**For the Love of Knitting** Kari Cornell, One surviving cotton sock tells us that the Egyptians were knitting as long ago as the first millennium AD. Tenderly preserved shawls and sweaters bespeak our great grandmothers' handiwork. And colorful strands of yarn escaping from a basket in the corner show that the tradition lives on with us. That tradition celebrated in the stories and essays in this book knits together a world of warmth and memory, wisdom and camaraderie. These writings, sometimes amusing, sometimes moving, always entertaining, comprise a charming scrapbook reflecting the myriad cultural and historical aspects of knitting. Ranging from the days of World War II to our own time, they include offerings by Jamaica Kincaid, Melanie Falick, Elizabeth Zimmermann, Meg Swansen, Susan Gordon Lydon, Pam Allen, Lela Nargi, Perri Klass, Teva Durham and many others. Artwork by Solveig Hisdal, fiber artists Debbie New and Karen Searle, and photographer Chris Hartlove, along with historical photographs, vintage advertising and pattern booklets, brings the color and textures of these stories to vibrant life. Whether you ply knitting needles yourself or simply appreciate the art, this collection will enfold you in all the softness, warmth and beauty of knitting today and yesterday.
