Allotey,2024-05-28 As Christians we are called to run the race of faith in God by looking unto Jesus This is not only key to running the Christian race successfully but also key to becoming a true disciple of Jesus Christ To be a disciple of Jesus deserves no less than total commitment to learning from Him so we can become like Him and do His works In How You Can Run the Christian Race Successfully you will be inspired to look to Jesus and how to become more like Him You will learn twenty things that every Christian should know about Jesus why you must be a committed Christian and understand why you should not draw back from living by faith regardless of the trials you face You will discover how to overcome trials by faith how to keep the faith and how to live the Christian life Whether you are a new believer or a seasoned Christian this book on Christian discipleship is an invaluable resource for anyone seeking to become a true disciple of Jesus Christ     **How to Be a**

**Christian Without Being Religious** Fritz Ridenour,1970-06-01 Since the days of the Early Church Christians have struggled to find a way to be good to please God by their own efforts They end up carrying a burden God never intended them to bear And what s more their brand of Christianity ends up looking like any other religion of the world bound by joyless rules and rituals Fritz Ridenour s study of the book of Romans provides an antidote to the pharisaical spirit and shows that Christianity is not a religion but a relationship It is not man reaching up but God reaching down Every Christian can enjoy his or her birthright when they realize who they are in Christ The result is a life full of hope joy power and potential

**Vodou and Christianity in Interreligious Dialogue** Celucien L. Joseph,Charlene Desir,Lewis A. Clormeus,2023-10-30 Vodou and Christianity in Interreligious Dialogue addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity Toward this goal this volume considers various perspectives and theories such as autobiography anthropology ethnographic fieldwork religious experience and gender to examine the subject matter This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti There are three philosophical and practical ideas underlying this book project 1 it is grounded on the belief that religion has value and it could bring social goods to different communities and enhance human dignity and justice 2 it is premised on the idea that dialogue and cooperation are necessary for nation building and human development as democratic ideals and that one of the leading functions of the world s religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good and 3 that the power and public role of religion in society can be used as a major force of unification

and peace building among divergent factions and schools of thought and to promote reconciliation mutual respect and friendship in the world

**Christian Theology and African Traditions** Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings

Soul Searching : The Religious and Spiritual Lives of American Teenagers Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame, Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill USA, 2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to

answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

From the Outside Looking In Matthew J. Grow, 2015-10-01 This book contains fifteen essays each first presented as the annual Tanner Lecture at the conference of the Mormon History Association by a leading scholar Renowned in their own specialties but relatively new to the study of Mormon history at the time of their lectures these scholars approach Mormon history from a wide variety of perspectives including such concerns as gender identity creation and globalization Several of these essays place Mormon history within the currents of American religious history for example by placing Joseph Smith and other Latter day Saints in conversation with Ralph Waldo Emerson Nat Turner fellow millenarians and freethinkers Other essays explore the creation of Mormon identities demonstrating how Mormons created a unique sense of themselves as a distinct people Historians of the American West examine Mormon connections with American imperialism the Civil War and the wider cultural landscape Finally the essayists look at continuing Latter day Saint growth around the world within the context of the study of global religions Examining Mormon history from an outsider's perspective the essays presented in this volume ask intriguing questions share fresh insights and perspectives analyze familiar sources in unexpected ways and situate research on the Mormon past within broader scholarly debates

*Psychology of Religion and Families* Loren D. Marks, David C. Dollahite, 2025-07-21 Now in its second edition this multidisciplinary text addresses the growing scholarly connection between religion and family life while offering an accurate and engaging account of why and how families are impacted by their religion This updated volume integrates the social science literature from family studies psychology sociology and religion with narratives drawn from in depth interviews with 300 racially religiously and regionally diverse families that bring the concepts to life Written in a thought provoking accessible style by two of the leading researchers in the field this book reflects the author's first hand experience in teaching today's students about religion's influence on families This book examines Christianity Judaism and Islam addresses the impact of religious involvement on longevity divorce rates and parenting styles and considers demographic family couple and individual level data that relate to prayer and other sacred

practices New chapters explore The Conflicts Struggle and Stressors of Religion Racial and Ethnic Minorities and Religion Religion Sex and Gender Roles in Marriage Pedagogical features include boldfaced key terms defined in the glossary text boxes chapter conclusions summary points and review questions Intended as a text for undergraduate courses in family and religion the psychology or sociology of the family the psychology or sociology of religion pastoral biblical counseling or family and youth ministry taught in human development and family studies psychology sociology religion social work pastoral counseling and philosophy this book is also relevant to family therapists and counselors **A Rabbi Looks at Jesus' Parables** Frank Stern,2006 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history Religion Malory Nye,2003 Is religion the same as culture How does it fit with life in the modern world Do you have to believe to be part of one From televangelism in the American South to the wearing of hijab in Britain and Egypt from the rise of paganism to the aftermath of September 11th this accessible guide looks at the ways in which religion interacts with the everyday world in which we live A comprehensive introduction to the world of religion it includes religion and culture how power operates in religion gender issues the role of belief rituals and religious texts religion in the contemporary world Religion The Basics offers an invaluable and up to date overview for anyone wanting to find out more about this fascinating subject **The Habits of Race and Faith in a Religiously Diverse World** Mara Brecht,2024-07-08 Religious diversity cultural pluralism and interreligious encounter are widely viewed in modern life as socially and for many people of faith spiritually enriching One of the most significant but frequently overlooked benefits of interreligious encounter is that it empowers us to see ourselves and particularly our racialized identities in new and revealing ways In The Habits of Race and Faith in a Religiously Diverse World Mara Brecht places whiteness under particular scrutiny its tangled and entwined relationship with religious identity as well as strategic associations with dominance and privilege The analysis of whiteness gives way to fresh perspectives on Christian ideas about salvation both in connection to religious faith and racial embodiment
