Look Away ,2002-08-01 We set out on a journey for a new way to see life in a tale told with psychedelic computer manipulated photography **The Jake Bennett Adventures Vol. Three** Bayla Dornon,2022-06-12 The final story in the Jake Bennett series opens with Jake in rehab one misstep away from prison Counseling points the PI toward his family past forcing Jake to meet his long lost father in his search for answers The arrival of Henry a fling Jake had months ago complicates Bennett s life even further Can he put the pieces of his life together or will it all shatter and fall to the ground Welcome to the thundering climax of the Jake Bennett Adventures First let s begin with what this book is NOT It is not one of those wretched romance novels where two gay men whine and cry and mope and obsess about their feelings and never have sex It is not a Delayed F k It is not a Coming Out story about two teens who ve never been touched It is not about homophobia It is not about gay bashing It is not about religion vs reality It is not about the torture of living in the closet Instead this novel is the story of two men who have already come out and who have already had sex and no one in their world has a problem with that Unfortunately one of them our hero Jake Bennett has a big problem with alcohol He s been using it more and more to cope with the unfair treatment he received from powerful people back when he was a cop in LA He s been using it to cope with his feelings of terror and despair brought on by the mysterious disappearance of his girlfriend Debbie Cantrell And he s been using alcohol to help him forget some of the shady things he and his former associate Rachel have been doing since he became a private eye in San Francisco This ocean of scotch predictably lands Jake in big trouble court ordered rehab to be exact One step away from six months in jail Jake finally wakes up to the fact that he s got a big problem It is the unexpected reappearance of Debbie that enables Jake to come to grips with this problem and finally participate in the treatment the judge has ordered for him As he opens up to his counselor Dr Wagner Jake begins to understand that his repressed childhood memories have driven his actions in ways he doesn t understand Meanwhile Henry English a young man Jake had sex with a few times earlier in the year has moved to San Francisco Henry is determined to help Jake overcome his problems and as they work together it becomes plain that Henry has another agenda With Henry s help Jake sets out to find and talk to his long lost father The stories that the private eye uncovers are not at all what he expected and upon closer inspection they don t add up either Now Jake has the information he needs to understand his past traumas As his new family gathers to take a trip together to Mexico it seems that everything is falling in place for Jake **Lifting the Stone and other Adventures** Judy Metliss,2024-12-06 These journeys record the adventures of a woman who isn t afraid to travel alone They are a mesmerising and immersive read pulsating with humour and energy The writing itself is beautiful and extraordinarily vivid Every place that she visits is brought to life and imbued with a charming atmosphere The stories are grounded in fact and characterised by a profound honesty Her unique personal style shines out in the face of an increasingly grey and uniform world Lifting the Stone and Other Adventures is about the past re visited and describes a world in the

context of the author's romantic encounters that is based on appearances. It is a world of male domination and control in which the feminine soul is stored. This piece is the background to the urban adventures and the reader is invited to view the show. This world of delightful appearances as a product of repression. Any writing that is worth its salt aspires to the universal to what touches us all.

Ravens George Dawes Green, 2024-09-24 The long-awaited fast-paced psycho-comedic thrill ride from the master storyteller Jonathan Ames behind *The Juror* and *The Caveman's Valentine*. The Boatwrights just won 318 million dollars in the Georgia State lottery. It's going to be the worst day of their lives. When Shaw McBride and Romeo Zderko pull up at a convenience store off I-95 in Georgia, their only thought is to fix a leaky tire and be on their way again to Florida, away from their dull Ohio tech support jobs. But this happens to be the store from which a 318,000,000 million dollar Jackpot ticket has just been sold, and when a pretty clerk accidentally reveals to Shaw the identity of the winning family, he hatches a ferociously audacious scheme. He and Romeo will squeeze the family for half their prize. That night, he visits the Boatwright home and takes the family hostage while Romeo patrols the streets nearby, prepared to murder the Boatwrights' loved ones at any sign of resistance. At first, the family offers none. But Shaw's plot depends on maintaining constant fear, merciless, unfaltering terror, and soon, under the pressure, everyone's sanity begins to unravel. At once frightening, comic, and suspenseful, *Ravens* is a wholly original and utterly compelling novel from one of our most talented writers.
