Sherman, 2017-02-06

More than 400 films and 150 television series have featured time travel stories of rewriting history, lovers separated by centuries, journeys to the past or the often dystopian future. This book examines some of the roles time travel plays on screen in science fiction and fantasy. Plot synopses and credits are listed for films and TV series from England, Canada, the UK, and Japan, as well as for TV and films from elsewhere in the world. Tropes and plot elements are highlighted. The author discusses philosophical questions about time travel such as the logic of timelines, causality, what's to keep time travelers from jumping back and correcting every mistake, and morality: if you correct a mistake, are you still guilty of it. **The Fire She Set** Leigh Overton Boyd with Emily Adams, 2020-03-20

They grew up knowing they had secrets to keep. They did not talk about their mother's extended absences or why their dad put Scotch tape on the backdoor frame to cover up the chaos they kept their clothes neat and got good grades. But when they were teenagers, an arson fire destroyed their home and killed their parents. Rumors were thick that summer that smart, angry fourteen-year-old Lisa set the blaze. Then, adult powers they did not understand squelched the investigation. As teenagers accustomed to keeping silent, they packed up and moved on. Forty years later, Leigh, the oldest, decided it was time to find out who killed their parents. She obtained copies of the police and fire investigations and began unwrapping the past. This memoir is the story of that investigation as Leigh tried to piece together the truth but found more lies instead. With the help of her sisters, Leigh was able to reconstruct much of what happened to them in the beach towns around Atlantic City in the early 1970s. After the fire, one sister turned to heroin and another to alcohol. Leigh became Miss

Atlantic City Then one by one they each moved to California and shut the door on their past even though they privately wondered whether one of them killed Frank and Nancy Overton It s funny They never wondered whether one of their parents was trying to kill them **Mentor-World Traveler** ,1921 **The Mentor-world Traveler** ,1921 **Revenge of the Past** Narielle Living,2019-02-15 A tale of love revenge and recovery Why is it so hard to listen when Hannah the family ghost issues a warning Probably because she says things Katie doesn t want to hear and she only shows up when there s trouble Katie has a secret and her life is starting to unravel This time her family and friends may not be able to help her before it s too late As the stakes become higher she is forced to confront her worst nightmare While revelations about Katie s obsession come to light she is faced with enemies so powerful they could destroy her body and soul **While the Universe Dreams** R.
