Dawkins,2011-10-04 Magic takes many forms Supernatural magic is what our ancestors used in order to explain the world before they developed the scientific method The ancient Egyptians explained the night by suggesting the goddess Nut swallowed the sun The Vikings believed a rainbow was the gods bridge to earth The Japanese used to explain earthquakes by conjuring a gigantic catfish that carried the world on its back earthquakes occurred each time it flipped its tail These are magical extraordinary tales But there is another kind of magic and it lies in the exhilaration of discovering the real answers to these questions It is the magic of reality science Packed with clever thought experiments dazzling illustrations and jaw dropping facts The Magic of Reality explains a stunningly wide range of natural phenomena What is stuff made of How old is the universe Why do the continents look like disconnected pieces of a puzzle What causes tsunamis Why are there so many kinds of plants and animals Who was the first man or woman This is a page turning graphic detective story that not only mines all the sciences for its clues but primes the reader to think like a scientist as well Richard Dawkins the world s most famous evolutionary biologist and one of science education s most passionate advocates has spent his career elucidating the wonders of science for adult readers But now in a dramatic departure he has teamed up with acclaimed artist Dave McKean

and used his unrivaled explanatory powers to share the magic of science with readers of all ages This is a treasure trove for anyone who has ever wondered how the world works Dawkins and McKean have created an illustrated guide to the secrets of our world and the universe beyond that will entertain and inform for years to come Los Angeles Magazine ,1996-06 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Los Angeles Magazine** ,1996-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **A Study of Federal Immigration Policies and Practices in Southern California** United States Commission on Civil Rights.
