**Look at Me!** Orville Gilbert Brim, 2010-04-23. Four million adults in the United States say that becoming famous is the most important goal in their lives. In any random sampling of one hundred American adults two will have fame as their consuming desire. What motivates those who set fame as their priority where did the desire come from how does the pursuit of fame influence their lives and how is it expressed. Based on the research of Orville Gilbert Brim award winning scholar in the field of child and human development *Look at Me* answers those questions. *Look at Me* examines the desire to be famous in people of all ages backgrounds and social status and how succeeding or failing affects their lives and their personalities. It explores the implications of the pursuit of fame throughout a person's lifetime covering the nature of the desire fame money and power the sources of fame how people find a path to fame the kinds of recognition sought creating an audience making fame last and the resulting often damaged life of the fame seeker. In our current age of celebrity fixation and reality television Brim gives us a social psychological perspective on the origins of this pervasive desire for fame and its effects on our lives. *Look at Me* is a fascinating in depth study of society's obsession with fame. If you ever wondered what it's like to be famous why fame comes to some and is sought by others it's all here. Jeffrey L. Bewkes Chairman and CEO Time Warner. In a voice filled with wisdom and insight daring and self reflection Orville Brim masterfully traces the developmental origins and trajectory of fame. *Look at Me* lets us see with new eyes the cultural priorities and obsessions that feed our individual hunger and appetites. A rare and rewarding book. Sara Lawrence Lightfoot. Emily Hargroves Fisher Professor of Education at Harvard University and author of *Respect* and *The Third Chapter*. Orville Gilbert Brim has had a long and distinguished career. He is the former director of the John D and Catherine T MacArthur Foundation Research Network on Successful Midlife Development former president of the Foundation for Child Development former president of the Russell Sage Foundation and author and coauthor of more than a dozen books about human development intelligence ambition and personality. **Who Look at Me?!** Durell M. Callier, Dominique C. Hill, 2019-01-21. *Who Look at Me: Shifting the Gaze of Education through Blackness Queerness and the Body* explores how we as a society see Blackness and in particular Black youth. Drawing on a range of sources the authors argue that the ability to operationalize the sentiment that BlackLivesMatter requires seeing Blackness wholly as queer and as a site of subversive knowledge production. Continuing the work of June Jordan and Langston Hughes and based on their work as a Black queer artist collective known as Hill L Waters *Who Look at Me* provides alternative tools for reading about and

engaging with the lived experiences of Black youth and educational research for and about Black youth In this way the book presents not only the possibilities of envisioning teaching and research practices but presents examples that embrace celebrate and make room for the fullness of Black and queer bodies and experiences This work will appeal to those interested in emancipatory methodological and educational practices as well as interdisciplinary conversations related to sociocultural constructions of race and sexuality politics of Blackness and race in education **Look at Me Daddy!!!!** Jarvis F. Wright Sr.,2020-03-12 I hear look at me Daddy at least a million times a day from my daughter It is very important to her that I am watching when she is doing something It doesn't matter what it is One day an overwhelming thought popped into my mind while watching my daughter engage in yet another activity that she wanted me to watch her do The thought was that my daughter did not just crave my attention she craved my affirmation She didn't want me to just SEE what she was doing she wanted me to SEE her She wanted me to show her that I was interested in her as a person The beginning pages of this book are addressed to fathers I explain in detail the insight that I received that day watching my daughter This profound thought led to an extensive search for the true significance of the daddy daughter relationship The second part of the book is written in a way that not only demonstrates how dads can affirm their daughters with just simple daily interactions but allows the book to be used as a tool to interact with their daughters This book can be read to daughters by dads as a bedtimes story Besides reading with our children is as fundamental as affirming them A Look at Me in the Mirror Rhonda

Johnson,2022-06-28 This book is about the life of a little girl who had to grow up fast She endured several scary things in her life She was spoiled by her family She encountered more than a little girl should ever have to Crying not knowing what to do she would figure it out I can't tell anyone something bad will happen to us She did just that she figured it out and began a new journey of more excitement *Hell, Look at Me* Edward Kendrick,2014-08-10 Scene designer Charlie Cox is in a

clandestine relationship with the theater's lead actor Ricky Moore Charlie knows it will never be more than that because Ricky is too egotistical to want to be seen in public with a man who has deep burn scars on one arm Not that Charlie blames him since he's certain he's a freak in almost everyone's eyes Jace Parish the scene shop boss is in love with Charlie but will never let him know Jace thinks he's uninteresting because he's thirty and starting to bald which makes him look middle aged He also has never admitted to anyone he works with that he's gay Liam Dolan owns the gym where Jace comes to work out his anger and frustration Liam has been drawn to Jace from the beginning but believes Jace is straight so has never revealed his feelings to Jace Ricky Moore knows he is using Charlie for his own selfish ends What Ricky can't figure out is why when he can and does have anyone he wants in his bed he keeps coming back to Charlie These four men have preconceived ideas about themselves and each other What will it take for them to realize love is possible if they will only give it a chance
