## Look What Do You See:

Miawaka Victoria Ramsey, 2016-01-15 Miawaka is based on the true story of a young girl abandoned by her family in the Arizona desert. Fortunate for her, there was a reservation close by. That evening, as she was lying on the desert floor close to death, one of the young men found her. As he reached down and lifted her into his arms, she became conscious long enough to realize she had been rescued. She could sense she was safe and drifted back into unconsciousness. This would be the beginning of her journey into the Red Man's world. Here she would learn the definition of the word love. She would discover joy, laughter, and the true meaning of family and friendships. She would grow to love nature and respect Mother Earth. Although she was returned to the white man's world, those days on the reservation never left her. [www.victoriamramsey.com](http://www.victoriamramsey.com)

John Inglesant Joseph Henry Shorthouse, 1882      Messiah Pulpit, 1896 Contains text of sermons delivered by M J Savage and others in New York City      **Cavalcade** Walter Satterthwait, 2005-02 Pinkerton agents Jane Turner and Philip Beaumont have just finished another difficult assignment abroad; now the office is sending them to Germany. Their job is to find the assassin who almost succeeded in killing Adolf Hitler when he was in Berlin. Their first surprise is a pleasant one: the Nazi big shot assigned to be their guide, Ernst Putzi Hanfstaengl, is a huge, jovial man who amazes his guests immediately. His English is almost without any accent. Hanfstaengl has learned American ways during his student days at Harvard. He is a talented pianist and as friendly as a puppy. Jane and Phil have no reason to think his fellow Nazis are not just as personable. This isn't going to be so bad. Everything starts to go downhill after that, however, although a handsome Nazi almost turns Jane's head with his attentions. Their job becomes a questionable one as the agents see more and more of the new party's dreadful face. A woman who gives them some information is found murdered. There are other deaths, all clearly connected to the Nazi Party. By the time Jane and Phil meet Hitler, they are not only horrified and puzzled about why the Pinkerton agency accepted the job, they are very aware that they are in danger themselves. Walter Satterthwait has uncannily taken his readers to the Germany of 1923, introducing them to characters from the actual front pages of the period's newspapers: Hanfstaengl, Rudolf Hess, and many others. As in the previous two books of this series, the crimes that Turner and Beaumont encounter are committed against a genuinely historical background. It all adds up to a suspenseful story of two likable people at risk in the treacherous atmosphere of Germany's postwar nightmare.      **Mystery, Adventure & Nonsense** Wave Joann
