Get it now **Summer of Joy (The Heart of Hollyhill Book #3)** Ann H. Gabhart, 2008-02-15. The summer of 1964 certainly was eventful, but it's nothing compared to what's coming to the Brooke family and to Hollyhill, Kentucky. David finally gets up the nerve to pop the question to Leigh, and wedding plans are in the making. But the past is coming to call on many in Hollyhill, threatening to destroy the relationships that everyone thought were so strong. Two people, one David thought was gone for good and the other no one's ever heard of, are making their way to the small town and promise trouble. This complex and well-written story is the perfect conclusion to the Hollyhill story. With true-to-life family drama, refreshing humor, and lovable characters, *Summer of Joy* will delight readers.

**The Encuentro Book Two** Richard David Kennedy, 2014-12-03. The *Encuentro* isn't just another novel. A fairy tale in novel form, told as a farce presented like a play and executed like a movie, it is indeed a novel in every way. It is very much as advertised: A Risqué Fairy Tale For Contemporary Adults, very mature adults. It is also Kennedy at his innovated best, pulling out all the stops and turning the medium on its head to make a gut-busting spoof that turns out not to be such a spoof after all. So while the subject matter is bawdy, the humor outrageous, and the wit nonpareil, it is to be sure a deeply profound exposition of the nature and meaning of life at the end of the day. It is, as he has stated, probably my best symphony yet, and destined to be an instant classic. Where else will you find a novel's author portraying himself in his own book as a movie director?

*Every Family Has a Story* Julia Samuel, 2024-11-05. With her usual warmth and wisdom, bestselling psychotherapist Julia Samuel explores the family we inherit and how we can change. In her bestselling follow-up to *Grief Works* and *This Too Shall Pass*, much-loved psychotherapist Julia Samuel invites us into her sessions as she explores the relationships that have the power to touch us and hurt us most: those with our family. Through eight beautifully told case studies covering a variety of families across multiple generations, she analyses common issues from losing a parent to children leaving home and from separation to step relationships. In doing so, she shows how much is in fact inherited and how much can be healed when it is faced together. *Every Family Has a Story* provides the tools that will help with this work of improving our relationships. Its twelve touchstones for family well-being show how to communicate effectively, set boundaries, fight productively, and allow change. This is a wise and insightful exploration of modern life that will help us create the families we wish for.

**The Story King** Matt Mikalatos, 2021-06-08. In the third and final installment in the *Sunlit Lands* series, the magic of the *Sunlit Lands* has been reset, but that doesn't mean all is well. Unrest and discord are growing by the day, and Hanali is positioning himself as ruler of the *Sunlit Lands*.
