Looking Back Joyce Maynard, 2012-04-17 A memoir of what it was like to be a teenager in a tumultuous era from the New York Times bestselling author of *The Best of Us* Joyce Maynard was eighteen years old when her 1972 New York Times Magazine cover story catapulted her to national prominence Published one year later *Looking Back* is her remarkable follow up part memoir part cultural history and part social critique She wrote about diving under her desk for air raid practice during the Cuban Missile Crisis the Beatles first appearance on The Ed Sullivan Show and catching the first glimpse on the cover of Life magazine of a human fetus in utero Extraordinarily frank sincere and opinionated Maynard seemed unafraid to take on any subject including herself But as she reveals in a poignant and candid new foreword she carefully kept her inner life off the page She didn't write about her difficult relationship with her mother or her father's alcoholism or the fact that her best friend at college had struggled with the knowledge that he was gay And she did not mention the most important part of her life at the time she was writing this book her relationship with reclusive author J D Salinger who read and corrected every page even as he condemned her for writing it In this special anniversary edition Maynard's candid introductory reflections on the girl behind the girl who wrote *Looking Back* lend a new dimension to this iconic analysis of a generation This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection

Montgomery, 2015-10-22 In 2012 Alan Montgomery sent out an email to a group of men who he knew were born between 1946 1964 a time that has been described as the Baby Boomer age The premise for this book was to gather an array of short stories from amateur writers about their experiences growing up and then compile them into a collection that is given some historical and social context by using a story from a pre and post boomer perspective He posed various questions to the contributors to help them explore their past and the impact it has had on their own current situation The stories range in scope from self discovery karate as a means to the fountain of youth to a lengthy semi biographical of one man's journey through the boomer age Four short letters from the past open the book introducing the reader to the generation before the boomers arrived *Boomer Boys Looking Back* is a book filled with interesting insights into a generation that will soon fade into obscurity as it struggles to

remain relevant Each story is designed to provide an intriguing perspective from the point of view from the boomers as they made their way through their lives A dozen or so men have made such a huge contribution toward this book those of whom have travelled distances to meet up and give their own compelling narrative of events All that remains is to take the reader on a journey of curiosity and allow you to marvel how the boomer evolved *The Tomorrow Code* Brian Falkner,2008-10-28 THE END OF THE WORLD started quietly enough for Tane Williams and Rebecca Richards Tane and Rebecca aren't sure what to make of it a sequence of 1s and 0s the message looks like nothing more than a random collection of alternating digits Working to decode it however Tane and Rebecca discover that the message contains lottery numbers lottery numbers that win the next random draw Suddenly Tane and Rebecca are rich but who sent the numbers And why More messages follow and slowly it becomes clear the messages are being sent back in time from Tane and Rebecca's future Something there has gone horribly wrong and it's up to them to prevent it from happening As they follow the messages cryptic instructions Tane and Rebecca begin to suspect the worst that the very survival of the human race may be at stake *Tratak* Yogi Anand Ji,2019-05-02 This book on Tratak has remarkable significance over other books on the subject Unlike unusual books on the subject it explains spiritual aspects of tratak as well It has been observed that common people are exposed to physical and materialistic benefits of tratak only Able master Yogi Shree Anand Ji a gifted expert of tratak has revealed several unknown secret details on the subject It includes use of tratak by ancient sages recent examples of use of tratak how to develop complete mastery in tratak sadhana spiritual development by tratak etc In fact Yogi Shree Anand Ji has presented rare secret wisdom of Sanatan dharma with respect to tratak owing to his great compassion towards seekers of spiritual path
