awakened in her bed by a rapist As she writes in this fierce unflinching account This was not supposed to happen I was supposed to have escaped I had hot flashes and liver spots and was in the final stretch Here Donofrio wrestles with anger toward her attacker and toward life yet realizes her despair is not unlike that of other friends who are struggling with grave illnesses loss of jobs deaths of loved ones Hoping to heal from trauma Donofrio turns to prayer while journeying to five very different monasteries A testimony to how anyone who is broken can move away from fear and anger toward grace Astonished will not only be read and shared by fans of Donofrio s previous books but also by anyone who hopes to be inspired by Donofrio s strength and her search for faith healing and identity [Looking for Mary Gabriel](#) Carole Lawrence,2025-08-22

In Search of Mary Sally Cunneen, 2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen's provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life
