Albany Institute of History & Art Albany Institute of History and Art, 1998-01-01 Beautifully illustrated introduction and overview to the collections of the Albany Institute of History and Art *Dictionary of Anonymous and Pseudonymous English Literature* Samuel Halkett, 1971 **The Cracked Lookingglass** Albert Wachtel, 1992 There are basic problems and if we can't solve them we should hold off on theorizing To begin at the beginning what was Father Flynn's great wish for the boy in *The Sisters* The uncle thinks he knows but is he right Can we be sure How And how about the beginning and end of *An Encounter* How do they fit together What is the specific import to the boy in *Araby* of the shards of conversation between the salesgirl and the Britishers Can we or Eveline be certain of Frank's motives in her story If not what relevance do they have And how in *A Portrait of the Artist as a Young Man* do Stephen's use and understanding of art evolve In what crucial respects do they fall short of the understanding a careful reader of the novel can attain What in *Ulysses* does Buck Mulligan have in mind when he demands twopence for a pint of what And in what ways are Bloom's ruminations about things like mity cheese that digests all but itself and saltwater fish Why is it that they are not crucial to the novel There are bigger questions What roles do all the accidental occurrences play Do they heighten or diminish causality and probability What are the functions of allusion and stylistic experimentation Is there any overriding significance to the whole Is there a didactic component in Joyce's writing If so is the didactic element a flaw in his art What is the relationship between art and instruction in Joyce and in general Is good didactic art a contradiction in terms These latter questions are enticing but to speculate theorize deconstruct or decontextualize Joyce's works with regard to them without a firm understanding and perhaps even answers to the vital though sometimes seemingly trivial former questions is to abrogate critical responsibility and relinquish what one of the formative giants of the twentieth century has to say to us When relevant the former are almost always answerable and the mundane answers often surprising are frequently crucial not only for answering the latter questions but for fresh insight into both Joyce's world and our own By mapping routes to the revelations such mundane facts yield *The Cracked*

Lookingglass establishes a firm base for future interpretations of Joyce's stories from *Dubliners* through *Ulysses*. It approaches his works as fictional histories grounding its exemplary readings in relationships among the underlying facts of Joyce's created worlds. The study presents both a method of inquiry and as examples of its fruit some of the ways in which the apparent undiscoverables of Joyce's fiction disclose new and indisputable insights into his characters and stories and through them our world. The approach opens avenues of access to the depths of *Dubliners* to the assessments of art, religion, and human relationships in *A Portrait of the Artist as a Young Man* to the necessitous underpinnings of Joyce's experimentation in *Ulysses*, the ground and justification of his uses of psychocausal chance, the mythical method, and the seemingly gratuitous stylistic experiments that mirror our lives and suggest new directions for them.

Lesbian Potentiality and Feminist Media in the 1970s Jed Samer,2022-02-04 In Lesbian Potentiality and Feminist Media in the 1970s Jed Samer explores how 1970s feminists took up the figure of the lesbian in broad attempts to reimagine gender and sexuality Samer turns to feminist film video and science fiction literature offering a historiographical concept called lesbian potentiality a way of thinking beyond what the lesbian was in favor of how the lesbian signified what could have come to be Samer shows how the labor of feminist media workers and fans put lesbian potentiality into movement They see lesbian potentiality in feminist prison documentaries that theorize the prison industrial complex s racialized and gendered violence and give image to Black feminist love politics and freedom dreaming Lesbian potentiality also circulates through the alternative spaces created by feminist science fiction and fantasy fanzines like The Witch and the Chameleon and Janus It was here that author James Tiptree Jr Alice B Sheldon felt free to do gender differently and inspired many others to do so in turn Throughout Samer embraces the perpetual reimagination of lesbian and the lesbian s former futures for the sake of continued radical world building
