The World As I Found It Bruce Duffy,2011-12-28 This wicked melancholy and astonishing novel reimagines the lives of three wildly different men adrift in the 20th century Ludwig Wittgenstein Bertrand Russell and G E Moore Newsday When Bruce Duffy s *The World As I Found It* was first published critics and readers were bowled over by its daring reimagining of the lives of three very different men the philosophers Bertrand Russell G E Moore and Ludwig Wittgenstein A brilliant group portrait with the vertiginous displacements of twentieth century life looming large in the background Duffy s novel depicts times and places as various as Vienna 1900 the trenches of World War I Bloomsbury and the colleges of Cambridge while the complicated main characters appear not only in thought and dispute but in love and

despair Wittgenstein a strange troubled and troubling man of gnawing contradictions is at the center of a novel that reminds us that the apparently abstract and formal questions that animate philosophy are nothing less than the intractable matters of life and death Pro Spring Integration Josh Long,Dr Mark Lui,Mario Gray,Andy Chan,2011-08-05 Pro Spring Integration is an authoritative book from the experts that guides you through the vast world of enterprise application integration EAI and application of the Spring Integration framework towards solving integration problems The book is An introduction to the concepts of enterprise application integration A reference on building event driven applications using Spring Integration A guide to solving common integration problems using Spring Integration What makes this book unique is its coverage of contemporary technologies and real world information with a focus on common problems that users are likely to confront This book zeroes in on extending the Spring Integration framework to meet your custom integration demands As Spring Integration is an extension of the Spring programming model it builds on the Spring Framework s existing support for enterprise integration This book will take you through all aspects of this relationship and show you how to get the most out of your Spring applications where integration is a consideration It discusses simple messaging within Spring based applications and integration with external systems via simple adapters Those adapters provide a higher level of abstraction over Spring s support for remoting messaging and scheduling all of which receives coverage in this book **National Magazine ...** ,1913
