**Nancy Brown Diggs**

### **Looking Beyond The Mask When American Women Marry Japanese Men:**

*Looking Beyond the Mask* Nancy Brown Diggs, 2016-02-24 *Looking Beyond the Mask* focuses on the personal stories of the growing number of American women who despite vast cultural differences and sometimes because of them are married to Japanese men. Although the problems encountered in such marriages are similar to those found in any union, there are cultural implications that can exacerbate almost any of them. Potential areas of conflict are examined such as in laws, customs, and manners, values, living conditions, religion, communication, sex and gender, and raising children. The book deals with meeting such challenges and attempting to look beyond the cultural masks to see the real people behind them. The women in question stress the importance of commitment, a flexible attitude, a strong sense of identity, a support network, a sense of perspective, and a sense of humor. They also reveal the benefits of these marriages, including a greater appreciation for Japanese ways and the opportunity to continually grow and learn. Based on extensive research, the book provides a new look at Japan from the unique perspective of those American women most intimately involved with its culture. Identity, Gender and Teaching English in Japan Diane Hawley Nagatomo, 2016-04-07 How do teachers who have chosen to settle down in one country manage the difficulties of living and teaching English in that country? How do they develop and sustain their careers, and what factors shape their identity? This book answers these questions by investigating the personal and professional identity development of ten Western women who teach English in various educational contexts in Japan, all of whom have Japanese spouses. The book covers issues of interracial relationships, expatriation, equality, and employment practices, as well as the broader topics of gender and identity. The book also provides a useful overview of English language teaching and learning in Japan. *Asian American Society* Mary Yu Danico, 2014-08-19 Asian Americans are a growing minority population in the United States. After a 46 percent population growth between 2000 and 2010 according to the 2010 Census, there are 17.3 million Asian Americans today. Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations. They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions. *Asian American Society: An Encyclopedia* provides a thorough introduction to the wide-ranging and fast-developing field of Asian American studies. Published with the Association for Asian American Studies (AAAS), two volumes of the four-volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social, cultural, psychological, economic, and political dimensions of the Asian American experience. The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time. Features more than 300 articles authored by experts in the field, organized in A to Z format, help students understand Asian American influences on American life as well as the impact of American society on

reshaping Asian American identities and social structures over time A core collection of primary documents and key demographic and social science data provide historical context and key information A Reader s Guide groups related entries by broad topic areas and themes a Glossary defines key terms and a Resource Guide provides lists of books academic journals websites and cross references The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader s Guide detailed index and cross references Available in both print and online formats this collection of essays is a must have resource for general and research libraries Asian American ethnic studies libraries and social science libraries

**Intercultural Families and Schooling in Japan: Experiences, Issues, and Challenges** ,2020-09-01 The purpose of this book is to show how research on families can be used to offer inspiration suggestions and guidance to intercultural families choosing to school their children in the regular Japanese school system Each chapter is written by a parent or parents who are themselves researchers and thus bring their skills to the task of writing about issues which have affected their families and are likely to affect other families in similar ways There are also suggestions for other non Japanese parents coping with similar issues The book is divided into three sections The first Finding our own way deals with children s and parents struggles with identity and inclusion in Japanese schools and society The second Dealing with the Japanese school system offers narratives and advice on such topics as coping with homework and dealing with more than one school system as well as what government accredited Japanese overseas schools have to offer The third section Coping with challenges examines the experiences of families where children are different because they have physical or intellectual challenges or live with foster or adoptive families The book concludes with a narrative about a family who made the decision to remove their children from the Japanese system entirely and send them abroad for schooling The authors of the chapters in this book are all current or former university faculty living in different areas of Japan Some who live in highly populated urban areas have had ample opportunities to locate educational options for their children while others living in rural communities have had to struggle to advocate for their children s inclusion in mainstream classes Their stories are all compelling and their advice is certain to be helpful to those planning to or already raising children in Japan This book will also be of value to researchers and educators particularly those with an interest in bilingualism intercultural families and cross cultural issues along with anyone wishing to learn more about contemporary Japanese society

*Intercultural Couples* Jill M. Bystydzienski,2011-05-23 Despite the growing presence of intercultural couples in the United States and worldwide their stories often go untold In *Intercultural Couples* Jill Bystydzienski provides a rare and comprehensive understanding of the multidimensional experiences of intercultural couples drawing mainly upon in depth interviews with persons living in domestic partnerships heterosexual and same sex representing a broad spectrum of ethnic racial religious socioeconomic and national backgrounds In these relationships each partner brings a different set of cultural experiences that may include gender expectations ideas about appropriate relations with family members

childrearing financial matters and general lifestyle Sometimes differences may be unrecognized or seen as minimal yet some can become salient forming the basis for conflict enriching diversity or both Bystydzienski s findings show that despite hurtful incidents from persons outside the couple partnerships intercultural unions are a source of satisfaction for the partners and are able to bridge divisions and reduce inequalities between persons of diverse backgrounds providing a rich portrait of how these couples negotiate their identities as individuals and as couples in relation to the outside world

Wedding as Text Wendy Leeds-Hurwitz,2002-12-18 A wedding serves as the beginning marker of a marriage if a couple is to manage cultural differences throughout their relationship they must first pass the hurdle of designing a wedding ceremony that accommodates those differences In this volume author Wendy Leeds Hurwitz documents the weddings of 112 couples from across the United States studied over a 10 year period She focuses on intercultural weddings interracial interethnic interfaith international and interclass looking at how real people are coping with cultural differences in their lives Through detailed case studies the book explores how couples display different identities simultaneously The concepts of community ritual identity and meaning are given extensive consideration Because material culture plays a particularly important role in weddings as in other examples of ritual food clothing and objects are given special attention here Focusing on how couples design a wedding ritual to simultaneously meet multiple and different requirements this book provides extensive details of actual behavior by couples an innovative format six traditional theoretical chapters with examples integrated into the discussion are matched to six interludes providing detailed descriptions of the most successful examples of resolving intercultural differences a methodological appendix detailing what was done and why these decisions were made and a theoretical appendix outlining the study s assumptions in detail Wedding as Text Communicating Cultural Identities Through Ritual is a distinctive study of those who have accepted cultural difference into their daily lives and how they have managed to do so successfully As such it is suitable for students and scholars in semiotics intercultural communication ritual material culture family communication and family studies and will be valuable reading for anyone facing the issue of cultural difference

**In Search of Appalachia** Nancy Brown Diggs,2019-12-10 After writing extensively about different cultures Nancy Brown Diggs chose to focus on one closer to her own the Appalachian and was surprised to learn that it is her own and quite different from the image conveyed by the media Rich in anecdotes and interviews that bring her research to life this book offers a study of Appalachians today and explores what they are truly like and why concluding that is a culture to be celebrated not denigrated Pakistan Journal of Women's Studies ,2002 Breaking the Cycle Nancy Brown

Diggs,2013-10-09 Breaking the Cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success We learn about their world from teens like Shawna the daughter of a crack addicted mother Or Andre the only one in his family not on drugs Or Daron kicked out of his home by an abusive father Challenged by the pernicious factors of their environment drugs violence fatherless homes and poor educational

backgrounds students at the Dayton Early College Academy are nevertheless beating the odds All are headed for college from which the vast majority will graduate The book reveals how this school is succeeding when so many fail It conveys the hopeful message that others can replicate much of what DECA does and save a generation mired in despair America s failure to educate its urban children is evidenced by our woeful statistics If it is possible to turn around this bleak picture and it is this is a story well worth telling And this is what Breaking the Cycle aims to do For more information on the book including interviews with the author please check out [www.nancybdiggs.com](http://www.nancybdiggs.com)      **New Books on Women and Feminism** ,2001

### **Looking Beyond The Mask When American Women Marry Japanese Men Introduction**

In today's digital age, the availability of Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Looking Beyond The Mask When American Women Marry Japanese Men versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Looking Beyond The Mask When American Women Marry Japanese Men books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Looking Beyond The Mask When American Women Marry Japanese Men books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Looking Beyond The Mask When American Women Marry Japanese Men books and manuals for download and embark on your journey of knowledge?
