Look Out For Ghosts:

Look Out for Ghosts! Annette Tison, 1991 **Ghost Watch** David Rollins, 2010-01-10 Special Agent Vin Cooper is feeling reckless He volunteers for the dumbest and most dangerous job going personal security operations in Afghanistan protecting bent politicians But when his principal is killed in a suicide bomb attack Cooper is reassigned to a cushy job nursing a couple of needy African American entertainers putting on a show for US military advisors at a secret base in Rwanda Or so he thinks Things go horribly wrong when their United Nations chopper is forced down in the Democratic Republic of Congo in the middle of an all out firefight by opposing forces The nightmare only intensifies when some of Cooper s people including one of the entertainers are captured While risking his life to rescue his principals Cooper spies a US DoD advisor in the enemy encampment which is awash with American weaponry It seems that their forced landing in this inhospitable place was no accident

Archaeology, Narrative, and the Politics of the Past Julia A. King, 2012-07-15 In this innovative work Julia King moves nimbly among a variety of sources and disciplinary approaches archaeological historical architectural literary and art historical to show how places take on convey and maintain meanings Focusing on the beautiful Chesapeake Bay region of Maryland King looks at the ways in which various groups from patriots and politicians of the antebellum era to present day archaeologists and preservationists have transformed key landscapes into historical indeed sacred spaces The sites King examines include the region s vanishing tobacco farms St Mary s City established as Maryland s first capital by English settlers in the seventeenth century and Point Lookout the location of a prison for captured Confederate soldiers during the Civil War As the author explores the historical narratives associated with such places she uncovers some surprisingly durable myths as well as competing ones St Mary s City for example early on became the center of Maryland s founding narrative of religious tolerance a view commemorated in nineteenth century celebrations and reflected even today in local museum exhibits and preserved buildings And at Point Lookout one private group has established a Confederate Memorial Park dedicated to those who died at the prison thus nurturing the Lost Cause ideology that arose in the South in the late 1800s while nearby the custodians of a 1 000 acre state park avoid controversy by largely ignoring the area s Civil War history preferring instead to concentrate on recreation and tourism an unusually popular element of which has become the recounting of ghost stories As King shows the narratives that now constitute the public memory in southern Maryland tend to overlook the region s more vexing legacies particularly those involving slavery and race Noting how even her own discipline of historical archaeology has been complicit in perpetuating old narratives King calls for research particularly archaeological research that produces new stories and counter narratives that challenge old perceptions and interpretations and thus convey a more nuanced grasp of a complicated past

Legend Tripping Lynne S. McNeill, Elizabeth Tucker, 2018-11-30 *Legend Tripping* A Contemporary Legend Casebook explores the practice of legend tripping wherein individuals or groups travel to a site where a legend is thought to have taken place Legend tripping is a common informal practice depicted in

epics stories novels and film throughout both contemporary and historical vernacular culture In this collection contributors show how legend trips can express humanity s interest in the frontier between life and death and the fascination with the possibility of personal contact with the supernatural or spiritual The volume presents both insightful research and useful pedagogy making this an invaluable resource in the classroom Selected major articles on legend tripping with introductory sections written by the editors are followed by discussion questions and projects designed to inspire readers to engage critically with legend traditions and customs of legend tripping and to explore possible meanings and symbolics at work Suggested projects incorporate digital technology as it appears both in legends and in modes of legend tripping Legend Tripping is appropriate for students general readers and folklorists alike It is the first volume in the International Society for Contemporary Legend Research series a set of casebooks providing thorough and up to date studies that showcase a variety of scholarly approaches to contemporary legends along with variants of legend texts discussion questions and projects for students Contributors S Elizabeth Bird Bill Ellis Carl Lindahl Patricia M Meley Tim Prizer

dead brother's ghost romance can be tricky Perfect for fans of John Green and Nicola Yoon Rose Asher believes in ghosts She should since she has one for a best friend Logan her annoying Netflix addicted brother who is forever stuck at fifteen But Rose is growing up and when an old friend moves back to Laguna Canyon and appears in her drama class things get complicated Jamie Aldridge is charming confident and a painful reminder of the life Rose has been missing out on since her brother's death She watches as Jamie easily rejoins their former friends a group of magnificently silly theater nerds while avoiding her so intensely that it must be deliberate Yet when the two of them unexpectedly cross paths Rose learns that Jamie has a secret of his own one that changes everything Rose finds herself drawn back into her old life and to Jamie But she quickly starts to suspect that he isn't telling her the whole truth All Rose knows is that it's becoming harder to choose between the boy who makes her feel alive and the brother she isn't ready to lose

In Search of Ghosts Hans

Holzer,2012-02-21 Famed ghost hunter Hans Holzer once told an interviewer There are three dirty words in my vocabulary belief disbelief and supernatural They don't exist There's no supernatural world Everything that exists is natural Yet there is a dimension of existence that is as real as your living room even if the average person cannot access it with all their senses For five decades this meticulous Vienna born researcher has been delving into manifestations that seem miraculous moving among ghosts with a calm resolve that might have startled even the spooks In book after book he has documented these spirit presences building an unprecedented bibliography of The Other Side In Search of Ghosts brings together some of The Ghost Hunter's famous astonishing and controversial cases Holzer recreates eerie scenes with a skillful sense of telling detail His long deep immersion in the field is evidenced by the vast diversity of his subjects He writes about Bavarian poltergeists and Connecticut left behinds spectral murder victims and a ghostly spy courier who refuses to disappear a noisy spirit in a San Francisco suburb and a Revolutionary War traitor whose imprint stubbornly remains Some posthumous visitors tiptoe others thrash some require the gentle coaxing of mediums Holzer brings alive not only phantoms who emerge from the shadows but also the average people whose everyday lives were interrupted by these unexpected nocturnal visitors and their intrusive rumblings Like any good researcher he realizes that context is everything With tireless attention he pursues his vaporish subjects back into history separating the chaff from the wheat and puzzling out the true stories of their uneasy exits For Hans Holzer things that go bump in the night are no longer phenomena to be regarded with fear or awestricken wonder In Search of Ghosts offers you a steadying hand as he escorts you into haunted realms you never imagined so vividly
