eighteenth century to the present day During the Industrial Revolution British merchants established overseas branches which became major trade intermediaries and subsequently engaged in foreign direct investment Complex multinational business groups emerged controlling large investments in natural resources processing and services in Asia Latin America and Africa While theories of the firm predict the demise over

time of merchant firms this book identifies the continued resilience of British trading companies despite the changing political and business environments of the twentieth century Like Japanese trading companies they re invented themselves in successive generations The competences of the trading companies resided in their information gathering relationship building human resource and corporate governance systems This book provides a new dimension to the literature on international business through the focus on multinational service firms and its evolutionary approach based on confidential business records

Piero Gleijeses' International History of the Cold War in Southern Africa, Omnibus E-Book Piero Gleijeses, 2013-12-01 This Omnibus E Book brings together Piero Gleijeses s two landmark books for the first time *Visions of Freedom* Havana Washington Pretoria and the Struggle for Southern Africa 1976 1991 During the final fifteen years of the Cold War southern Africa underwent a period of upheaval with dramatic twists and turns in relations between the superpowers Americans Cubans Soviets and Africans fought over the future of Angola where tens of thousands of Cuban soldiers were stationed and over the decolonization of Namibia Africa s last colony Beyond lay the great prize South Africa Piero Gleijeses uses archival sources particularly from the United States South Africa and the closed Cuban archives to provide an unprecedented international history of this important theater of the late Cold War *Conflicting Missions* Havana Washington and Africa 1959 1976 This sweeping history of Cuban policy in Africa from 1959 to 1976 is based on unprecedented research in African Cuban and American archives Among Gleijeses s many sources are Cuban archival materials to which he is the only non Cuban to ever have access Setting his story within the context of U S policy toward both Africa and Cuba during the Cold War Gleijeses challenges the notion that Cuban policy in Africa was directed by the Soviet Union

Executive ,1999 **Imperialism and Transitions to Socialism** Rémy Herrera, 2021-09-30 This collection of essays is designed to shed light on the issues of imperialism and the transitions to socialism Delving into the theoretical aspects whose analysis is key for understanding the subject under consideration and practical experiences of socialist transition in China Vietnam North Korea Cuba Venezuela Ecuador and Brazil

Postcolonial Transition and Global Business History Stephanie Decker, 2022-11-30 British multinationals faced unprecedented challenges to their organizational legitimacy in the middle of the twentieth century as the European colonial empires were dismantled and institutional transformations changed colonial relationships in Africa and other parts of the world This book investigates the political networking and internal organizational changes in five British multinationals

United Africa Company John Holt Co Ashanti Goldfields Corporation Bank of West Africa and Barclays Bank DCO These firms were forced to adapt their strategies and operations to changing institutional environments in two English speaking West African countries Ghana formerly the Gold Coast and Nigeria from the late 1940s to the late 1970s Decolonization meant that formerly imperial businesses needed to develop new political networks and change their internal organization and staffing to promote more Africans to managerial roles This postcolonial transition culminated in indigenization programmes and targeted nationalizations which forced foreign companies to sell equity and assets to domestic investors in the 1970s

Postcolonial Transition and Global Business History is the first in depth historical study on how British firms sought to adapt over several decades to rapid political and economic transformation in West Africa Exploring both postcolonial transitions and development discourse this book addresses the topics with regard to business and economic history and will be of interest to researchers academics and students in the fields of organizational change political economy African studies and globalization

Duncan Sandys and the Informal Politics of Britain's Late Decolonisation Peter Brooke, 2017-11-08 This book throws new light on the impact of informal old boy networks on British decolonisation Duncan Sandys was one of the leading Conservative politicians of the middle decades of twentieth century Britain He was also a key figure in the Harold Macmillan's Winds of Change policy of decolonisation serving as Secretary for the Colonies and Commonwealth Relations from 1960 to 1964 When he lost office he fought strenuously to undermine the new Labour Government's attempts to accelerate colonial withdrawal and improve race relations in Britain Sandys developed important private business interests in Africa and intervened personally through both public and official channels on the question of Rhodesia Commonwealth immigration and the East of Suez withdrawal in the late 1960s This book will appeal to students of decolonisation and twentieth century British politics alike

The Cultural Context in Business Communication Susanne Niemeier, Charles P. Campbell, René Dirven, 1998-12-15 The Cultural Context in Business Communication focuses on differences and similarities in business negotiations and written communication in intercultural settings To set the scene Edward T Hall looks back at culture as an evolutionary concept and Charles Campbell explains the value of classical rhetoric in contemporary cultures Further contributions present case studies of cross cultural encounters and discourse aspects in various settings Steven Weiss explores the proper character of six cultures Chinese French Japanese Mexican Nigerian and Saudi Other chapters contrast English with cultures such as Chinese German Dutch Finnish and Irish The book closes with two chapters on training for effective business communication and provide models in participatory training and gaming

Agribusiness in Africa Barbara Dinham, Colin Hines, 1984

A History of Malawi, 1859-1966 John McCracken, 2012 This title features a general history of Malawi focusing mainly on the colonial period when it was known as Nyassaland but placing that period in the context of the pre colonial past

The Third Portuguese Empire, 1825-1975 W. G. Clarence-Smith, 1985

Sudan , 1977

Colonialism, Class Formation, and Underdevelopment in Sierra Leone Eliphaz G. Mukonoweshuro, 1993 This

study examines from a materialist perspective the socio economic historical and political factors contributing to the political instability and underdevelopment of Sierra Leone Tools of analysis from different methodological perspectives such as class and ethnicity are critically reviewed and utilized in the analysis and identification of colonial class formation the behavior of political groups and their economic bases The emphasis is on the dominant colonial social forces that shaped the evolution and development of the decolonization process including the formation of colonial social classes colonial state and the political relation that developed
