

Look at You, Zak!

The book and its companion tape are designed to help you and your child share Zak's special happiness as he realizes how important he is to his family, and how meaningful his accomplishments are. The story is a natural lead-in to fostering your own child's self-esteem. The major issues facing us as we foster children's self-esteem are as follows:

- Children need praise for their accomplishments.
- Children need the attention and understanding of parents to build self-confidence.
- Children need encouragement to try their best at tasks that may seem frustrating.
- Children need to know their role and value within their own family.

The book may be used with the tape. Side 1, or read aloud without the tape. Side 2 of the tape brings Zak, Amy, and more of the Alphabet Pals together in a song for your child. LOOK WHAT WE CAN DO.

Although he does experience a certain amount of success early in his career, he is never completely accepted by his colleagues and is eventually undermined by more politically astute colleagues. Throughout his life, he is disturbed by visions and dreams of the partitioning of Poland by Russia, Prussia, and Austria in the last third of the eighteenth century. The main protagonist in these visions is Tadeusz Zakonski, Count of Opatow, the pampered scion of a powerful Polish noble family. Certain of Zak's experiences conjure up visions of Zakonski's life. The similarity, although not exact because of the vastly different conditions of the two men's lives, are alike enough to be profoundly disturbing. *Ruined By Power (Book 2)* Zoey Ellis, She has yet to realize how deep his obsession goes.
