Looking On Darkness:

Looking on Darkness André Philippus Brink, 1975 Tells the story of black actor Joseph Malan as he awaits execution for the murder of his white lover The narrator and central character is Joseph Malan a black South African actor jailed tortured and awaiting his execution for the murder of the white woman whose lover he was He recalls the ancestry passed on to him half history half fantasy a chronicle of subjugation through the generations Then there is his own wandering through what his revolutionary friend dismisses as the white man s culture But to Malan the many parts he has played including an episode with the Royal Shakespeare Company are the only identities he knows A sophisticate an aesthete a Europeanized intellectual a dabbler in the philosophy of the East Malan is truly a character in search of an author His refusal to leave South Africa and his involvement with the young adventuress however insures the fate he seeks and embraces All of this has more validity as thesis than as fiction But more damaging how much attention can finally be paid to a novel whose characters continually quote authorities who say what they mean so much better than they do

Looking On Darkness André Brink, 2012-01-31 Banned for many years in the author s native South Africa Looking on Darkness tells the story of actor Joseph Malan as he awaits execution for the murder of his white lover Andr Brink panders to no one s political ideological or religious beliefs in a controversial novel which has achieved international significance and abundant critical acclaim From three time winner of South Africa s most prestigious literary prize the CNA Award *The Perennial Tradition of Neoplatonism* John J.

Cleary, 1997 *Looking for Magic* Tony Young, 2017-07-03 A man in desperate pursuit of magic to save his kingdom But it turns out magic has its source in something else And this he will find together with someone who will give him more than help Look Back in Hope Keith W. Clements, 2017-07-07 A child of China missionary parents Keith Clements looks back on a life rich in diverse experiences in many parts of the world as pastor theologian writer and servant of the ecumenical movement In so doing he finds hope for the creation of true community in the world of people among themselves with God and with creation That is what the gospel of Christ is all about what the church is about and indeed what God who lives and loves as three in one is all about He recalls instances of grace in which even amid conflict and tragedy people churches and communities discover the possibilities of new life together It is both a very human story of personal faith and an insider s account of ecumenical Christianity s quest for a more visibly united church and a world of peace and justice Famous influences like Dietrich Bonhoeffer and present day leaders such as Desmond Tutu figure prominently but so do so called ordinary people he has met over the years whether in an English village in communist East Germany or in a South African squatter camp who have shown by the way they live that another world and another kind of church is possible
